CALL TODAY!!

Proudly supporting our military, veterans and first responders.

Dear Black Sheep Family,

As we approach this season of Thanksgiving, I wanted to take a moment to reflect on all that we have shared together in 2024 and to express my deep gratitude for each one of you. This year has been filled with moments of service, joy, laughter, and deep connections—both with each other and with those we've been privileged to minister to.

One of the highlights of 2024 was celebrating our 25th anniversary at the Gathering at Lamb's Fellowship in Lake Elsinore, California. We had the privilege of hearing from Marty Edwards and Jim Birmingham, who shared about the early days of our ministry. It was a powerful reminder of how God has been faithful from the very beginning, and I am so grateful for each one of you who has been a part of this journey.

I am especially thankful for the unwavering support that our members and chapters have given to one another. Whether it's at rides, events, or just through everyday encouragement, the way you rally around each other exemplifies the love of Christ. This support is the backbone of our ministry and what makes us more than just a group—we are FAMILY! From setting up at events to polishing boots, from offering a prayer to sharing a meal, we have been the hands and feet of Jesus in ways that impact more than we could ever imagine. I am continuously inspired by your hearts to serve and your willingness to go the extra mile.

I also want to express my deep gratitude for the leadership that guides us—locally, regionally, and internationally. Your dedication, vision, and heart for this ministry are what enable us to continue to grow, serve, and reach others for Jesus. We are blessed to have such strong leadership at every level.

A special thanks goes to our office staff, who work tirelessly behind the scenes to handle the day-to-day duties that keep our ministry running smoothly. Your work in the development of our website, mobile app, new electronic magazine, and branding has been invaluable. These tools are helping us expand our reach and better connect with our members and those we serve.

As we gather with family and friends this Thanksgiving, let's take a moment to reflect on the many blessings God has poured out on us. I'm thankful for the way Jesus continues to use Black Sheep HD FC to reach people, to plant seeds, and to show His love in tangible ways. I look forward to the many more opportunities we'll have to serve together in the coming year.

May your Thanksgiving be filled with love, peace, and God's presence.

All for His glory!

Love you all

Laz Alba
BSHDFC Intl President

IN THIS ISSUE | *NOVEMBER 2024*

Member Stories of Faith and Mission:

This issue features personal journeys of members who have been profoundly impacted by their faith and their mission with Black Sheep. From Carlos Martinez's story about his transformation and commitment to the ministry, to Ken and Mary's heartfelt testimony of God's surprising plans in their lives as they joined the biker community in ministry. These profiles showcase how God moves through individuals in unique ways, calling them to serve Him through Black Sheep.

The Power of Ministry through Motorcycles:

A special spotlight on Mark Donnhauser's 2012 Harley-Davidson Softail project demonstrates how a simple motorcycle can become a tool for ministry. Mark shares how the customizations he plans for his bike will help him spread the Gospel, fostering conversations about faith with strangers. This article perfectly exemplifies how bikes are more than just machines—they're vehicles for spreading the love of Christ.

Breath of Heaven Ministry Feature:

One of the standout features of this issue is the powerful testimony of Micah Orloff's involvement in the Breath of Heaven Ministry in Zambia. Micah recounts how his journey with Black Sheep led him to answer God's call to serve vulnerable children in Africa. The impact of this ministry, which now supports over 96 children in 10 homes, is a testimony to God's heart for the fatherless. This story is a beautiful reminder of how the Black Sheep ministry extends its reach far beyond the road.

Community and Outreach Initiatives:

In addition to personal stories, this edition covers impactful outreach efforts, including the annual "Bikers With Boxes" ride. Over 8,550 shoeboxes were collected for Samaritan's Purse's Operation Christmas Child, demonstrating how Black Sheep members come together to make a tangible difference in the lives of children worldwide. This event showcases the strength of the Black Sheep community and its commitment to sharing the love of Christ through acts of service.

A Message of Peace Amid Political Noise:

In "From the President's Desk," Laz Alba reflects on the current political season and reminds us that despite the noise and division, true peace comes only from Christ. This message encourages readers to refocus on what truly matters—our relationship with Jesus and the peace He offers in all circumstances. This theme of finding peace in uncertain times ties together the edition's broader message of faith, mission, and community.

Chaplain's Corner

“We’re grateful for the chance to serve with you as Black Sheep!”

Chaplains Corner #29

Giving Thanks

“Rejoice in the LORD always! And, again, I say Rejoice!”

This phrase is found in Philippians Chapter 4. It is right before the often quoted verses of “Don’t worry about anything, but in everything, through prayer and petition with thanksgiving, present your requests to God. And the peace of God, which surpasses all understanding will guard your hearts and minds in Christ Jesus.” These verses remind us to be thankful and think about our attitudes – something we as Americans tend to do at this time of year. But, there is a verse in between those we quote, and it says to “Let your graciousness be known to everyone. (Verse 5). That word, “graciousness”, is translated many ways in the different versions of the Bible. The King James calls it “moderation”. The English Standard uses “reasonableness.”

The NIV, NKJV, and RSV use “gentleness.” And, the NLT talks about being “considerate.” As you read these different words, it is our hope that you get the meaning behind this sentiment - that your attitude and actions should reflect well on the God you serve. Are you kind? Are you polite? Are you careful in your thoughts and actions?

We often talk about how the cut we wear says a lot to people around us. They see “JESUS IS LORD” on our backs and the Black Sheep patch, and we know our actions impact others in our ministry. But, as Christians, and especially, as Chaplains, we must remember that we are ambassadors for Christ and represent Him to the world. As you focus on what you are thankful for this November, and I’m certain that will include our Lord and Savior, we hope you’ll also think about how your attitudes and actions speak to the world around you. Remember the words of our ministry’s founder and earn the right to speak into the lives of those around you. God loves you; we love you; and we’re grateful for the chance to serve with you as Black Sheep!

CARLOS MARTINEZ

“TRIKE”

Secretary | Golgatha Chapter
(Victorville, Ca.)

Hello, my Black Sheep Brothers and Sisters,

I was first introduced to BSHDFC MM at my very first HOG meeting. On February 28, 2021, I purchased my 2018 Freewheeler, and with it came a one-year membership to HOG. At that meeting, I had the chance to meet two Black Sheep members, and I found myself wondering, “What are they all about?” I also met Gary, aka “Fishtail,” who showed a lot of interest in Black Sheep as well.

On July 3, 2021, we decided to dive deeper into this ministry. We met at a local Circle K in Hesperia, CA, and headed out on our first ride to Crestline, CA. It was an unforgettable day—full of great conversations, meaningful fellowship, and a deeper understanding of what Black Sheep is truly about. At that point in my life, I thought I had a good sense of what was right for me, but it turns out, I was wrong!

On April 10, 2022, both Gary (aka “Fishtail”) and I (aka “Trike”) officially patched in and became full members. I’d be lying if I said I wasn’t scared. I kept asking myself, “Is this really what I’m meant to do?” But I kept going, despite the doubt the enemy was trying to plant in my mind. Thankfully, God had other plans—greater plans!

Just a month later, on May 15, 2022, we were filled with excitement as we prepared to head to Dallas, Texas, for the Gathering! The memories, the new brothers and sisters I met along the way, and the sense of belonging made me feel like I had found a true family. I will never forget that trip. Sure, we had some ups and downs, but overall, we left Dallas with a wealth of knowledge and a renewed sense of purpose.

One thing I love about this ministry is the fellowship. No matter where you go or who you meet within Black Sheep, you are treated like family. The advice, support, and acceptance I have received over the past 2.5 years has been incredible, and I wouldn’t trade any of you for the world. I’m so thankful for this community, and I look forward to many more years of riding, serving, and growing alongside all of you.

I love being a Black Sheep, and I love each of you!

Together in the Fellowship Monthly

the HAWKO'S "KEN & MARY"

President & Secretary
Southern Maine Chapter

How did Black Sheep wind up with the Hawko's? Is there a story behind that? Everyone has one. As for us, God's ways are certainly surprising—and far better than ours! It shows in the way we came to be part of the super fantastic Black Sheep Motorcycle Ministry.

To begin, our efforts to find a home church after we settled in Maine (from Guam) put us in a predicament. Our goal to find a place to serve God was not working out, or so we thought. We tried and tried. Meanwhile, we had four high school and college-age children to handle and rode our motorcycles only casually. Ken had back issues that caused a severe hardship as well; it was a rough patch for sure. Think speed bumps and potholes. We definitely didn't have biker missionaries on our game card!

Around that time, Ken prepared for retirement from active duty with the purchase of a sweet new 2014 Road King. I followed suit and got a 2007 Sportster 1200C. We heard of the HOG Chapter and walked into a meeting one night. The first person we met was Phil Andrukaitus, a Black Sheep Chaplain and Pastor at a Bible-centered church a couple of towns over. Meeting him turned out to have unexpected and pleasant consequences, including finding a church! Pastor Phil, a former Marine, even gave the benediction at Ken's USCG retirement ceremony in 2015, which was truly an honor.

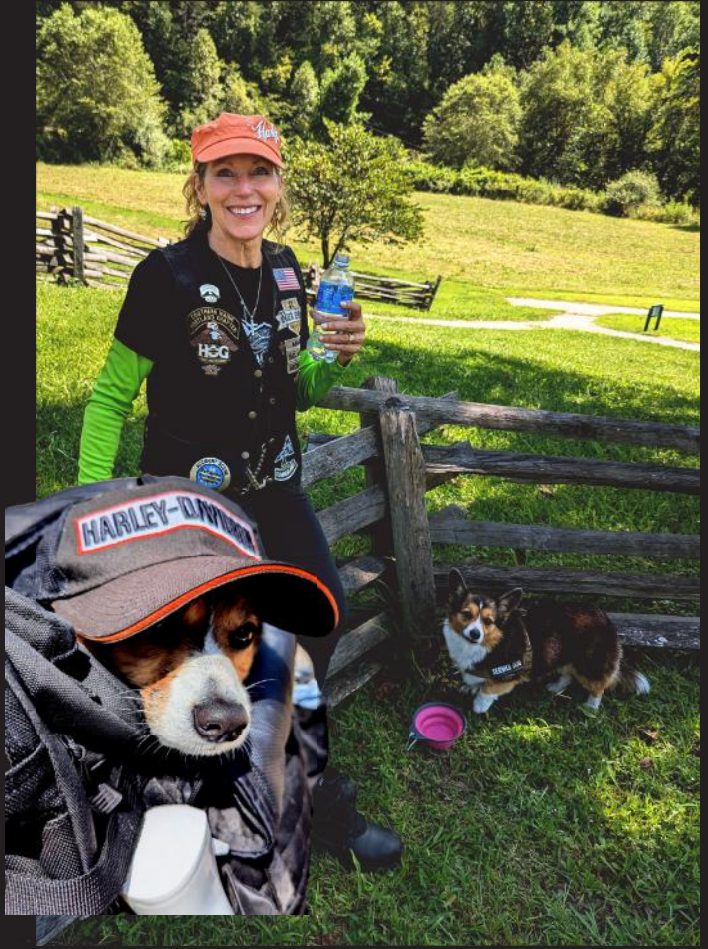

Needless to say, we joined HOG and began mentorship for Black Sheep in 2017. Another surprise—Marty Edwards, aka Slow Dog, patched us in! At a regional gathering in Pennsylvania, we met him and many others, most of whom we consider blessed to know as friends today. We've been active in the Southern Maine Chapter ever since.

So what have we gotten ourselves into? Given that we have hearts for God (that joy of salvation thing) and a passion for riding constantly at play in our lives, we felt God was calling us to join His people on mission to the biker community. We prayed about the fit for us, the impact it would have on our lives, how family/friends would react, etc. Finally, Ken convincingly said, "How else do we live apart from bringing these two things together?! Do all things to His glory!" ("So whether you eat or drink or whatever you do, do it all for the glory of God." 1 Cor. 10:31). Yes! We love the Lord, give Him all thanks, honor, and glory, and with our innate passion for riding, its freedom, the spring it brings to our souls, and the community around it—the "Do" made sense. Naturally, God put the pieces together, fitting us out for this amazing biker ministry with amazing Christian brothers and sisters.

Best of all, we have a solid foundation and platform in Black Sheep to "be about our Father's business"! Knowing of

the deep spiritual needs around us and our mission to proclaim the Gospel gives us motivation and joy in the body of Christ to serve Him. As Paul writes in 2 Cor. 5:18, "All this is from God, who reconciled us to Himself through Christ and gave us the ministry of reconciliation." The places He has taken us and the people we have met are beautiful, eye-opening, and sometimes heart-wrenching, but still, we knew that with God, life in the Black Sheep ministry would be a ride with surprises like no other!

"Lord God, may You bless our Black Sheep brothers and sisters with joy and hope, as together we spread the Word and celebrate the glory of Christ our Lord with undying love for You and Your kingdom. With all thanks and praise, Amen."

2012 HARLEY-DAVIDSON

Heritage Softail

My 2012 Harley Davidson Heritage Softail: A Tool for Ministry

I was inspired to purchase my 2012 Harley Davidson Heritage Softail after seeing how my brother in Christ, Whiskey, had customized his Deluxe. Witnessing firsthand how a motorcycle could attract people and spark conversations about Jesus had a profound impact on me. On several occasions, when we were out riding, people would approach Whiskey, asking about the details of his bike, especially the scriptures and images he had thoughtfully placed on it. The ease and natural flow of these conversations inspired me to begin my own project.

It reminded me of when we ride with our cuts, which signify our purpose and ministry. People notice, and sometimes they ask questions about why we do what we do. The Holy Spirit often opens these moments for us to share what Jesus' presence has done in our lives, and I've found these opportunities incredibly rewarding.

I found this Heritage Softail in May, with fewer than 4,600 miles on it, still in its original condition, including the

white-wall tires. I praise God that I made it home safely after my brother Dubb discovered the tires were in poor shape, with a screw lodged in the rear one. For me, it was another reminder of God's protection, even when we don't immediately recognize it.

After that close call, I prayed for direction on how to move forward with this bike. What has remained constant in my heart throughout this journey is the truth that Christ's Blood covers a multitude of sins.

My vision for the bike is to paint it a deep blood red, adorned with gold leaf scriptures and images. My hope is that this design will continue to open doors for conversations about our Lord, Jesus Christ, just as it has already begun to do within our ministry and with strangers in the community.

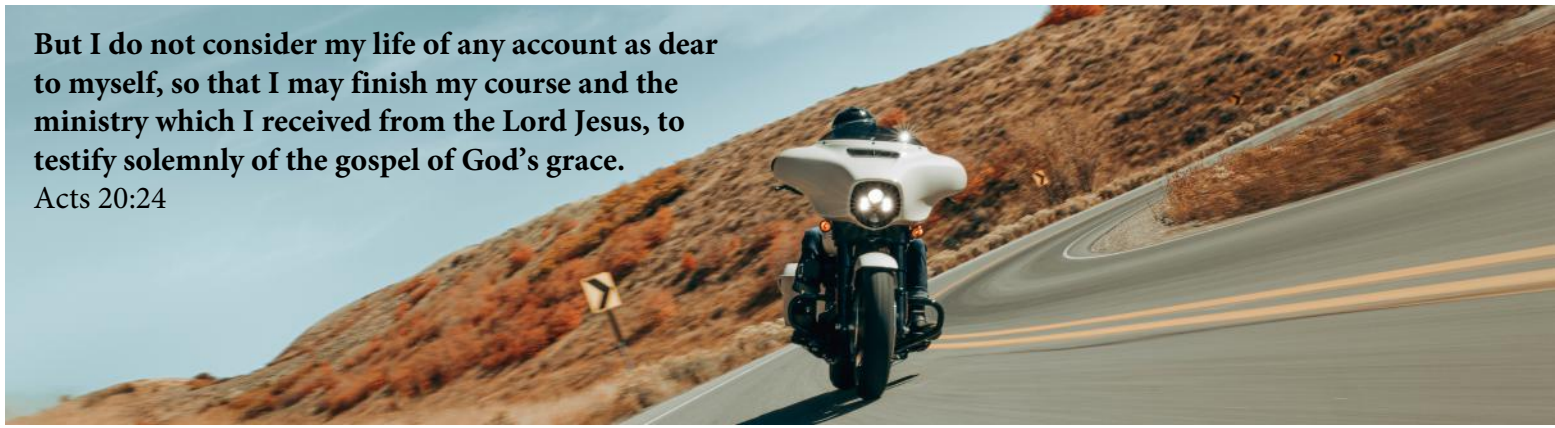

This project has brought me closer to my brothers and sisters in Christ, whether through conversations in Big Chris' garage, over breakfast with Preacher and Daryl, at an event with Whiskey or Silverback, or even in phone calls with Dubb from North Carolina. I am deeply blessed by the people God has placed in my life who have guided me along this journey.

Isn't it an incredible feeling to be encouraged by the body of Christ? I aim to complete this project by late spring, but honestly, I sometimes wonder if we are ever truly finished with our bikes. However, regardless of the timeline, I praise God for the blessing this project has been, as it continues to shine a light on His goodness, the people He has placed around me, and our shared purpose in this ministry.

BREATH OF HEAVEN

CHILDREN'S MINISTRIES

Compelled: Eyes and Ears for the Father's Heart

by Micah Orloff

Temecula Valley Chapter President

Being deeply involved with the BlackSheep mentorship program over the past couple of years has given me the opportunity to dive into what it means to be compelled to join God in His purposes. Our BSHDFC pledge begins with the question: "Are you compelled by the Spirit of God...?" The term **compel** comes from the Latin word **compellere**, which translates to "driven together." In other words, has the Spirit of God provided me with a clear sense that I am driven together to unite with the Black Sheep: Harley-Davidsons for Christ? It's an important question for all of us when it comes to something we feel may become a life passion.

In my 20 years of walking with the Lord, there have been only a few times that I felt truly compelled by the Spirit of God. One of those times was when I felt driven together with my beautiful wife, Alicia, as God would use us to carry out His purposes together. Another was joining BSHDFC and sharing the good news of Jesus with the motorcycling community.

But before either of those, my first calling was to serve orphans who were helpless and harassed like sheep without a shepherd. Nineteen years ago, my pastor shared that God had called him to dedicate the rest of his life to taking care of orphans in Africa. It was a shocking declaration. This man had faithfully shepherded a growing fellowship for 27 years, with plans to construct a new church campus to support the growth. However, after attending a Promise Keepers conference, he received a prophetic word, compelling him to pivot to this new mission. He wrestled with the

huffing gasoline to numb their hunger and cold. Many had suffered abuse. It was heartbreaking. When we returned, I went to my pastor, frustrated. I told him that instead of spending money to travel there, I could have just given the money so the children could eat. I also questioned how we could possibly build a village on the barren land we had seen.

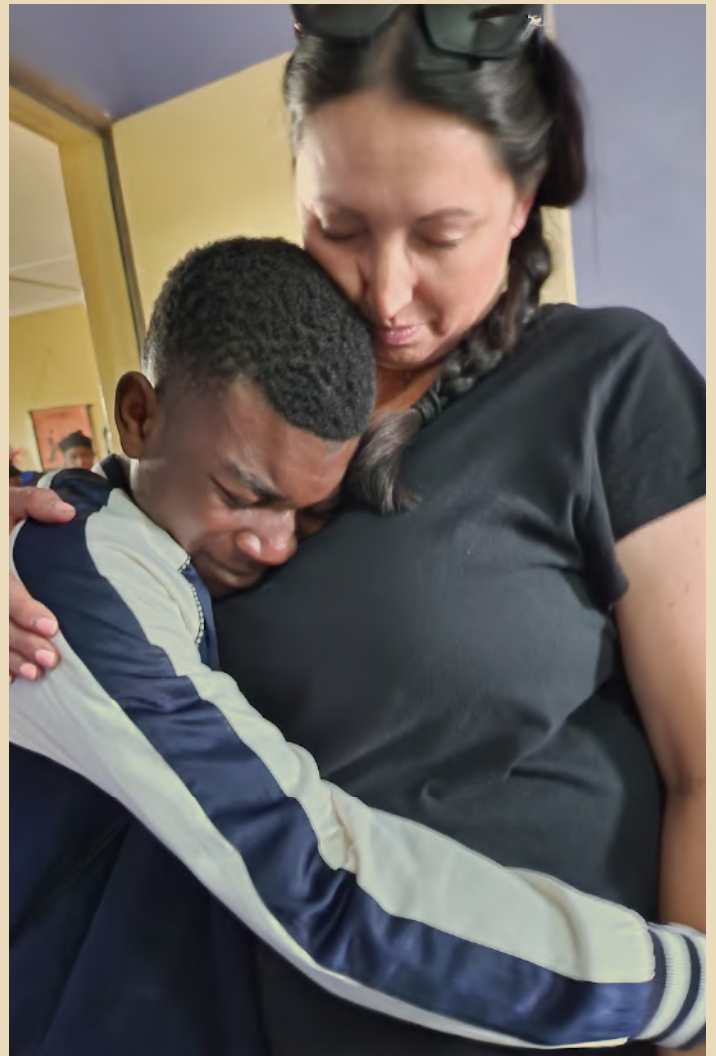

As a good and loving pastor should, he corrected me. He explained that my calling wasn't to solve everything, but to be the eyes and ears for the Father's heart, showing others the needs of these orphans. At the time, I didn't understand what he meant.

Fast forward 19 years, after nearly 25 trips back to Zambia, sharing this mission with many in our circles, and bringing teams of

call—he had made an inner vow to never return to Africa after nearly dying from malaria in Nigeria 20 years earlier. But in the end, he knew the Holy Spirit was leading him.

He shared the plight of orphans in Lusaka, Zambia, with the fellowship back in 2004: millions of children orphaned due to HIV/AIDS and malaria. The life expectancy in Zambia was 35 years, and 85% of the population was under the age of 15. The situation was dire. He then asked if anyone else felt compelled to join him in this mission. What happened next is difficult to explain—I felt as though something lifted me to my feet. I was standing, unsure of why. I didn't know much about orphans or Africa. Even my girlfriend (now my wife) was shocked, as she certainly had no interest. A few others stood as well, but it wasn't a popular decision; many in the congregation felt abandoned by the pastor, and several left the church. It weighed heavily on his heart, but he knew he had to follow God's call.

After Alicia and I got engaged, she joined me on the first trip to Zambia. We weren't prepared for what we witnessed: children in tattered clothes, burning scraps of cardboard at night to stay warm, and

people with us, I now understand. The fruit produced has been undeniable. We have seen orphans we took in at young ages grow up to become social workers, lawyers advocating for better policies, engineers improving infrastructure, and pastors shepherding others. The transformation is not just in Zambia—it's back home as well. People who have joined us on these trips have had their lives radically changed, compelled by God to alter the very trajectory of their purpose.

The ministry is called Breath of Heaven, and it truly lives up to its name. Like a fresh breath, it is a glimpse of what I believe heaven will be—paradise. Psalm 68:5 says, "A father of the fatherless and a judge and protector of the widows is God in His holy habitation." This experience has been a taste of that habitation, better than a thousand days elsewhere.

Breath of Heaven Children's Ministries (<http://www.bofheaven.org>) is an international humanitarian organization which is committed to bringing hope and a future to orphans and vulnerable children. Our current vision is to build a Children's Village complex in Lusaka, Zambia, which will provide residential care for up to 168 children in a family-like environment catering to their physical, emotional, mental, and spiritual needs. When built out, the complex will consist of 14 individual family homes, a community church, school facilities serving students through grade 12, a Vocational Training Center, and a fully equipped medical clinic. After opening our doors in January, 2010, we now have 10 homes completed with 96 children in residence. In addition, the church, school, and medical clinic are all in operation. These facilities allow us to serve the spiritual, educational, and health needs of the surrounding community as well as the children in our care.

We believe every child has a right to a family home where they are loved, secure, protected and free to be a child knowing their tomorrows are full of hope and that dreams can become a reality. This is our commitment, challenge and promise to the orphans of Zambia. These are the children we are called to rescue.

2024 "Bikers With Boxes" Ride & Event **RECAP**

Benefiting Samaritan's Purse "Operation Christmas Child"

Organized by Black Sheep Harley-Davidsons For Christ – Hickory NC Chapter

Sponsored by Blue Ridge H-D, Freedom Biker Church, Hickory Bible Church, Mountain Grove Church, Gloryland Baptist Church & Pisgah Methodist Church.

Shoebboxes were distributed to the local participating Black Sheep member's churches the month prior and a display table was established at Blue Ridge H-D. Donated Shoebboxes were collected and as of the morning of the Ride & Event a Total of 458 had been locally received!

The Lord provided a perfectly sunny 80 degree day on Saturday, October 5th, 2024, for which 42 motorcycles accommodated 4 decorated trucks outfitted with event banners along the escorted route down the hour long ride to The Billy Graham Library in Charlotte, NC to deliver the gift shoeboxes! The motorcycle pack stretched over ¼ mile long as it paraded down 3 major freeways. By the end of the day BGL reported that nearly 800 Bikers had dropped off shoeboxes! Bikers were given a 2024 "Bikers With Boxes" Tee Shirt along with complimentary lunch by Chick-fil-a and the opportunity to tour the Billy Graham Library and Grounds. Everyone enjoyed amazing Spirit filled fellowship and making new friends!

By the end of the day a Total of over 8,550 Shoebboxes had been received from all the Bikers!

Since 1993 through 2022 Samaritan's Purse "Operation Christmas Child" has distributed 199,256,994 shoebox gifts with the message of The Gospel sent to 175 countries & territories!

This is the 8th year in a row that the Black Sheep HDFC - Hickory Chapter had participated.

To God be the Glory!

"Chopper Bob"
Mid Atlantic Regional Director

BSHDFC

LEADERSHIP SPOTLIGHT

Bob Langevin

'CHOPPER BOB'

Regional Director
Mid Atlantic

It all started in 2010 when the Lord directed my path to meet a Black Sheep HDFC member, Mike Trimmer, during a mid-week Bible study at Harvest Christian Fellowship in Riverside, CA, where I was saved in 2002. After riding home with Mike, he invited me to fellowship with a group of Black Sheep who gathered every Friday night in Pomona, CA.

I had recently purchased my 2005 American Ironhorse "Texas Chopper" and, along with my lovely wife Arlene, decided to check it out. After hanging out and riding with the Pomona Chapter (Laz, Greyson, Chris, Robert, and several others) for about three years, Chris Partin finally asked, "Are you ever going to officially join Black Sheep?" I replied, "I thought you guys were never going to ask!" It probably resulted in the longest "Hang Around" period known to Black Sheep! (L.O.L.) I was patched in at the 2014 International Leadership Summit in SoCal—what a glorious day!

As a member of Black Sheep HDFC for over 10 years, I currently serve as the Regional Director (since 2021) for the Mid-Atlantic Region, which includes Maryland, West Virginia, Virginia, and North Carolina. Previously, I established and served as President (2018–2019) and Secretary (2020–2021) of the Hickory Chapter, which became the first chapter in the state of North Carolina and the region. I've been blessed to serve as a mentor, alongside Arlene, to many members over the years.

I love being part of Black Sheep HDFC! I've always enjoyed riding motorcycles since I was 16, and after being saved, I knew that God was calling me to serve Him through the ministry of Black Sheep. Talk about a "Win/Win"—the best of both worlds! Arlene and I have met and made so many wonderful Black Sheep friends, whom we now consider family. If I can ever be of any assistance, don't hesitate to reach out to me.

To God be the glory!

Much Love,

Chopper Bob

From the
President's
Desk

From the President's Desk

Laz
10/23/2024

I remember meeting a man in Arkansas during the Bikes, Blues, & BBQ rally a few months back. We started chatting, and since it's an election year, the topic of politics naturally came up. He told me that the Bible was quite clear on who we should vote for, and then he asked if I knew what **Ecclesiastes 10:2** said. I admitted that I couldn't remember, and he encouraged me to look it up when I had the chance.

After our conversation ended, I pulled up the verse on the Bible app. It read, "The mind of the wise tends toward the right, but the mind of the fool toward the left." I chuckled at first. It was clear the man had a sense of humor.

That being said, maybe it's just me, but I'm so tired of this political season—the constant ads on TV, radio, mailers, and social media are everywhere. You can't escape it. It feels like no matter where you turn, you're bombarded by division and endless debates. It's exhausting, and it's easy to feel overwhelmed by all the noise. But even in the midst of this turbulence, we can find peace and comfort in knowing that our hope doesn't rest in political outcomes—it rests in JESUS! "AMEN!"

The Bible reminds us that true peace comes from Him, not from the circumstances around us. Here's a collection of Scriptures that show us how to shift our focus from the chaos of the world to the peace only God can give: →

Psalm 55:22

Cast your burden on the Lord, and he will sustain you...

Psalm 94:19

When the cares of my heart are many, your consolations cheer my soul.

Isaiah 26:3

You keep him in perfect peace whose mind is stayed on you, because he trusts in you.

John 14:27

Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid.

Romans 15:13

May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

Philippians 4:6-7

Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.

Colossians 3:15

And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful.

1 Peter 5:7

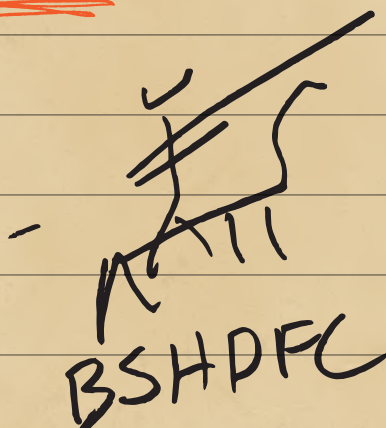

Casting all your anxieties on him, because he cares for you.

I could go on with more Bible verses that speak about the peace of God, but the point I'm making is this: we can have confidence that God is in control. No matter the headlines or political shifts, we know our ultimate hope is in His kingdom, which is unshakable.

Let's focus on Him, trusting that He will guide us through uncertain times with His perfect peace.

All for His glory! Love you all!

BLACK SHEEP HARLEY-DAVIDSONS FOR CHRIST

14=23

CHAPTER [YUMA AZ]

CHAPTER SPOTLIGHT

Black Sheep HDFC has been present in Yuma, AZ since 2018. By God's grace and provision, the 14:23 Yuma Chapter was born on October 6, 2023 and is a testimony of waiting on the Lord. We have witnessed The Lord orchestrate (in His time) a team of amazing brothers and sisters with very specific gifts and talents who absolutely love Him and one another.

Currently, the chapter is 5 strong with one mentee and one prospective member all ready and willing to do God's will. Our very name 14:23, reflects the heart of our chapter, "And the master said to the servant, 'Go out to

the highways and hedges and compel people to come in, that my house may be filled” (Luke 14:23). We not only get to serve and have a wonderful relationship with our beloved HOGs of Chapter #0104, but have the privilege of serving the homeless community in partnership with a local biker church.

We travel with a purpose, asking The Lord to cause divine appointments everywhere we go and have witnessed His transforming power within random individuals at all kinds of pit stops along our journey.

We love our Lord, His calling, and the entire Black Sheep HDFC family and ministry.
