ABOUT US

Established in 2024, Ramai Spices is a trusted manufacturer and exporter of premium Indian spices, based in Mumbai, Maharashtra. We specialize in producing Authentic Kolhapuri Ghati Masala, Red Chilli Powder & Malvani Masala, crafted using traditional methods to preserve natural oils, rich aroma, and original flavor.

Our spices are handmade, chemical-free, and contain no artificial colors or additives. We carefully source high-quality raw materials and grind them in small batches using traditional handmade methods to ensure consistent taste and purity. Our products are trusted by home cooks and professional kitchens across India, USA, and Europe.

At Ramai Spices, we believe that great food begins with pure and authentic ingredients. Our team follows strict quality control measures at every stage—from sourcing and processing to packaging and delivery. Each spice blend is prepared with passion, expertise, and deep respect for India's rich culinary heritage.

We focus on sustainable practices and ethical sourcing, working closely with farmers and suppliers to ensure freshness and fairness. Our hygienic manufacturing unit meets international standards, ensuring safe and premium-quality products for our customers.
