WELCOME TO

the 2025 Season at

Outdoor Country Club!

WITH DICK SMITH, JR.

Dear Members,

Spring is finally here, and with it comes the excitement of a brand-new season at Outdoor Country Club! As your General Manager, I am thrilled to welcome back our members and families as we step into what promises to be a fantastic year filled with outstanding events, friendly competition, and wonderful camaraderie.

The arrival of spring means the return of our wonderful golf course, tennis courts, and many social events. Our grounds crew has been working diligently to ensure the course is in top condition for the season, and I can confidently say we will all enjoy a fantastic experience on the course. Whether you're a seasoned golfer or just picking up a club for the first time, our facilities and professional staff are here to make your time on the course memorable.

Beyond the greens, our tennis programs are set to kick off with some new leadership we hope to announce in the weeks to come. We are looking forward to a robust program of tournaments, clinics, and social mixers. These activities are a great way to stay active and connect with fellow members. Meanwhile, our clubhouse and dining facilities have some exciting new additions this year, including fresh seasonal menus crafted by our talented culinary team. Be sure to stop by and indulge in delicious meals while enjoying the beautiful views.

Spring also marks the beginning of a packed social calendar, including our much-anticipated Easter Brunch, Mother's Day and the return to outdoor patio dining. These events provide the perfect setting to meet new friends, reconnect with old ones, and celebrate the start of a new season together.

Our team is dedicated to making this year an exceptional one, and we are always here to ensure your time at Outdoor Country Club is enjoyable. We encourage you to stay connected through our website and social media channels for updates on upcoming events, special promotions, and club news.

On behalf of the entire staff, thank you for being part of our Out Door Country Club Family. We look forward to seeing you out on the course and around the club soon!

Cheers to an incredible season ahead!

Warm regards,

DICK SMITH, JR.

DOWN TO BUSINESS

WITH KEN CONDES

Dear Members,

Spring is here, and with it comes a season full of exciting events, enhanced dining experiences, and opportunities to make lasting memories at Out Door Country Club. As we continue our journey toward elevating our Food & Beverage program, I want to take a moment to thank you all for your continued support and engagement. Your feedback and participation help us create the best possible experience for our members and guests.

EXCITING ENHANCEMENTS IN FOOD & BEVERAGE

Our culinary team, led by Chef George, has been hard at work crafting new seasonal menus that highlight fresh, locally sourced ingredients. We are also continuing our Steak Program, which has been met with great enthusiasm. If you haven't yet, I encourage you to indulge in one of our expertly prepared steaks, a true testament to Chef George's culinary expertise.

Additionally, our beverage team has been working on refreshing our seasonal beverage menu. With input from our talented bartenders, we're excited to present new handcrafted cocktails, select wines, and locally brewed beers that will complement our springtime offerings perfectly.

We are also pleased to announce that Kaitlin Roe has been promoted to Bar Manager. Kaitlin will primarily oversee our cocktail program, ensuring innovative and high-quality beverage offerings. Additionally, she will play a key role in implementing our service standards, reinforcing our commitment to delivering top-tier hospitality.

Our Wine Program is expanding slowly but surely! I am continuously adding wines to our Wine List and Wines by the Glass specials to bring you a broader and more exciting selection. I sincerely appreciate all the members who share their ideas and feedback to help shape and grow this program. Your enthusiasm and input are what make this initiative thrive!

We are also working on expanding F&B integrations into golf operations, ensuring seamless service during league nights, tournaments, and special golf outings. Our goal is to enhance the member experience both on and off the course.

STAFF TRAINING & HOSPITALITY COMMITMENT

One of our primary focuses this year is refining our service standards through continuous staff training. We are committed to providing exceptional hospitality and are finalizing our Food & Beverage Training Manual to ensure consistency in service, accountability, and a high level of professionalism among our staff. Our team is dedicated to making every visit to the club a memorable one.

Warm regards,

KEN CONDES, CS

THE BAR METHODS

**NEVER UNDERESTIMATE THE
POWER OF PRESENTATION**

Garnishing is an Art Form:

The garnish is the finishing touch that can make a drink look stunning. Bartenders know that a well executed garnish—whether it's a citrus twist, an herb sprig, or a delicate edible flower—can turn a standard drink into something you won't soon forget.

The garnish not only has a visual appeal, it also supports the cocktail or mixed drink by adding flavor, texture and aroma. For instance, a citrus peel is a timeless garnish that adds both fragrance via the oils spritzed over the top, but it also provides a contrasting hue against the color of the drink. Furthermore, fruit wedges allow for more than just decoration, as they serve a functional purpose contributing a fresh squeeze of juice enhancing flavor and complexity.

The right glass for the right drink is a subtle but powerful way to elevate the member experience. Bartenders often use beautiful glassware to enhance the drink's appeal. Additionally, rimming the glassware with ingredients such as salt, sugar, or spices can provide a striking visual effect and enhance the depth of the drink with another layer of flavor.

Using garnishes is all about balancing out the senses and creating a drink that looks as good as it tastes and smells. The key is to make the garnish not just an accessory, but an integral part of the drinking experience.

STATE OF THE TURF

WITH SCOTT GINGRICH

Winter at ODCC brought plenty of cold, snow and windy conditions, one of the colder winter's in recent memories. With that now just an afterthought we are looking forward to spring and the warmer weather that comes with it. The Grounds Staff is especially looking forward to being one of the host sites for the first round of the USGA Senior Open Qualifier this spring and shortly after that our own Opening Day Event will help kick off the season here at ODCC.

Despite the cold weather the course fared extremely well. The verti-cutting from the fall has healed well and the more aggressive Verti-quake should be close to healed as you are reading this. We have also completed our aerification processes for the greens with a solid tine and sand topdressing to fill the holes. The solid tine process is done to help greens firm up quickly in the spring and the sand will help promote a smoother ball roll. I am also looking forward to seeing how the work we did on the course matures. The tree removals we completed will help improve morning sun and turf health in several areas of the course. The 5th and 8th holes are two areas that will benefit greatly from additional sunlight including the fairway extension on 5, which should finish filling in nicely this spring. The additional fescue added on the right side on #7 will be growing over the next few months. The fescue around the barn is finally well established and should visually enhance that area.

As we head into the 2025 golf season, the course is prime for a great season. I know many of you are passionate about how much care and pride you take in the club. It certainly doesn't go unnoticed

especially by the grounds

staff and myself. But I also see the other side with people driving where they shouldn't, not repairing ball marks or divots. It would be great to change that this year and see everyone taking as much pride for care of the course as the grounds staff takes on a daily basis. A big way you can help is by keeping carts on the cart path near greens and tees. The 30-10 rule is a great way to help with that. Keeping carts at least 30ft from greens and 10ft from tees would be a great start.

Just a reminder we will be posting the delays on Clubster as well as any other important information related to course conditions. Please make sure to download the App and follow the Golf Shop to see this important information.

Best Regards,

SCOTT GINGRICH
