Please direct my support to the:

- Building Fund**
Contemporary and State-of-the-Art learning facilities are vital to ongoing success and allow our children to explore and grow to their full potential. This fund allows us to develop and maintain our facilities.
- Bursary Fund**
Our Bursary Fund assists with tuition fees to parents who would like to provide their children with a Calrossy Anglican School education but find the costs of full fees financially prohibitive.
- Scholarship Fund**
Each year our School provides a number of students with scholarship support. This enables students who may not have been able to attend, the education and opportunity to thrive at Calrossy.
- Library Fund**
High quality and accessible resources are paramount to the ongoing success of our children. The Library Fund is an assurance that we can continue to update and provide these resources for our children, always.
