

# MESSAGE FROM THE

Principal

Greetings! As Principal of Downey Adult School, I want to welcome everyone. It is an honor and privilege to serve the community of Downey as well as the surrounding areas.

It is a privilege to be part of this extraordinary learning community of caring, experienced, highly qualified staff, dedicated to serving students. We want you to know that our first priority is helping you reach your educational, career, and personal goals. We have courses that lead to a High School Diploma or High School Equivalence (HSE) formerly known as the GED. We have 13 different Career Technical Education

courses: CNA + Certified Nursing Assistant, Clinical Medical Assistant, Court Reporting, Court Reporting Voice Writer, Dental Assistant, EKG/ECG, Emergency Medical Technician, Esthetician, Massage Therapy, Medical Assistant and Phlebotomy, Medical Biller Coder, Paralegal, and Vocational Nursing, many of which qualify for financial aid.

Adult Education programs in California have struggled through difficult economic times. We are fortunate for the unwavering support of Downey Unified School District and its Board of Education for the broad array of programs we have continued to offer.

As we plan into the future, we are working collaboratively with Cerritos College and our newly-formed consortium - Partnership for Adult Academic and Career Education (PAACE).

Our classes are available both days and evenings throughout the school year. Our staff has the experience and expertise that, when combined with the dedication of the adult school students, makes for a winning combination! Stop by to visit our campus. I would be happy to give you a tour.

We look forward to meeting you and serving your needs.

Blanca Rochin, Principal

### Amarissa Hernandez

Hello, my experience attending the Medical Assistant program has been an amazing and insightful journey. I went from knowing basics from previous and personal experiences from Caregiving and being a Phlebotomist to knowing how to administer injections, EKG, patient charting, and so much more. My

teachers Mr. Velazquez and Ms. Julie, both have been amazing role models in preparing us for success. I want to thank Mr. Velazquez, especially for making this journey of learning fun and informative, he is a great teacher and wants us to be the best MA we can be. Doing this program has convinced me to continue my education further and follow in the steps of the Medical Field as my mom and dad did. Thank you also to Mr. Page for guiding me to an externship site fitting for me. I am thankful for this program for also allowing me to meet these amazing girls. We all started together and now we are finishing together. We have grown and learned so much and it's sad to see each other separated but we are excited about our externship sites. We are all ready to be taking our future steps toward our goals and we will be keeping in touch during our externship and even after.

### **Ester Salado**

Hello! My name is Ester Salado and I attended the Downey Adult School, Medical Assistant Program. It has been so exciting learning new things everyday, from injections to venipunctures, urinalysis and more. My teacher Mr. Velazquez has been amazing and patient with all his students. When he's teaching us new injections and venipuncture methods he makes sure to teach us the correct and safe way to do it. Mr. Velazquez has been so helpful answering any question we may have to make sure we have a full understanding and when we're in doubt he will help give me more confidence. My other teacher, Ms. Julie has been such a big help making sure we are prepared for an interview and have a good resume to support us. She has been so helpful in assisting Mr. Velazquez, she makes sure we chart everything correctly and perform the procedures correctly. I love my experience here at the DAS Program and for helping me start my medical journey.

### Leticia Bejarano

My name is Leticia Bejarano, born and raised in Los Angeles. I am a recent graduate at Downey Adult School Medical Assistant Program. This learning journey has been exciting to experience from doing venipunctures to giving injections. My teachers Mr. V and Ms. Julie have always been hands on, understanding, patient, and very helpful. I am very much grateful for their teaching skills. This program taught me that there is still so much to learn & grow. I've always been fascinated by the human body and its functions, this program gave me the opportunity to get my foot into the medical field and to not underestimate my learning abilities.

Me and my daughter and I take classes at this school. My daughter is working at UCI hospital in Orange, making good money as Pharmacy Tech. I take Massage Therapy with Mr Monte, excellent teacher really good techniques, after that I get the opportunity to get in another class at College and today I have my AS in Sports Rehabilitation therapist, and my Bachelor's in Healthcare Management. I work on my own, making \$150 per hour if you work mobile. I used to work also as CNA for a hospital in Downey. You open opportunities once you have a certification from this school.

I did the massage program here with Mr. Monte as my instructor. Rey was the assistant teacher. The school massage program has 3 time slots 8-1 pm, 1-5 pm, 5:30-9:30 pm. Everyone is very helpful and nice from the time you sign up to the financial aid office staff. I met some very cool students who I will cherish for a life time.

Mr. Monte goes out of his way to help his students and Rey also helps with any questions or concerns about doing a massage move. I feel like everyone really cares about your progress but if you don't speak up they can't know what the problem is. The program is very affordable and I recommend it to anyone thinking of a career move. I will never forget my experience it was nothing but fun and empowering. It was really sad having to say goodbye to everyone I will hold everyone in my heart. Thank you so much for such a wonderful time.

# **Court Reporting Voice Writer**

Court Reporting Voice writing is the process of speaking into a mask with high-powered microphones. Court Reporter Voice Writers repeat words verbatim using a software called "Dragon" along with a CAT (computer-aided transcription) software. The mask filters out sound and uses speech to allow text to translate into real-time testimony. Court Reporter Voice Writers use a different method than machine writers, but voice writers and machine writers produce the same result – a transcript.

# **Breaking Barriers, Building Smiles**

When Yessnari Roque arrived in the United States from Honduras, she left behind her family, her home, and a successful career as a dentist to start a new life as a newlywed. Arriving with no English skills and a quiet demeanor, she took a bold first step by

enrolling in the Beginning ESL class at Downey Adult School in January 2019.

From the start, Yessnari stood out for her incredible work ethic and deep desire to learn. Recognizing her potential, I encouraged her to stay after class and observe my Intermediate and Advanced ESL students. Her eyes lit up with excitement, and she eagerly accepted the challenge. Yessnari dedicated herself fully, studying for hours each day, and within just six months, she progressed to the Advanced level and proudly graduated from the ESL program.

Her passion for dentistry never faded. During her time at DAS, Yessnari expressed interest in the Dental Assistant Career Technical Education (CTE) program. I introduced her to Ms. Mai Dunbar, Dental Department Chair, who guided her through the enrollment process. Even during her summer break, Yessnari refused to slow down—she requested a textbook and began studying independently to prepare for the upcoming program.

In May 2020, Yessnari graduated as one of the top students in the Dental Assistant program. In recognition of her achievements, she was nominated as a "California Adult Education Students Succeed" Success Story in June 2020.

But Yessnari didn't stop there. With determination, resilience, and a heart for helping others, she went on to earn her Doctor of Dental Surgery degree from the prestigious Herman Ostrow School of Dentistry of USC.

Today, Dr. Yessnari Roque is fully licensed and committed to creating beautiful smiles and transforming lives—just as she transformed her own.

#### Congratulations, Dr. Roque, Class of 2025!

"Language was never a wall—it was a challenge. She didn't let unfamiliar words stop her from chasing a familiar dream. Today, she doesn't just speak the language—she speaks smiles."- Claudia Escalera, ESL Instructor

Isabel Peña joined the GED program in November of 2021. She was working at the time but realized that in order to advance, she needed to continue her education. After meeting with the school counselor at Downey Adult School, it was decided that the GED program would be the best path. Through hard work and perseverance, she was able to pass all four subjects of the GED and achieved her goal of earning her GED diploma in May of 2023.

She enjoyed her experience and shared her success with her sister, Briana Peña, and encouraged her to begin her journey. It didn't take long before Briana joined the program in December of 2023. While balancing work with study, Briana was also able to reach her goal of receiving a GED on November 21, 2024, thus joining her sister in achieving their academic goals.

These two sisters endured hardships and made sacrifices. Patience was evident when exams were not passed, or a test had to be retaken. While others would have simply given up, these two resilient individuals showed grit and tenacity through long hours of studying and test taking.

When trials and adversities kept many from reaching their goals, Isabel and Briana were able to showcase their dedication, patience, and perseverance. It was a great honor to witness them work diligently, as they dedicated their time and efforts to school while still balancing life's day-to-day obligations.

Currently Isabel is a baker and is planning on furthering her education in the medical

field. Briana is working full-time and is keeping her options open. We are so proud and congratulate both Isabel and Briana Peña and are excited to see what awaits them next on their academic journey.

#### STUDENT GRIEVANCE PROCEDURE

Downey Adult School is committed to the equitable treatment of all students, especially regarding their personal and professional concerns.

The purpose of this grievance procedure is to provide a means by which a grievance may be resolved in an equitable manner and in an atmosphere of courtesy and cooperation.

A grievance is defined as a complaint/dissatisfaction occurring when a student believes that a decision, an act, or an omission by a Downey Adult School employee is illegal, arbitrary, or creates unnecessary hardship upon the affected student. Such grievances may address, but are not limited to the following: academics, mistreatment, wrongful assessment of fees, registration errors, or records errors. Grievances alleging unlawful discrimination or failure to comply with state or federal law in adult basic education, consolidated aid programs, vocational education, childcare and development programs, child nutrition programs, and special education programs, should be made by following the steps outlined below.

The formal grievance process will begin after the issue has been discussed with the affected student and DAS employee(s), and an attempt at a resolution has been made, but the student's concern was not resolved at an informal level.

Grievances will be processed in accordance with the following steps:

- 1. Student to submit a written statement to current instructor, the program's Department Chairperson, and the Assistant Principal of Downey Adult School. Written statement will provide a description of the concern, include name(s) of individual(s) against whom the grievance is being made, and a description of the student's desired resolution. Upon receipt, written statements will be addressed, and student will be contacted, via email, within ten (10) calendar days.
- 2. If the student feels that the grievance continues to be unresolved, the student may request an in-person meeting with any/all named individual(s) and the Assistant Principal. All contents within the written statement, and meeting notes/ comments, will be placed in the student's permanent file as a record of the proceedings.
- 3. If non-resolution of the grievance continues, the student may request an in-person review by the Principal of Downey Adult School. All meeting notes/comments will be placed in the student's permanent file as a record of the proceedings.
- 4. If the grievance continues without resolution, the student may request an appointment with the Deputy Superintendent of Downey Unified School District. All meeting notes/comments will be placed in the student's permanent file as a record of the proceedings.
- 5. After exhausting all above outlined steps, and the student feels that the grievance remains unresolved, the student may contact Downey Adult School's Accrediting Agency, Council on Occupational Education and submit the written statement, along with all proceeding notes/comments to:

Council on Occupational Education 7840 Roswell Road, Building 300, Suite 325 Atlanta, GA 30350 1-800-917-2081; www.council.org

Student attendance is recorded by instructors, and entered into Campus Café (student information system and database utilized by Downey Adult School), on a daily basis. Please use sign-in sheets when you arrive and leave. Each class/program has specific program attendance policies. In order to be eligible for full class credit, students must maintain the minimum attendance that is stated in the class/program policies.

#### **ABSENCE ALLOWANCES:**

- Religious Observance & Holidays
- Bereavement
- Jury Duty

#### **Religious Observance & Holy Days Policy**

Students are permitted by DAS Attendance policy to be absent from class to observe a religious holy day. Instructors are asked to be responsive and accommodating to requests when students contact them **IN ADVANCE** to request such an excused absence. The student should be given an opportunity to make up missed work because of religious observance. Students are advised to scan their syllabi/course outlines/Academic Calendars at the beginning of their respective CTE Program Start Date to identify potential conflicts with their religious observances.

- Please note that this applies only to the sort of holy day that necessitates absence from class and/or whose religious requirements clearly conflict with aspects of academic performance.
- Students who miss class to observe a specified religious holiday (with prior notice) are expected to make prior arrangements with their instructor to make up any work missed.
- DAS is a clock-hours institution, therefore, any coursework and clock-hours that are missed due to the observance of a religious holiday, MUST BE MADE UP WITHIN A WEEK OF SAID ABSENCE.
- DAS reserves the right to honor the observance of religious holy days *only* when students have communicated such a request PRIOR to the day that the absence will occur.
- DAS will consider periods of formalized mourning (i.e. shiva) as prescribed by a student's religion for immediate family on a case-by-case basis.
- Students must contact DAS Administration to discuss planning for periods of formalized mourning.

#### **Bereavement Policy**

DAS's allowance for absences due to Bereavement purposes aligns with the same standards which DAS's faculty and staff follow.

DAS has the right to request documentation (on a case-by-case basis) that verifies the death of a family member (e.g., a funeral program or death certificate). It is up to the discretion of DAS Administration to determine if a death outside of the immediate family warrants implementation of the student bereavement policy.

As defined in DUSD's Bereavement Policy, article IV, section G, bereavement absences shall not exceed more than three (3) excused days, except when travel beyond a 300-mile radius or out-of-state is necessary, in which case the absences shall be extended to five (5) excused days.

 Absences due to Bereavement will not be counted against a student's program's allowable absences. However, all missed coursework and clock-hours MUST be made up within one (1) week of a student's return to school.

#### **Jury Duty Policy**

DAS agrees to grant students called for jury duty in the manner provided by law, up to five (5) excused school days.

#### Students Responsibility:

Students called for jury duty, must show proof of summons no less than two (2) weeks prior to summons date and notify (email) the following DAS staff:

- Instructor
- Program Director
- DAS's Student Services Department via DASLOA@dusd.net

#### **Email MUST INCLUDE:**

- Service date(s) upon receiving said notice from officers of the court (summons).
- DAS will require a certificate of Jury Service at the end of the performed jury service.
- Students <u>are required to attend class</u> any day or portion thereof, as certified by the Court Clerk in which jury duty services are not required.
- 2. Students who are called to perform Jury Services beyond five (5) excused school days,
