FLEXI★25[®]

GLASS ANCHORING SYSTEM

Flexi25 Glass Anchoring System is tested to the highest standard with certified performance at just 25 metres from the test blast.

Outperforms Silicon and Other Fixed Anchoring Systems

Flexi25 Tested to ISO16933 EXV33 AND EXV25 in November, 2019.
The **only system fully tested and certified within the last 5 years.**

Small

Medium

Large

Flexi25 is warranted for the same period of time as the film with which it is fitted.

Giving over 10 years assured performance with all leading brands.

SOLAR & SPECIALITY

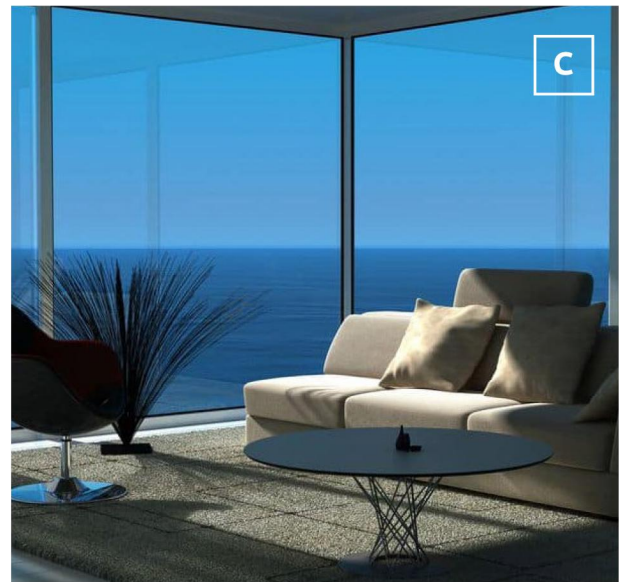

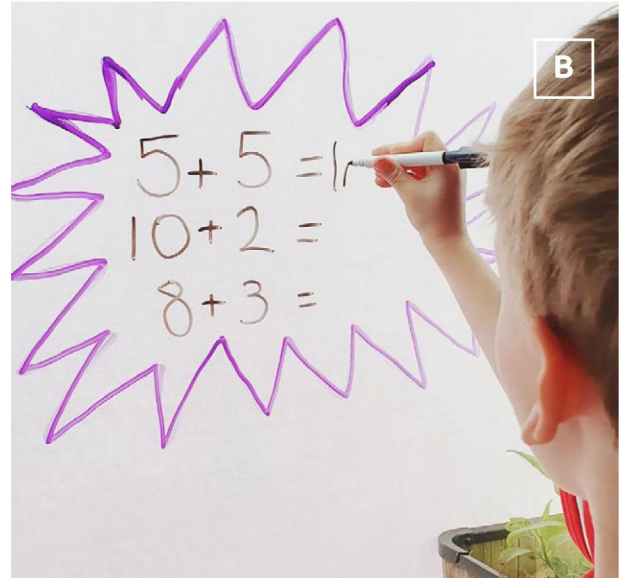

Reduce the temperature in your building with our range of solar control films.

CASPER™

by DESIGNTEX

Casper LED Cloaking Technology is a new architectural film for glass walls that **obscures digital screens from outside view.**

It's the **perfect confidentiality cloak**, obscuring only the light transmitted by LED/OLED displays.

Anyone looking into the room from the outside will see a black screen, while everyone in the room can work freely with peace of mind.

COMPROMISED

CLOAKED

Order a **FREE** sample at
www.caspercloaking.eu

Bring your vision to life with SOLYX iQ.

SOLYX iQ custom-made films give you that freedom. Available exclusively for large volume projects, SOLYX iQ lets you start from scratch and create something truly unique.

Whether you need a gradient film for semi-privacy, a full-colour centerpiece, or something entirely original, we work closely with you to develop your vision and produce it using the highest quality materials available.

It's the industry standard - delivered with a custom design that's anything but standard.

1.

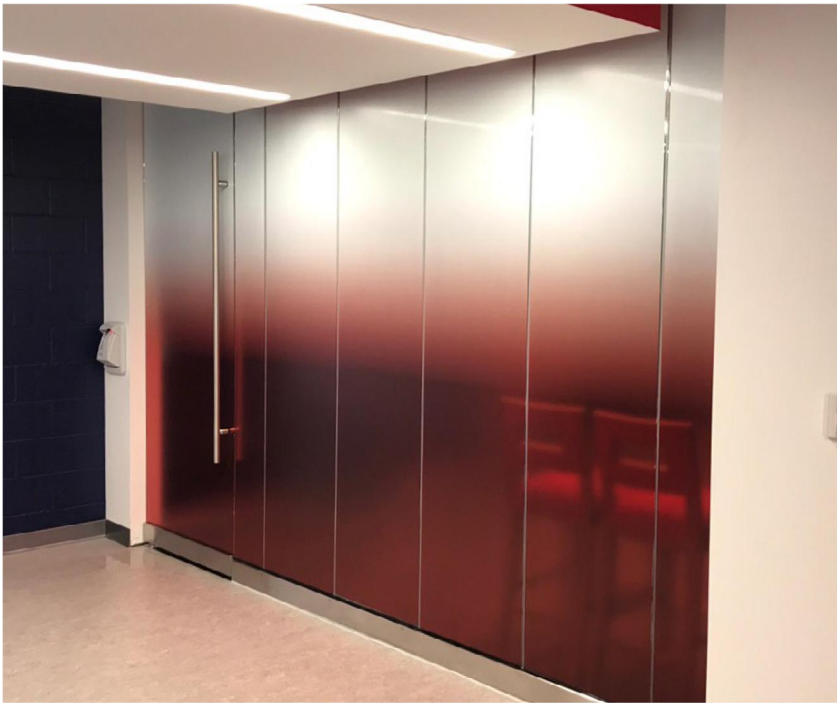

Send your artwork or
use our design service.

2.

We submit a proof to
you for approval.

3.

We print and deliver
direct to site.

iQ Finishes

iQ Colour

Transparent or translucent colour options allowing glass finishes to pop in any environment.

iQ Gradient

White, frost or full colour designs to give partial or full height privacy.

iQ Frost

The iQ frost range replicates the texture and appearance of real sandblasted glass at a fraction of the cost.

iQ White

Choose a single opacity or any combination of white opacities for your design.
