#### Camp Security Park - Semiquincentennial Bell Dedication

Next year on July 4, 2026, the United States of America will mark 250 years since the signing of the Declaration of Independence! For that reason, the America 250PA Commission has a goal of engaging Pennsylvania citizens from all 67 counties to learn about and celebrate the importance that the Commonwealth played in our Nation's history. As part of their mission, the Commission plans to place bronze Semiquincentennial Bells across the state to highlight historically significant locations. The York County Commissioners chose Camp Security in Springettsbury Township as the site to display the County's bell.

The Commonwealth of Pennsylvania played a crucial role in the founding of our country. Furthermore, York County played a major role in the American Revolution. For instance, York served as the first capital of the United States and served as the home for the Second Continental Congress from September 30, 1777 to June 27, 1778. During this time, Congress drafted and adopted the Articles of Confederation.

Camp Security holds a historically significant place in American history because it played a major role in the American Revolution and the fight for independence. Camp Security was an important American Revolutionary War prison camp. In operation for 21 months from 1781 to 1783, the camp housed British soldiers and their families that were captured during the Battle of Saratoga and the Battle of Yorktown. Hence, Camp Security marks a pivotal time in American history. Camp Security is the last undeveloped Revolutionary War prisoner of war camp in the United States of America.

On July 9, 2025, the County Commissioners held a dedication ceremony for the County's bell. This Semiquincentennial Bell located at Camp Security Park is a physical reminder of York County's decisive role in the formation of the United States of America and Camp Security's meaningful part to our country's liberty.

I encourage you to visit Camp Security Park to admire the bell and what it stands for.

- Parking areas are for park users only. All vehicles shall be parked within the designated spaces provided.
- Tents, canopies or any other like structure are prohibited unless used for a Township sponsored event.

# School Bus Safety

School is back in session and we need to pay close attention to school bus and pedestrian safety. The safety of children depends on drivers paying close attention around school zones and when driving near or approaching school buses.

ALWAYS BE ALERT: Always pay attention to your surroundings. Before you enter your car take a quick lap around your vehicle and look for anything that might be in your obstructed view. Watch out for children walking or bicycling to school. Slow down and watch for children walking in the street, especially if there are no sidewalks in neighborhood. Children arriving late for the bus may dart into the street without looking for traffic.

#### Pennsylvania's School Bus Stopping Law

- Motorists must stop at least 10 feet away from school buses that have their red lights flashing and stop arm extended.
- Motorists must stop when they are behind a bus, meeting the bus or approaching an intersection where a bus is stopped.
- Motorists following or traveling alongside a school bus must also stop until the red lights have stopped flashing, the stop arm is withdrawn, and all children have reached safety.
- If physical barriers such as grassy medians, guide rails or concrete median barriers separate oncoming traffic from the bus, motorists in the opposing lanes may proceed without stopping.
- Do not proceed until all the children have reached a place of safety.

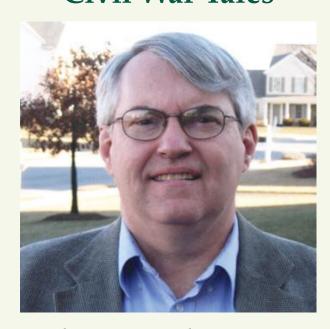

The penalties if convicted of violating Pennsylvania's School Bus Stopping Law include:

- \$250 fine
- · Five points on your driving record 60-day license suspension

### **History Night features** Civil War Tales

Township residents and the local community are invited to join guest speaker Scott Mingus at the Springettsbury History Night event on Wednesday October 8, 2025. Scott will share local Civil War tales. The event will take place in the Community Room within the Springettsbury Township Administrative Complex at 1501 Mount Zion Road, York, PA 17402, at 7:00 P.M., with doors opening at 6:30 P.M.

Scott Mingus is a prolific author of books about the Civil War, covering local and national subjects. He is a retired scientist and executive in the global pulp paper industry. The Ohio native was part of the research team that developed the first commercially successful self-adhesive U.S. postage stamps, and he was a pioneer in bar-code labels. In retirement, he speaks more than 100 times a year on Civil War and Underground Railroad topics.

History Nights are held during April, July and October. The Historic Preservation Committee invites community members to share their stories of life in Springettsbury Township.

#### REMINDERS

- Leaves need to be out on the designated dates for pickup, so they are not missed.
- Grass clippings and tree branches or limbs ARE NOT to be placed along the curb for pick-up. Please rake ONLY leaves.
- Leaves should be placed on pavement; leaves will NOT be picked from lawn areas.
- Please remember to park cars off the street where possible.
- Please place waste and recycling toters on the curb instead of placing them in the street on waste pick-up days to assist with the Public Works Department as they are collecting leaves.
- The Township will not return to collect any leaves after the final date for each area. Residents are not to place leaves along the curb for pick-up following the final date. Any leaves remaining after final collections are the property owner's responsibility.
- Weather conditions may cause variations in the schedule. Crews may be in your neighborhood ahead of schedule; however, they will return on your scheduled date.
- Township equipment is not designed to pick-up mixed debris. Any leaf or yard waste piles that contain items other than leaves will <u>not be collected and will be the homeowner's responsibility for removal.</u>
