**Immerse in a world of Beauty,
Health & Wellness
that's as Big As Texas!
Where experts & enthusiasts
nurture beauty, mind body &
spirit.**

Industry leaders, entrepreneurs, and innovators to engage in critical discussions about the economic power and challenges within the minority beauty and barber sectors.

****A Billion-Dollar Industry, Yet Disparities Remain****

We have long been recognized for our immense contributions to the global market, yet our communities often face significant barriers to control and ownership within the industry. TxTure BUOR Beauty Barber Industry Expo is set to break new ground by hosting a series of dynamic and thought-provoking sessions that focus on the multi-billion-dollar Black and Brown cosmetic industry.

Join us and become an integral part of this dynamic event.

Ms. Earker K. Archield.
