## TROPICAL DREAM

A hypnotic and dazzling pattern enriched with fantastic and tropical elements, giving a relaxing effect of slime with glitters and colors that gently mix between your hands. The hand-painted details applied by our design team during application emphasise the uniqueness of Designmixer.

## GLORY

Add dynamism and dimension to minimal and modern spaces with this design, which depicts a white horse -one of the most delicate symbols of nobility, power and speed- galloping towards you by demolishing the walls through a cloud of golden dust.
