HONORING
JUSTIN BRANNAN
PROUD PS 185
ALUMNUS
CHAMPION FOR OUR
COMMUNITY

Proud P.S. 185 alumnus Justin Brannan was born and raised in Bay Ridge, where he still lives with his wife, educator Leigh Holliday, and their retired racing greyhound, Fiorello. Brannan represented southern Brooklyn in the New York City Council from 2018 to 2025, rising to Chair of the Finance Committee, where he led negotiations for the nation's largest municipal budget. During his tenure, he fought to secure more than \$350 million in public investments, including seven new public schools and 17 park and playground renovations. A prolific legislator, he authored over 500 bills enacted into law, advancing landmark efforts in workers' rights, pay equity and salary transparency, procurement reform, mandatory arts and music education, and storm resiliency for outer borough communities. Brannan is known for saying, "No problem is too big or too small," and was widely recognized as one of the most responsive and dedicated elected officials in his community. Above all, he is most proud to have secured nearly \$5 million for his alma mater, funding major technology upgrades, a fully air-conditioned auditorium, and a brand new schoolyard coming soon for the next generation of students.

A MESSAGE FROM THE PS 185 FAMILY

A son of PS 185 and lifelong Bay Ridge resident, Justin Brannan has never forgotten where he started. It was our privilege to teach him as a child — and our pride to watch him grow into a dedicated public servant and steadfast advocate for families. Justin has worked tirelessly to support PS 185 year after year. He has secured funding for enrichment programs like our partnership with the Intrepid Air & Space Museum and music instruction through Midori & Friends. He has championed student safety with new stop signs along Ridge and a speed bump on 87th Street. He has helped provide Chromebooks and iPads, upgraded the air conditioning in our auditorium, and made a brand-new playground possible, with groundbreaking later this year.

Beyond the funding and improvements, Justin shows up. He visits on the first day of school, reads to our students, celebrates at the Gala, and cheers at graduation. When we call, he answers. Justin Brannan is PS 185's proud son and biggest cheerleader. We are grateful for his leadership, friendship, and unwavering commitment to our children.

NEW YORK CITY COUNCIL MEMBER
KAYLA SANTOSUOSSO

Congratulations my friend!
Thank you Justin Brannan
for all of your hard work!

Proud supporter of PS 185

Justin,

Congratulations, my brother, on this well-deserved honor. Long before either of us held elected office, we were friends—brothers in purpose—and the bond we built has only deepened through years of shared fights, shared values, and shared belief in what our community deserves. Our work has always been guided by heart, compassion, and an unrelenting drive to make our neighborhoods stronger and safer. Being recognized tonight is simply a reflection of what we've all known for years: you show up, you fight for what matters, and you never lose sight of the people you serve.

Tonight, we celebrate you and the eight remarkable years you dedicated to serving our community as Councilmember, along with the students, parents, teachers, and administration of the mighty PS 185—each of whom helps make this school a true pillar of our neighborhood.

Sincerely,

Melissa Rinaldi

For 30 years, Melissa Rinaldi has dedicated herself to educating and inspiring the children of PS 185. Her commitment to excellence in the classroom, her steady leadership, and her genuine care for every student have shaped generations of young learners.

Melissa's impact goes far beyond lesson plans and curriculum. She has helped build confidence, spark curiosity, and create a nurturing environment where students feel seen, supported, and encouraged to reach their full potential.

We are deeply grateful for her three decades of service, passion, and unwavering dedication to the PS 185 community. Thank you, Melissa, for the lasting difference you have made in the lives of so many children and families.

Many thanks to the Amazing
Faculty and PTA of
P.S 185

for providing so many
children with a
nurturing environment of
education, kindness, respect
and support.

Keep up the wonderful work!

WITH DEEPEST GRATITUDE TO THE FACULTY & STAFF OF PS 185

Tonight, we celebrate not only our community, but the extraordinary educators and professionals who make PS 185 such a special place every single day.

To our classroom teachers, cluster teachers, paraprofessionals, specialists, and support staff – thank you for your dedication, compassion, and unwavering commitment to our children. Your work extends far beyond the classroom. You inspire curiosity, build confidence, nurture growth, and shape futures.

Because of you, PS 185 is more than a school – it is a community where children feel supported, challenged, and loved.

We are profoundly grateful for all that you do.
