BAGNODESIGN

STUDIO 316
TIMELESS DESIGN,
ENDURING QUALITY

ABOUT BAGNODESIGN

For simply stunning bathrooms that stand the test of time, BAGNODESIGN's inspirational collections offer the ultimate in quality, choice and innovation. Combining directional design trends with expert craftsmanship, BAGNODESIGN has everything you need to transform your bathroom into a bespoke retreat where you can unwind, relax and recharge.

Based in Dubai (UAE), for 30 years, we have built a prestigious project portfolio. We have propelled global business to service Europe, Asia and Africa through our retail, trade, project and digital channels. BAGNODESIGN offers a one-stop-shop for architects, interior designers, developers, retailers and private clients alike.

Our expertise and first-class support enable our project portfolio to stretch across a variety of sectors: Hospitality, Residential, Healthcare, Commercial, Institutional, Entertainment and Bars & Restaurants.

STUDIO 316

Collection

Blending Nordic minimalism with exceptional craftsmanship, Studio 316 exceeds the needs of modern living, giving the interior trends for colour and texture a fresh, elegant twist.

At the centre of this exclusive collection are the 316 Grade Stainless Steel mixers. The highly durable Stainless-Steel material is suitable for both indoor and outdoor spaces. The mixers feature a distinctive curved form, highlighted by tactile fluted handles, and are available in eight accent colours in the exclusive Armour finish. The colour options include Turquoise, Caramel, Cocoa, Truffle, Lip Gloss, Mandarin, Midnight, and Raspberry, offering a chic palette to personalise any bathroom or kitchen.

The simplicity of the design language is evident throughout the collection, which includes vanity units with elegant, slimline basins that integrate seamlessly with the furniture, as well as freestanding and countertop washbasins, a freestanding bathtub, inspirational indoor and outdoor shower columns and complementary 316 Grade Stainless Steel accessories and plumbing.

The vanity units feature the same fluted finish as the mixers, ensuring a cohesive bathroom design. They are available in four versatile sizes and in colours such as Matt Navy, Matt White, Oak Wood, and Soft Grey.

This collection is robust and eclectic for public spaces while being refined enough for home environments. It is designed for residential, hospitality, commercial projects, and beyond. With all mixers, accessories, plumbing and showering made from highly durable and recyclable 316 Grade Stainless Steel, and backed by a 10 year guarantee, Studio 316 is a sustainable choice that provides long-term value.
