*How to beat the heat this December*

*HOTEC was an exceptional experience. Being in the Hotel & Tourism supply industry for over 10 years, I have noticed the growth of events such as HOTEC in Fiji and its impact to the industry. This year's HOTEC turned out exponentially great for us. We were able to get a great turnover within the first few days, plus the outreach with potential clients has allowed PKCE to effectively source and stock products our customers exactly need.*

*I look forward to the next HOTEC.*

**Anish Kumar**  
Business Development,  
Pacific Kitchens & Equipment.

# The launch of... Cooking Sorted

**When** we initially thought of introducing a magazine for Pacific Kitchens & Catering Equipment, we really did not expect the positive outcome that we received at the launch. We were delighted to have Hon. Faiyaz Koya, present at HOTEC to officiate the the launch of the first issue.

Cooking Sorted, like the name presents, is made with the idea to help out commercial kitchens align themselves to the robust growing food and beverage industry.

Cooking Sorted will continually showcase the launch of new products, tricks and tips, insights on major brands, equipment health and safety, and many more industry related articles. We are on a journey to make Cooking Sorted the must-read monthly e-magazine.

Left to Right: Ana Tawawa (Showroom Supervisor), Dennish Chand (Marketing Coordinator), Hon. Faiyaz Koya (Minister for Commerce, Trade, Tourism & Transportation), Robbie Hunt (Engineering Director Pacific Kitchens & Equipment), and Anish Kumar (Business Development - Pacific Kitchens & Catering Equipment)

# Winning the hearts of people

The idea of any trade show would generally be encompass getting more clientel and more customer purchases. For us, HOTEK this year was envisioned towards a slightly unorthodox approach, and that is showing up with products and smile that people found value in. We reaped the fruits with being awarded the *People's Choice Awards - 2022*.

Ryan Hunt (Managing Director - Pacific Kitchens & Equipment) Brian Kirsch (President of the Fiji Hotel and Tourism Association board)

We would like to thank the Fiji Hospitality and Tourism Assosiation for continous support. Being a member of the association has brought value to our company in great deals. *Ryan Hunt*

# Big Vinaka BAKELS

Bakels Fiji, are manufacturers of a wide range of tailor made Bakery and Food Service ingredients to suit the requirements of our diverse range of customers. Located in Nadi, Bakels hosts a fully fledged bakery that supplies to hotels, resorts and cafes Fiji wide. Additionally their Nadi test bakery is also used for training sessions and product presentations to our customers.

We decided to approach Bakels Fiji to demo our Rational XS oven with their mouth watering sweet and savoury treats. We greatly appreciate the substantial support provided by Wade and his team through supplying pasteries and pies for HOTECH.

## Look forward to...

- How to beat the December heat
- Different types of ice for your bar
- Launch of new ice machine cleaners
- NEW Ice Machine and so much more
