HOW TO MEASURE UP

A. BUST

Measure around the fullest part of the bust, keeping the tape level and straight. Keep one finger between the tape and the body.

B. HIPS

Measurement over the fullest part of your bottom / thighs.

Don't guess your size, ask a friend to measure you with a tape measure to help you order the right size. Compare your measurements with the chart above.

* PLEASE NOTE

Compare your measurements with the chart above. If your size falls between two sizes, we recommend that you choose the larger size.

STYLE FOR EVERYBODY

Everyone is unique, therefore our range comes in various fits and sizes. To make it easier for everyone to find the best styles that flatter their body type, we have classified our styles into the following **'FIT' categories**:

FITTED

These garments are designed to closely follow the contours of the body, providing a more snug and form-fitting silhouette enhancing the figure.

REGULAR FIT

Regular fit garments are shaped to lightly sit on your body, giving it some form without being too tight. Regular fit is the most traditional fit & suits a wide range of body types.

RELAXED FIT

Relaxed fit is a looser and more comfortable cut, allowing for more freedom of movement.

OUR IN-HOUSE DESIGN AND MANUFACTURING FACILITIES

We operate five factories producing stylish, contemporary collections to high-quality standards. Our in-house manufacturing leads to significant cost savings compared to traditional corporate wear suppliers.

At over 3000sqm, we are proud to own and run the largest cutting and garment manufacturing operation in Africa.

WHAT WE DO BEST

Our full-time designers and skilled patternmakers create clothes that present your team in a refined, true-to-brand way.

We are meticulously involved at every stage, from design to the manufacturing of each garment.

WE DRESS TEAMS TO BE INDIVIDUALS

Our collections are made with real people in mind. We offer a diverse range of garments for various body types in the professional setting.

You can mix and match your chosen styles within your company's chosen colour scheme, allowing you to maintain your individuality while still appearing as part of a unified, professional team.

MINDFUL MANUFACTURING

At Iimagemakers, we're committed to sustainable and fair manufacturing. Our highly skilled team pays attention to every detail, ensuring transparency about working conditions and the well-being of our employees.

We focus on empowering our team, fostering personal development, and ensuring product responsibility.

We take pride in our commitment to cutting-edge technology, consistently integrating the most advanced machinery available.

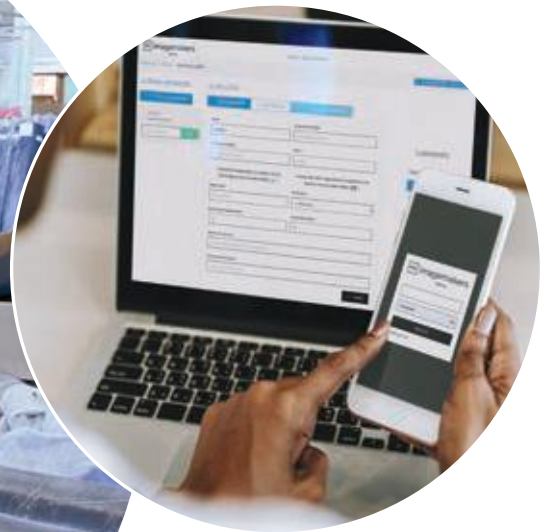

PEOPLE ARE OUR SECRET INGREDIENT

WE PROVIDE CONTINUITY

We ensure continuity in your uniform selection. The prints, colours, and styles you choose will consistently be available year after year. We collaborate with trusted third-party suppliers to secure a steady supply of fabric and trims.

This means that whether it's for existing staff or new team members, you can count on Imagemakers to consistently deliver your company's chosen colour scheme.

Our innovative ordering portal makes ordering super easy!

EXPERT IMPLEMENTATION SUPPORT & GROUP ORDERS

After executing numerous uniform programs, we've refined our system for a smooth process. Your dedicated account manager oversees critical functions, including scheduled fittings, ordering, tracking, reporting, payment options, and providing a uniform pack per employee.

Every order is individually packed and quality checked.

WE DELIVER - IN EVERY SENSE

Every order is individually packed and invoiced, ensuring a seamless and transparent process.

STITCH BY STITCH LEARNER SCHOOL

Our “Stitch by Stitch” Learner School (SETA Accredited), launched in 2023, transforms garment manufacturing training. It nurtures young talent, upskilling our local workforce with qualifications and cross-skilling, creating a sustainable pipeline of skilled professionals.

We invest heavily in the development and upskilling of our workforce, nurturing our local communities.

ENVIRONMENTAL RESPONSIBILITY

While trends change, we don't believe fashion should be disposable. Each of our garments are carefully designed and constructed to last, becoming essential staples within our customers' everyday office wear wardrobes. Each style embodies a timeless quality, promoting longevity of wear.

SUSTAINABILITY

We're on a journey to reduce our impact on the environment. Our manufacturing facilities use solar energy and water-saving technology. We've implemented recyclable fabric offcut baling and actively incorporate sustainable materials in our packaging and production.

We are proud to run our 5 factories on renewable energy. We are on a journey to reduce our impact on our environment.
