Make not-for-profit your advantage.

Your investment starts paying off the moment you move in and continues to benefit you every day for years to come. Lenbrook's 501(c)3 not-for-profit designation allows a variety of opportunities for philanthropic fundraising and reinvestment in the life of our community. This means we pay lower taxes and earn lower financing rates — savings that translate into lower costs for our residents. We also are the Atlanta area's first and only not-for-profit Life Plan Community to achieve international accreditation and an investment grade rating. This puts Lenbrook in the country's top

six percent of senior living communities. We continually invest and reinvest in the lives of residents through quality programs, services, and care. Additionally, your investment in Lenbrook may help you preserve your own financial assets. For instance, a portion of your fees may be eligible for a tax deduction as prepaid medical expenses. Likewise, 90 percent of your Entrance Fee is refundable to your estate, helping to preserve assets for your heirs.

Make savvy decisions.
Invest wisely.
Reach goals.
Protect fiscal security.
Enjoy peace of mind.
