

Summer BASH '22

www.louisburglibrary.org

Welcome to summer BASH!

SummerBASH is where summer reading and events for all ages meet. Louisburg Library has been hosting summer reading programs for decades. These days, the library celebrates SummerBASH over 8 weeks for kids, teens and adults. Readers can visit our website to plan their adventure.

May 28 – July 22, 2022

Meet Your SummerBASH Event Planners

Elizabeth Ellis, Youth Services Coordinator

Most call me Miss Elizabeth and know that I love reading for Storytime. Did you know that one of my most favorite times of the year at the library is Summer? It most definitely is! This is my 19th year coordinating Kids SummerBASH and it's so much fun! When I'm not at the library during the summer, I am OUTSIDE! I love working in my yard, playing with my dog and riding bikes with my family.

Angela Allen, Young Adult Services Coordinator

My name is Angela and I love working with the teens! Summer Reading is the best time and we have so much fun! I can't wait to spend the summer making art, at the escape room, and other fun events! I love summer time, going to the pool with my family, and traveling!

Holly McLain, Adult Services Coordinator

Adult Summer Reading has changed a lot since it started in 2004. There are more prizes than ever for adults and a variety of events for you to enjoy. I love that adults participate and kids see that reading and libraries are part of our lives always. When I'm not at the library during the summer, I enjoy taking day trips and staying cool inside with a good book and my cat.

Danielle Folsom, Interlibrary Loan Coordinator

This is my 11th summer at Louisburg Library. I've had several different job titles here at the library but I always have my hands in the SummerBASH fun! I enjoy doing arts and crafts in my spare time and love that I can share that joy in my job as well.

Rusty Folsom, Technical Services Coordinator

Some may think of me as the "Tech Guy," but I am an avid maker as well. I love leathercrafting, guitar building, and flying drones. These are just some of the exciting things I have planned for SummerBash for adults and teens.

Why Read this Summer?

Reading is a crucial part of staying healthy. It stimulates your brain, strengthens your memory, and helps you learn, relax and even sleep better at night. Why do you think bedtime stories are so important in winding down your child's day? Also, wind down YOUR day! It is proven that reading reduces stress, expands your vocabulary and exercises those analytical skills. For all of these reasons, find your favorite mode of reading and tap into it today – you are guaranteed to learn something new, and when you check-out at your library, you don't spend a dime! So why not? Visit our website and get started.
