Welcome to the Championships

November 18, 2023

Dear High School Football Fan,

On behalf of the Nevada Interscholastic Activities Association's staff, Board of Control, member schools and student-athletes, welcome to the 2023 NIAA Class 1A, 2A, 3A, 4A, 5A D I, 5A D II and 5A D III, Nevada State High School Football tournaments. High school athletics play an important role in developing our future leaders, and today's competitors are those future leaders. They have proven through their performances this season that excellence can be achieved both in the classroom and on the field.

The NIAA congratulates all the student-athletes who participated during a highly competitive 2023 fall season. The student-athletes here today are the best in the state and have earned our respect. The NIAA understands the commitment it takes to be a high school athlete, and that is why we are so proud of their accomplishments. We extend big congratulations to the parents and coaches of our student-athletes, all of whom have put in immeasurable time, energy and effort for the benefit of our student-athletes.

High school athletics in the United States represent the largest amateur sports body in the world. As such, interscholastic activities provide a valuable laboratory where master values such as sportsmanship, integrity, loyalty, teamwork and self-discipline are learned and practiced on an every-day basis.

Your paid or complimentary admission to this state championship event allows you to witness pure competition in an educational setting. Please give these outstanding student-athletes your positive encouragement and support. Please show all competitors, coaches, event staff and officials the proper respect.

We thank the Kukulski Brothers souvenir merchandise, NFHS Network, Lerner & Rowe, the Nevada Dairy Council, HomeTown Ticketing, Wilson and Jostens Awards for their long-time, unconditional support.

Lastly, we thank all the tournament staffs. We encourage you to say thank you to our many wonderful event workers who have helped to make this tournament possible. Best wishes and enjoy the games.

Sincerely,

Donnie Nelson, Executive Director
Jay Beesemyer, Associate Director
Bartt Davis, Assistant Director

History of the NIAA

The Nevada Interscholastic Activities Association (NIAA) is the governing body of high school athletics in the Silver State as recognized by the Nevada State Legislature. It is important to note the NIAA does not receive direct state funding. The NIAA's revenue streams are corporate partnerships, event ticket sales and member schools' dues.

The original Nevada Interscholastic League (NIL) was formed in 1922. It became affiliated with the National Federation of State High School Associations (NFHS) in 1939. School administrators established the League to enforce a standardized set of rules for sports in high schools.

The NIL became the Nevada Interscholastic Activities Association in 1967. The first full-time salaried Executive Director was hired in 1974 and an office was established in Carson City. The NIAA office moved to Reno in 1997 and to its current location in Sparks in 2018. The five individuals to have served as full-time Executive Directors of the NIAA are Bert Cooper (July 1974 – June 1989), Dr. Jerry Hughes (July 1989 – December 2006), Eddie Bonine (January 2007 – February 2015), Bart Thompson (July 2015 – 2021) and Donnie Nelson (2021 – current).

The Nevada Interscholastic Activities Association is incorporated in compliance with NRS 81.170-81.280 and was recognized in 1974 under the provisions of NRS 385B.010-.190. The NIAA's Handbook (rules and regulations) was assumed in chapter 385B of the Nevada Administrative Code (NAC). The NIAA is responsible for sanctioning athletics, conducting post-season tournaments, regulating officials, certifying coaches, and providing a host of services to its member schools surrounding health and welfare standards.

As of August 2023, the NIAA had 123 member schools divided into five classifications. The NIAA provides the following services to its member schools in addition to the 118 league/region tournaments and 95 state championship tournaments it conducts:

- * Awards an academic team champion in each NIAA-sanctioned sport and honors individuals on the All-State Academic Team (4.0 GPA);

- * Hosts a Hall of Fame banquet and induction ceremony,

which honors outstanding student-athletes, coaches, officials, administrators and contributors who have had a significant and positive impact on Nevada's youth;

- * Honors the top 10 student-athletes in both northern and southern Nevada;

- * Certifies coaches (Nevada Coaching Education Program) and contest officials;

- * Promotes cooperative spirit among member schools through its special Citizenship Through Sports program;

- * Publishes NIAA informational materials (Year In Review, Record Book, etc.) for all member schools, sponsors, the media and the public;

- * Oversees the Sports Medicine Advisory Committee (SMAC);

- * Endorses the Drug, Alcohol and Tobacco policy; and

- * Works to prevent the exploitation of student-athletes by special interest groups.

PURPOSE AND INTENT

"In recognition of the many educational values to be derived from participation in all forms of interscholastic activities, and in recognition of the need for guidance and direction in the conduct of these activities, it shall be the purpose of this Association to promote, coordinate and regulate league, region and statewide activities to the end that they shall be part of and contribute to the total educational program of the students in the secondary schools of the State of Nevada."

ORGANIZATION

Legislative Commission

The policy-making authority of the Nevada Interscholastic Activities Association is vested in the Legislative Commission. The Commission consists of the superintendents of each of the 17 county school districts of Nevada (with the exception that Esmeralda County does not have a high school).

History of the NIAA

Board of Control

The governing body of the NIAA is a Board of Control. This Board of Control has 12 voting representatives from the four administrative regions. The state is divided into regions based upon population. Each representative must be elected by the county boards of school trustees from within the region they represent.

The Class 1A, 2A, 3A, 4A/5A South, 4A/5A North and three student representatives all serve as non-voting liaisons to the Board of Control. Other liaisons to the Board include a representative from the Superintendents' association, the state's private schools, the state's charter schools, the Athletic Directors association, and the state

officials association. The Board holds regular (quarterly) meetings throughout the year to conduct the affairs of the NIAA. The Board elects a president and vice-president for a term of two years at its winter or spring meeting in odd numbered years. Member schools and the public are notified of these meetings in a timely manner.

Member Schools

The member schools are formed into classifications and regions/leagues to facilitate scheduling and interscholastic competition.
