**Let's Go Deeper**

### Revelation 3:7-13 (NIV2011)

Evangelist/Pastor Barbara

7 “To the angel of the church in Philadelphia, write: These are the words of him who is holy and true, who holds the key of David. What he opens no one can shut, and what he shuts no one can open. 8 I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name. 9 I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars—I will make them come and fall down at your feet and acknowledge that I have loved you. 10 Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the earth. 11 I am coming soon. Hold on to what you have, so that no one will take your crown. 12 The one who is victorious I will make a pillar in the temple of my God. Never again will they leave it. I will write on them the name of my God and the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God; and I will also write on them my new name. 13 Whoever has ears, let them hear what the Spirit says to the churches.

Church, remain Holy as I am Holy, and fret not. {Psalm 37} I am the Alpha, the Omega, the Beginning, and the End. {Revelation 1:8} I exist forever. There is no ending to My Love, Grace, and Goodness. {Lamentations 3:22-23}

The time of great testing has come upon My Churches, and all flesh is being tested.

All who remain in My presence shall be preserved in this hour of great tribulation. They shall be partakers of the end-time harvest, and they shall be victorious over all darkness.

There is never a war without casualties. Never stress over {what if}; keep moving forward with Sword in hand. Paul spoke the truth when he said: “It is no longer I that liveth, but Christ that liveth in me.

{see Galatians 2:20} Paul had no thought of what would happen to him; his eye was constantly on the prize, and he just went forth. {Philippians 3:14}

The same is true with you, little ones; keep your eyes on the prize and move forward, knowing that you suffer not in vain. 1 Corinthians 15:58  
Therefore, my beloved brothers, be steadfast and immovable. Always excel in the work of the Lord because you know that your labor in the Lord is not in vain.

## Chuck Pierce word for DE 2012 from Brooke

Shared by: Evangelist/Pastor Barbara

Now hear the word of the Lord. I would say to you there would be an unprecedented unity that arises throughout this state, I say all three counties will begin to experience me in a new way. I say my triune power will be displayed in this State. I say there will be meetings and gatherings where explosive praise breaks loose from South to North, saith the Lord. And I say to you in one explosive gathering the Father will be displayed with an incredible love to those that are unlovely. In another gathering, I say the Son's power will be demonstrated and healing will break forth, but I say in the third gathering, Holy Spirit will come to dwell in the State, and I say from this place a highway will form, for I say there is a new war brewing on the horizon and Delaware will be heard of in this nation. I say the highway of triumph out of death, and resurrection will come out of Delaware saith the Lord, I say form me a highway that sorrow will turn to praise saith the Lord. Form me a highway that war and triumph can be ushered into the land. I say to you in Delaware you will now create a model that will go from this state and reorder the root of freedom in this land. I say from this State you will penetrate, overtake Philadelphia and cause freedom to rise up when Pennsylvania and the seven states surrounding come together. I say to you there is a sound in your midst that has laid dormant throughout these seasons and there is a sound that even the First People had that has not been heard in this land, this is the sound that will shake a nation. And I say to you the sound and voice are one, so from the unprecedented unity that arises in this State My voice will penetrate from this State through the gate of this State and touch the gates of this land and cause 23 other states to rise up, take notice and shout loudly and from that the sound will cause this nation instead of splitting to come alive and cry unity and freedom once again saith the Lord. So, allow the sound to rise up, allow my voice to come and warring a nation change out of the State of Delaware. Let's give a shout."

## Oneness

Tianna Muiruri

If you were to take a minute to peer at the word community, would you notice that it ends with unity?

If you were to take another minute to peer at the word unity, would you notice that it begins with u (you)?

There is unity in community, and it begins with u (you).

John 17:21 “The goal is for all of them to become one heart and mind—Just as you, Father, are in me and I in you. So they might be one heart and mind with us.”

Within the verse above, Jesus directly refers to the Father as you, and as a community in Christ, our u(you) in unity willingly and directly needs to refer to Him too. A gathered community in Christ should unquestionably emit a oneness that reflects the goal that Jesus desired in the verse above. Even when that community is gathered into a music group, in a deliverance team, on a social platform, in a praise and worship team, in an art collective, in a ministry, out in public or in private, oneness must not be lost, lacked, or lowered to invisibility. See, the thing about unity is that you can see it; you can see it in the way one socializes, acts, cares for, reacts, thinks about, and speaks about another. You can see it in the way a community handles a setback, dilemma, issue, and tight spot.

You can see it in the way that they love each other.

You can see it in the way Jesus loved His Father!

John 14:31 “But so the world might know how thoroughly I love the Father, I am carrying out my Father’s instructions right down to the last detail.”

While on earth, that last detail that Jesus fulfilled was the last breath on the cross that He drew for you so that you may be united with Him.

Romans 6:5 “For if we have been united with him in a death like his, we shall certainly be united with him in a resurrection like his.”

For unity to thrive in a community it is going to take time, patience, and commitment. It’s going to take remembering that last detail and that last breath. There are times when constant disagreement, roadblocks, and disunity hinders a community. Impulsively, that makes you want to give up and lose faith in those around you because you feel things won’t work out. But, just take one more minute to notice that God carefully peered at you, you, you, and all of you and unmistakably saw a community or group when He put you all together. By that, I can see unity in the way that God loves you because His heart and mind were one and in agreement when He faithfully chose you to be in that music group, deliverance team, social platform, praise and worship team, art collective, ministry, and etc.

So don’t lose faith, but lose the doubt.

## **Calendula Marigold**

By: Reverend Brett Connell

Calendula Marigold (also known as pot marigold) is different from the regular Marigold flowers that typically grow in a garden. For one thing, these annual flowers differ vastly in appearance. Marigolds have shorter, compact petals and thinner leaves. Calendula flowers feature longer petals and rounder, wider leaves. Although both plants are part of the daisy family, calendulas look more like daisies.

The bible is loaded with “recipes” for healing. God personally instructed how to make anointing oil, right down to the core ingredients and portions. I’m certain that the Holy Spirit had inspired many a physician in coming up with the types of herbs and preparations to treat many kinds of sickness in those days as well. It’s no different today. The Native American Indians and the ancient Chinese have been using natural remedies to treat and even cure many kinds of ailments for thousands of years.

Needless to say, in today’s world of prescription medicine (which at times may be necessary,) we have lost our original contact with the natural remedies that God has given us. Let’s just start with calendula:

1. It’s packed with anti-oxidants. Antioxidants are beneficial compounds that neutralize the harmful effects of oxidative stress in your body. Calendula extract possesses several potent antioxidants, including triterpenes, flavonoids, polyphenols, and carotenoids.

2. Treats wound and skin ulcer healing. In a 12-week study in 57 people, 72% of those treated with calendula extract experienced complete healing of venous leg ulcers, compared with 32% in the control group.

3. Combats certain cancer cells. Calendula’s antioxidant content may provide anti-tumor effects. Test-tube studies suggest that calendula’s flavonoid and triterpene antioxidants may fight leukemia, melanoma, colon, and pancreatic cancer cells. Research indicates that the extract activates proteins that kill cancer cells while simultaneously blocking other proteins that would otherwise interfere with cell death.

4. Anti-fungal and Anti-microbial. Calendula extract is known for its antifungal and antimicrobial properties. Notably, in one test-tube study, oil from calendula flowers proved effective against 23 strains of *Candida* yeast — a common fungus that can cause oral, vaginal, and skin infections.

5. Improves skin health. Calendula extract is widely utilized in cosmetics, including creams and ointments. Both test-tube and human studies show that calendula extract may enhance skin hydration and stimulate its firmness and elasticity, which may delay signs of aging. These effects are likely due to its antioxidant content, which may reduce skin damage caused by oxidative stress.

I am currently growing calendula and will make infused oils and salves when the plants have reached maturity.

## Where We Stand

Reverend Aaron Betz

I wanted to give a deeper explanation of where the church currently stands in the balance as God is weighing all things within His Courts (you can find more in the February monthly Newsletter). We each know that God has given us positions within His Kingdom to occupy. It is through our positions within God's Kingdom and Courtroom that the enemy will be thoroughly and utterly defeated. However, at this moment, there is a greater Court case going on that goes beyond our ability to officiate within the Court room. Instead, we are in a place where we must rely heavily on Jesus our Mediator while we walk this last phase of proving out.

The hallmark Courtroom scripture of Zechariah 3 depicts a court case that was centered around Israel's high priest of the hour, Joshua. As you read it you, will see that Joshua said nothing during the case. Instead, the Lord Himself spoke and used those around him to minister to him, including Zechariah the prophet.

We are in a similar place right now where it is not our officiating within the Courts that is going to advance us personally, but it is the decisions we make in our daily lives that are going to qualify us in the eyes of God's Courts. Many things within the courts have been whittled down to the point of us needing to "prove it", much like the proving of Job and the sifting of Peter.

Job 1:9-11, BSB Satan answered the LORD, "Does Job fear God for nothing? 10Have You not placed a hedge on every side around him and his household and all that he owns? You have blessed the work of his hands, and his possessions have increased in the land. 11Butstretch out Your hand and strike all that he has, and he will surely curse You to Your face."

Luke 22:31, BSB Simon, Simon, Satan has asked to sift each of you like wheat.

The word sift here means to prove by trial. So, each of us are in a "prove it" stage in certain parts of our walk. God has been working to throw out the enemy's cases, but God can only do this as we prove our faithfulness to God. Behind the scenes, this is working to build a powerful testimony. When we couple the story of our faithfulness to God with His overwhelming faithfulness to us, we have an ironclad testimony that is the basis for proving our right to officiate weightier matters within the Courts. Remember that all of your testing and trials are proving you so that you may be propelled to higher heights within the Kingdom.

Revelation 12: 10 -11, ESV For the accuser of our brothers has been thrown down—he who accuses them day and night before our God. 11 They have conquered him by the blood of the Lamb and by the word of their testimony. And they did not love their lives so as to shy away from death.

## The Strength of Humility: Knowing Where You Are At... Part 2

Reverend Christopher Gore

As we continue on learning about the Strength of Humility, today we will look at “knowing where you are at” in Christ.

Let us Look at Adam & Eve.

“And they heard the sound of the Lord God walking in the garden in the cool [afternoon breeze] of the day, so the man and his wife hid and kept themselves hidden from the presence of the Lord God among the trees of the garden. But the Lord God called to Adam, and said to him, “Where are you?” He said, “I heard the sound of You [walking] in the garden, and I was afraid because I was naked; so I hid myself.”” Genesis 3: 8 -10 {AMP}

Knowing where you are at is key to understanding your relationship with God. Our eyes should always be on God and not ourselves. This is difficult to achieve but not impossible. As you mature in Christ, this should become a part of your daily maintenance to do list. One should consistently evaluate where you are at in relationship to God. Are you close to His heart or are you starting to drift away from His heart? We can be easily distracted with life. You must never assume that you are close to God. This is dangerous and can open the doorway for complacency to make you take your relationship with God for granted.

We see in verse 10 that Adams focus was shifted away from his relationship with God and changed to Adam looking at himself. Adam’s view had shifted from looking for God to Adam looking at his own condition. This can be tricky. We need to know our condition, but we cannot let that knowledge of our condition keep us from looking for God. A lack of humility will cause you to misjudge your relationship with God. A lack of humility will cause you to put yourself in a place or position in God that you have not been given. The key to humility is acknowledging where you are at for the purpose of not walking in self-deception.

We can be deceived by other people, and we can deceive ourselves into thinking that we are something that we are not. People do not want to embrace this possibility, but this is truth. God asked Adam where he was at for the purpose of teaching Adam to realize that something was wrong with their relationship in this moment. We need to understand that there are going to be moments in our relationship with God that things will be wrong.

When this occurs, we need to be open for God to teach us and show us what that is so we can continue on in our relationship with Him by fixing the problem. This knowledge about us being wrong shouldn’t pull us away from God. It should create within us a greater sense and need to be closer to God.

Next week we will continue with Adam and The Strength of Humility: “Knowing Where You Are At...”

## Understanding

Evangelist Kathryn Gore

In my recent studies pertaining to the Fear of the Lord, the word “understanding” appeared several times. For instance, Proverbs 2:1-6 reads, “My son, if you receive my words and treasure up my commandments with you, making your ear attentive to wisdom and inclining your heart to understanding; yes, if you call out for insight and raise your voice for understanding, if you seek it like silver and search for it as for hidden treasures, then you will understand the fear of the Lord and find the knowledge of God.” Proverbs 11:10 reads, “The fear of the Lord is the beginning of wisdom; all those who practice it have a good understanding. His praise endures forever!”

**I think we underestimate the blessings behind gaining understanding.** The definition for understanding means: the ability to understand something; comprehension. One word sticks out more than the other in this definition. Your first thought could be the word “comprehension” as it were for me. When reading once more, I found the word “ability” to stand out even more! The word ability is similar to a skill or a talent that one may carry. Another word for ability is “mastery”. Mastery is comprehensive knowledge or skill in a subject or accomplishment.

If you think of this from a perspective of everyone not carrying this skill or talent, you will come to understand why scriptures would suggest for us to cry out for it, to seek after it.

**Proverbs 18:2-A fool takes no pleasure in understanding, but only in expressing his opinion.**

Personally, if I don't understand there's a disconnect that takes place from within that will not allow for me to completely rest. But when understanding comes, whether good or bad, it starts to come together. I can comprehend the truth in understanding more than not.

Proverbs 3:13-18 reads, “Blessed is the one who finds wisdom, and the one who gets understanding, for the gain from her is better than gain from silver and her profit better than gold.”

In 2 Timothy 2:7 Paul said, “Think over what I say, for the Lord will give you understanding in everything.” Paul was speaking of being a good soldier of Christ Jesus. How many of us seek wisdom and knowledge over understanding? Sometimes we forget “understanding” is even a thing.

**Proverbs 2:6- For the Lord gives wisdom; from his mouth come knowledge and understanding;**

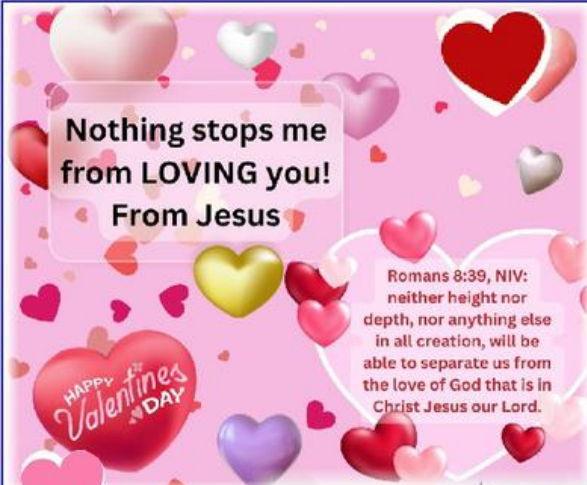

Truth... God desires to give us everything we need to farewell in this life. Understanding plays a role. Jesus came to give us understanding and why?

1 John 5:20- And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. He is the true God and eternal life.

**Maybe we should consider seeking understanding more than not.**

1 Corinthians 2:12- Now we have received not the spirit of the world, but the Spirit who is from God, that we might understand the things freely given us by God.

Proverbs 2:11-16- Discretion will watch over you, understanding will guard you, delivering you from the way of evil,

Nothing stops me  
from LOVING you!  
From Jesus

Romans 8:39, NIV:

## Happiness in Humility (Part 19)

By Theresa McGinnis

2nd Corinthians 12:9-10 tells us, "Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me. Therefore, I take pleasure in infirmities: for when I am weak then am I strong."

When God called Paul, He had given him some really great revelations and it would have been easy for him to think that he was extra special or needed to be acknowledged as special, but God had thought ahead and had given him a thorn in the flesh to keep him humble. Paul's first desire was to have the thorn removed, he even asked to have it removed from him 3 times. The answer that came to him was that the trial was a blessing; that in the weakness and humiliation it brought, the grace and the strength of the Lord could be better manifested. This gave Paul a new insight to his trial, instead of simply enduring it, he glorified in it, and he did it with gladness.

Instead of asking to be delivered from it, he took pleasure in it. Paul had learned that the place of humiliation is the place of blessing, of power and of joy. Pretty every Christian being passes through these two stages in his pursuit of humility.

First of all, they will fear and flee and seek deliverance from all that God sends to humble them. That is because they have not learned to seek humility at any cost. They may accept the command to be humble and seek to obey it, but utterly fails. Even when we want to be humbled, in the secret parts of our heart we want to be kept from the things that will make him humble.

In his pursuit of it, there is still a sense of burden and bondage. He has not yet become the spontaneous expression of a life and a nature that is essentially humble. It has not yet become his joy and only pleasure. He has not yet reached the point where he says, "Most gladly do I glory in weakness; I take pleasure in whatever humbles me." We should hope for the day that this is the case. We should choose humility as our highest blessings.

Paul faced the very real possibility of exalting himself, he didn't understand perfectly what it was to be nothing, to die, that Christ alone might live in him and to take pleasure in all that brought him low. We must fully conform to the Lord in that self-emptying where he glorified in weakness so that God might be all. We need to realize that the highest holiness is the deepest humility.

Ask yourself, "Do I take pleasure as Paul did, in trials, in necessities and in distresses?" or are you so free from self that whatever is said about you or done to you, is lost and swallowed up in the thought that Jesus is all. This is where He wants us to be. Let us trust Him who took charge of Paul to take charge of us too. For He watches over us with a jealous, loving care, "lest we exalt ourselves."

## God's Heart - Our Heart

Sis Grace Crescenzo

For God so loved the world....

The Father, because of His Great love for us, has given All of Himself in sending His son as a sacrifice for us, so that He can be one with us. The only way we can see Him and know Him is IF we receive what He has given us in this salvation, His presence and His wholeness. He has given "all of Himself", He wants us to give Him "all of ourselves".

In His great love for us, He has provided the way. He wants us to come to Him in complete surrender and lay our heart totally open before Him so He can minister in the deep recesses of our beings. He waits for us to turn from everything else to be alone with Him, to lay everything at His feet, with an open heart to receive all that He wants to do in our heart each time.

The more we can bring to Him our true self, the more HE can give us of His true self. When we come before Him, we need to know that He is not impressed with our outer man, our exterior house, our imperfections, or righteous works.

He by-passes our outer man and comes to the depths within our beings, the chambers within our soul, which our eyes have never see, dark rooms, not necessarily from sin but because they have been kept closed. In these chambers only God has the wisdom, grace, and love to be able to bring light, healing, and all of Himself that we need to open those doors to HIM. This is so that He can fill us with His true self and occupy those parts of our hearts that He is working toward perfection in the outer man. These areas that we do not know of, that only HE is able to reach and bring healing and HIS life into them.

The Lord God looks at the heart, deals with our heart, wants to continually heal every part of our heart, that only He can enter, touch, make whole and bring perfection. This happens each time we allow Him total access to ourselves/our heart, by giving Him quality time in the stillness of our soul before Him, and in complete surrender each time in His presence, allowing Him this access to all of our beings within.

HE is sanctifying, cleansing, healing, making us whole piece by piece through His great love, mercy, power, and grace. He first loved us so we can love Him. God is Love... HE is offering to us Himself and all that HE IS! How great is this love!

*Psalm 8 AMP, "What is man that you are mindful of Him, and the son of (earthborn) man that you care for him? Yet you have made him a little lower than God and You have crowned him with glory & honor.*

*O Lord, our Lord, how majestic and glorious and excellent is Your name in all the earth!"*

*Read Psalm 8 AMP*

## I Let Go of My Plans and Take Control of My Life, Lord.

Reverend Astrid Sherriff

God wants us to let go of our plans and for Him to take control of our lives. God knows His plan is perfect. Sometimes we don't understand his plan, but in the end, it was the best thing we've ever done. In Jeremiah 29:11 "For I know the plans that I have for you," declares the Lord, "plans for prosperity and not for calamity, to give you a future and a hope. In this verse, Jeremiah tells us that God has a perfect plan for us from the time we are born with a purpose and to fulfill the promises and plans that God has for us. The purposes he has for us. We must see and understand its purpose. When a well-meaning Christian says, "God is in control," what he usually means is that God makes things happen or prevents them from happening as He pleases. That means nothing happens outside of what God knows will happen and wants it to happen. **Isaiah 41:4** Who did this? Who made it possible? Who called the generations from the beginning?

I, the Lord, am with the first, and I will be with the last." There are areas in our lives that God helps us by doing, by praying. In addition, the Holy Spirit helps us in our weakness by obeying God's Word. Jesus answered, "But even more blessed is **everyone** who hears the word of **God** and puts it into practice," seeking resources to help and taking refuge in His promises. **Isaiah 55:8-10** If you do so, your light will break like the dawn, and your healing will come at once; your righteousness will open the way for you, and the glory of the Lord will follow you. 9 You will call, and the Lord will answer; you will ask for help, and he will say, 'Here I am!' If you cast off the yoke of oppression, the accusing finger, and the malicious tongue, 10 if you devote yourself to helping the hungry and satisfying the need of the helpless, then your light will shine in the darkness, and as noon will be your night. We know that God's plan is perfect, no matter what we are going through in our wilderness moment. "The king's heart is a stream of water in the hand of the Lord; He turns it where he wants." "For the kingdom is the Lord's, and he rules over the nations." There is nothing better than leaving everything in the hands of Jesus. As you let go of your plans, your desires, everything is a symbol of surrender where we surrender our plans, desires, dreams, and decisions to God to take control of our lives. We do not belong to ourselves but to God. It means surrender and trust in God. God, through His beautiful word, encourages the believer to expect and trust that He is in control of every adverse situation. It is often hard to believe that a tough situation can bring anything good to life, but as we read God's Word, it becomes clear that all things work together for good to those who believe and trust in Him.

You know well enough that Our Lord does not look so much at the greatness of our actions, nor even at their difficulty, but at the **LOVE** with which we do them.

--Saint Therese of Lisieux

## OVER-THE-COUNTER MEDICATIONS TO USE WITH A COLD

Reverend Naomi Nichols

Home sick with a cold, sore throat or cough? There is no cure but there are plenty of OTC remedies that pledge to help you feel better. Since they are over-the-counter, you don't need a prescription. Use this guide to find the right one for the symptoms you have.

### STUFFY NOSE AND SNEEZING

\* Antihistamines – blocks a chemical that makes your nose fill up and run. May work better when combined with a decongestant. Some antihistamines can make you drowsier than others, so be aware of the side effects. You might not get tired at all but you will be even more sedated if you drink alcohol with this medicine. Take precautions and be safe about driving or operating machinery.

\* Decongestants – shrinks swollen blood vessels in the nose to relieve congestion. They come in pill form or nasal spray. They have the opposite side effect of antihistamines – they can make you jittery. Avoid taking them within a few hours before bed or you might have trouble falling asleep. If you have high blood pressure, ask your doctor if it's okay to use a decongestant. Also, don't use a decongestant spray for more than 3 days in a row. Doing so can make your stuffed nose come back.

### COUGH

\* Antitussives – a/k/a cough suppressants – block the cough reflex by decreasing activity in part of the brain that causes coughing. Brand names are Robitussin Cough and Triaminic Cold and Cough.

\* Expectorants – works to thin mucus, which can in turn help your cough move mucus out, clearing your airway. Brand names are Mucinex and Robitussin Chest Congestion

### ACHES AND FEVER

\* Acetaminophen – relieves headaches and may also help open a stuffy nose. It's in many cough and cold products as well as in other medicines. Read all the labels and be sure to follow the dosing instructions carefully so you don't accidentally take too much. \*

Aspirin and Ibuprofen - good for aches and pains. If you take a blood-thinning drug, check with your doctor before you take aspirin. **DO NOT** give aspirin to children. It can raise their risk for a rare but serious disease called Reye syndrome.

### SORE THROAT

\* Ibuprofen, acetaminophen and aspirin can ease the pain of a sore throat.

\* Lozenges – by sucking on a lozenge, your saliva helps release the active ingredients, helping to soothe and lubricate the throat.

\* Throat sprays – offers instant relief by numbing the throat with such ingredients as benzocaine, menthol or eucalyptus.

## **The Courtroom – Your Blood- Part 2 – Blood Speaks of Generational and Ancestral – Blessings and Curses**

Nancy Connell

While I was contending with some sickness and laying there talking with God, He said, “Why don’t you first subpoena your blood to the courtroom and have it testify?” I was like, ok. I had no idea what was going to happen, but why not?

So, I prayed and subpoenaed my blood to the courtroom to testify. I asked the Holy Spirit to guide me through. I was excited with anticipation to find out what God was up to. The Holy Spirit led me to pray that the deceit be removed from it and all would be revealed in the courts.

Then I prayed that the sickness is attached or any part that flows through the heart in the blood would be brought forth from past generations, past ancestral sins, and sins that I had committed and asked for repentance and that this be judged, sentenced, removed, and evicted permanently. (Jeremiah 17:9 -10)

The Holy Spirit then had me request that because I believe in Jesus Christ, God the Father, and the Holy Spirit, I proclaim John 7:38 to take place and expunge these things from my record and blood. I also requested that the joy of the Lord fill my heart and become good medicine and flow throughout my body to cleanse it of all the infirmity that has been passed on, collected, and used my blood against me. (Proverbs 14:22) (More on this to come)

So, as we first started, I grabbed my pen and paper and began to write little outlines and notes on different things that God has been showing through His Word, from others, and from His revelation on what some things we can do and allow a complete cleansing work to begin. This went on for a few months and continues.

As my blood was put on the witness stand, things that were revealed were put to trial and dealt with right there. Sometimes, things happen so fast that you can’t keep up. The main thing is that you can use the voice of your blood to confess things wrong with your body, your family line, curses, and blessings you could be walking under. You can use everything from test results to Prophetic Words and personal agreements and commitments you have made with God. The important thing is to ALWAYS have the Holy Spirit to lead you.

Let’s begin with the first things on the outline of things that I was to have my blood testify and be a witness to:

### 1. Speak of Generational and Ancestral - blessings and curses

o To use against all generational attachments including sickness, sin, punishments, curses, etc... 1 Peter 1:18-19, 18 For you know that it was not with perishable things such as silver or gold that you were redeemed from the empty way of life handed down to you from your ancestors, 19 but with the precious blood of Christ, a lamb without blemish or defect.

o You can also use this later to claim the blessings of your ancestors and generation through this courtroom session. Genesis 9:12, Genesis 17:7, Exodus 3:15, 2 Kings 10:30, Psalm 22:30; Psalm 49:11 - Continue next week.

**RUN AFTER THE  
HURTING, GO AFTER  
THE BROKEN, THE  
ADDICTED, THOSE  
THAT HAVE MESSED

GO AFTER THEM  
WITH LOVE, WITH  
MERCY, WITH THE  
GOODNESS OF GOD.**
