# A message from the President

## The Bayanihan Spirit Lives On

The spirit of Bayanihan is one of the most cherished traditions of our Filipino heritage—a reminder that when a community comes together with unity, generosity, and compassion, even the heaviest burdens become lighter. In the old days, neighbors would quite literally carry a family's bamboo house on their shoulders to help them move to a new place. Today, Bayanihan continues to thrive in countless ways—through the sharing of time, talent, and resources to uplift others.

At the Filipino American Society, Inc. (FAS, Inc.), this spirit shines brightly whenever our members and volunteers come together to plan events, showcase their gifts, and dedicate their energy to making our programs meaningful and successful. Bayanihan reminds us that when we work side by side, we strengthen not only our organization but also the very fabric of our community.

## Celebrating Bayanihan at the 16th Biennial Charity Ball

As we gather for the 16th Biennial Charity Ball on October 4, 2025, we celebrate this enduring spirit by honoring the selfless individuals and organizations who support our mission. True to our identity as a not-for-profit, non-political, and non-sectarian organization, FAS, Inc. remains committed to preserving, promoting, and enriching Filipino culture through education and the arts.

In partnership with ANCOP (Answering the Cry of the Poor), Port Charlotte, FL Chapter, this year's Charity Ball also carries a greater purpose—raising funds for indigent schoolchildren in the Philippines. Together, we continue the tradition of caring, sharing, and uplifting those in need while upholding the dignity of every individual.

## Moving Forward Together

It is my honor and privilege to work alongside our dedicated and proactive officers, whose passion and commitment have made FAS, Inc. a more vibrant and inclusive organization. From the beginning, we set our goal to expand our reach, grow our membership, and strengthen our connections with community leaders.

We envision our organization as a bridge that unites families, businesses, and communities—always guided by the Filipino values of compassion, hospitality, and Bayanihan.

## With Gratitude

On behalf of the officers and board of FAS, Inc., I extend my deepest gratitude to our members, volunteers, sponsors, and donors. Your trust, generosity, and unwavering support fuel every endeavor we pursue. Together, we are making a difference—both here in our local community and across the seas in the Philippines.

Maraming salamat po. Thank you very much.

## FILIPINO AMERICAN SOCIETY INC. BOARD OF DIRECTORS (2024-2025)

Atty. Janette Mae  
Dillomes-Dixon, LLM.  
President

My initial motivation to serve as an officer of the Filipino American Society, Inc. came from the trust and encouragement of members who believed in me and endorsed me to lead. Their support inspired me to give back to the community that became my first social family when I moved to Port Charlotte eight years ago. Serving as an officer has taught me that the organization thrives when it stays rooted in its mission—celebrating Filipino American identity while positively impacting the community.

I've learned that balancing the Filipino Bayanihan spirit with the American drive for self-realization fosters growth, and that honoring both pioneer members and new voices ensures relevance and unity. Above all, I believe the Bayanihan spirit is vital, as no leader can succeed alone. Our true strength lies in teamwork, with members and volunteers working together, donating their time, talent, and resources to make every effort meaningful. This spirit of communal support not only sustains our organization but also reflects the best of our Filipino heritage.

Bebot Mercado.  
Vice President

For me, Bayanihan is more than just helping others – it is a reflection of God's love working through us.

As members of Couples for Christ, we are called to live like Christ and to be His hands and feet in today's world. One of the most beautiful ways we do this is through the spirit of Bayanihan – coming together in unity, compassion, and service to uplift those in need. Through our mission in ANCOP (Answering the Cry of the Poor), we are able to put Bayanihan into practice by giving the least fortunate, especially children, the chance to go to school and build a brighter future. This mission is not simply charity – it is love in action, faith put to work, and a tangible expression of our Christian values.

When we reach out to the poor and the vulnerable, we bring Christ's light into their lives. And we are reminded that whatever we do for the least of our brothers and sisters, we do for Him. "Let all that you do be done in love." – 1 Corinthians 16:14

Regina Reuyan  
Secretary

My initial motivation in serving as an officer was the desire to contribute something meaningful to our organization and help create a space where everyone feels supported and heard. I wanted to be part of a team that works behind the scenes to make things better, whether it's through organizing events, solving problems, or simply being there for others. I saw it as a way to grow—not just as a leader, but also as a person.

One of the greatest lessons I learned is that leadership is not about being in charge, but about **SERVING OTHERS**. I realized the importance of teamwork, patience, and humility. Most importantly, I learned that even small efforts can have a big impact when done with sincerity and purpose.

The Bayanihan spirit is important because it reminds us that we're stronger together. In a world that often feels divided or individualistic, Bayanihan teaches us the value of unity, compassion, and collective effort. Whether we're facing challenges or working toward a goal, it's the spirit of helping one another without expecting anything in return that keeps our communities alive and thriving.

Menchie Calesa  
Treasurer

My motivation to serve as an officer comes from pride in my Filipino heritage and the blessings I've received in the U.S., with a desire to pass on to my children the richness of our culture, faith, and spirit of service. Serving has taught me that true leadership requires selflessness, purpose, and a sincere heart—when rooted in love for community, service becomes a privilege rather than a burden. Above all, I believe the Bayanihan spirit reflects the best of who we are as Filipinos: a people bound by compassion, community, and collective strength. It reminds us that success is not just individual but shared, and that by lifting one another up, we honor our heritage and carry our values forward.

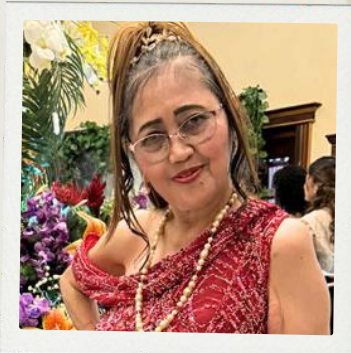

Iylin Flock  
Auditor

I am beyond grateful for the opportunity to serve as an officer of the Filipino American Society. Through this organization, I have been able to help and chair many events that benefit not only our youth, men, and women members, but also the wider community. Growing up in the Philippines, I witnessed firsthand how even the smallest act of giving can change a life. Now that I am in a position to give back, that experience continues to inspire me. Most importantly, I want my children to grow up in an environment where they see and learn that generosity and service to others are not just occasional acts, but a way of life.

Caroline Milligan  
Public Relations Officer

My motivation to serve comes from a natural and innate calling to commune, to give back, and to offer the best version of myself to my community — my home away from home. I see myself as the organization's storyteller, not only through words but also through actions and deeds, because a story well told becomes an invitation for others to join. As the saying goes, "*Walang sinuman ang nabubuhay para sa sarili lamang.*" It is the very essence of humanity that nourishes both mind and soul and reflects everything that is good on God's green earth.

Winnie Allenas Camposano  
Director

Being part of the Filipino American Society, Inc. has given me the opportunity to meet new friends—people I can learn from and build lasting friendships with. For me, it is important to treasure the relationships I form along this journey and to appreciate people for who they truly are. I believe in helping one another, being present for each other, and always striving to be genuine and true in the connections we share.

## A message from our Charity Partner, ANCOP

Warmest greetings of peace and gratitude from ANCOP  
(Answering the Cry of the Poor)!

On behalf of the entire ANCOP community and Couples for Christ, we extend our deepest and sincerest thanks to the FilAm Society for your generous partnership and unwavering support in our shared mission of bringing hope, dignity, and transformation to the lives of the poor.

Your commitment to walk alongside us in serving our less fortunate brothers and sisters is a testament to the enduring Filipino spirit of Bayanihan, which finds its deepest meaning when rooted in faith, compassion, and unity in Christ. Through your generous contributions and heartfelt collaboration, you have become instruments of God's providence – reaching out across borders to touch lives, one family and one child at a time.

Thanks to your support, we have been able to continue and expand our programs – particularly in providing educational sponsorships, shelter, livelihood opportunities, and values formation for underprivileged communities in the Philippines and beyond. Your partnership not only helps children go to school and families rebuild their lives, but it also brings Christ's light into homes that once knew only darkness.

More than material aid, what you have given is hope – a hope grounded not in temporary relief, but in the transformative power of love expressed through action. As Scripture tells us in James 2:17, "Faith by itself, if it is not accompanied by action, is dead." You have shown us a living faith – one that moves, uplifts, and restores.

We are also inspired by the FilAm Society's example of living out your identity as Filipino-Americans rooted in Christian values, using your blessings to bless others. In a world often marked by division and indifference, your decision to stand with ANCOP and the poor is a bold witness to the Gospel.

As we continue this journey of mission and service, we pray that our partnership may grow even deeper. Together, let us be faithful stewards of God's love, continuing to answer the cry of the poor – not just with our words, but with our hands, our hearts, and our lives.

May God bless you abundantly for your generosity, and may He return it a hundredfold.

With grateful heart in Christ,

**Katheryn Shay**  
ANCOP Coordinator  
Port Charlotte, Florida

## A message from our Creative Partner, UbeHaus

I am deeply honored that UbeHaus could serve as the Creative Partner for the 16th Biennial Charity Ball. This partnership has allowed us not only to design an experience, but also to help tell the powerful story of bayanihan, a value that continues to define who we are as a people and as a community.

This year's theme, Bayanihan Beyond Borders, is more than just a concept. It is a living truth. It reflects how Filipino Americans, wherever we may be in the world, continue to live, serve, and celebrate together. It reminds us that our strength lies not just in our heritage, but in how we carry it forward, how we extend hands, share burdens, and lift one another across communities, across generations, and across borders.

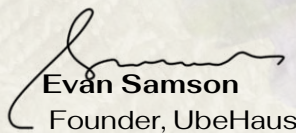

Through storytelling, design, and activations, UbeHaus sought to bring this theme to life in a way that connects the richness of our heritage with the realities of our present. In many ways, it also echoes this year's FANHS Filipino American History Month theme, "From Quotas to Communities: Filipino American Migration AND Movement", by reminding us that our collective journey has always been about overcoming barriers and building communities of belonging. Both themes speak to our resilience, our capacity to adapt, and our responsibility to create spaces where the next generation can thrive.

Tonight, we also celebrate the remarkable honorees of the Bayanihan Awards. Their stories of service, leadership, and dedication embody the very spirit of bayanihan. They are living proof of how one person, one family, or one organization can create ripples of change far beyond themselves. To the Filipino American Society Inc., congratulations on leading this milestone celebration and for your enduring role in preserving and uplifting our culture. And to the Filipino American community, your compassion, unity, and resilience are what make gatherings like this meaningful, memorable, and truly powerful.

Partnering with the Filipino American Society Inc. for this year's Ball has been both a privilege and a joy. Together, alongside ANCOP USA, we are reminded that bayanihan knows no boundaries. It transcends borders, empowers families, strengthens communities, and reminds us that we are all part of something bigger than ourselves.

With gratitude and pride,

## COMMISSION US FOR YOUR MASTERPIECE

We create stunning, one-of-a-kind portraiture that stands apart from all others. Each portrait reflects the artist's distinctive talent—resulting in a timeless masterpiece that is uniquely yours.

Reminiscent of 17th-century portraiture—originally created to showcase social status and pride—our work captures the same vitality and beauty of classical artistry for all who commission us.
