"I took my daughter to the glass fusion workshop last week and we had the best time. Jaime and her team welcomed us with drinks on arrival and we met some lovely people. We enjoyed 2 hours of **creativity and laughs** and were amazed with what we produced. I would highly recommend this **gorgeous venue** to anyone who wants to do something different, meet like minded people and have some fun.

Really **friendly**, knowledgeable and helpful staff and first class products.

We will definitely be going again."
