Resistente e funzionale, il sommier Vesuvio è un sommier realizzato con sistema box contenitore, per offrire il massimo della praticità. Grazie al meccanismo che consente il rialzo verticale del piano del letto con un solo movimento, utilizzare lo spazio non è mai stato così semplice e sicuro. La rete a doghe curve in legno offre una perfetta ergonomia, ed è solida e duratura grazie alla struttura laterale in legno di abete.

La ricca fascia laterale, alta 28 cm, può essere rifinita con rivestimento sfoderabile in ecopelle o in tessuto.

I dati tecnici del presente listino sono indicativi. Decliniamo ogni responsabilità per eventuali inesattezze ed errori in esso contenuti.

RISERVATO DOMINIO:

La vendita della merce viene effettuata con riserva della proprietà ai sensi dell'art. 1523 Cod. Civ.

CONDIZIONI

I prezzi si intendono in euro al pubblico esclusa Iva. Trasporto franco committente.

TERMINI DI CONSEGNA

La commissione diverrà impegnativa per la ditta fornitrice se accettata per iscritto o se avrà luogo la consegna della merce. Per consegne 40 giorni c.a. Ritardi eventuali non danno diritto né a risarcimento danni, né all'annullamento dell'ordine.

TOLLERANZE

L'eguaglianza al campione, sia alla prima che alle successive forniture, non deve intendersi in senso tassativo in quanto possono esistere margini di tolleranza per i colori, i materiali e le dimensioni. La garanzia è limitata ai prodotti fabbricati integralmente dalla Casa che declina ogni responsabilità nel caso di inappropriato utilizzo.

RESI

I resi per difetti di fabbricazione dovranno essere preventivamente autorizzati per iscritto e dovranno pervenire in azienda in porto franco perfettamente imballati ed accompagnati dallo scontrino di acquisto. L'imballo deve ricoprire il prodotto reso in tutta la sua superficie e non deve presentare parti lasciate aperte e dovrà essere idoneo per tutta la fase del trasporto.

Qualora, ad insindacabile giudizio dell'azienda vengano riconosciuti i difetti contestati, gli stessi verranno accreditati al valore effettivamente pagato. L'azienda si riserva comunque il diritto di richiedere un contributo di spesa se il difetto riscontrato non corrisponde o corrisponde in parte a quanto comunicato dal punto vendita, oppure di respingere il reso se il prodotto non presenta difetto o se il prodotto non è in condizione igieniche decorose.

PAGAMENTI

Nessuna contestazione da parte del compratore potrà giustificare ritardi o rifiuti nel pagamento. Il ritardato pagamento anche di una sola rata, autorizza l'azienda a richiedere il pagamento totale con l'addebito degli interessi di mora applicati al tasso bancario vigente. La merce consegnata rimane di proprietà della ditta fornitrice sino al pagamento totale da parte del committente. Per ragioni contabili non si accettano sconti ed arrotondamenti.

PUBBLICITÀ

Per pubblicizzare con foto ed altri mezzi la merce fornita è necessaria la preventiva autorizzazione scritta della ditta fornitrice.

VALIDITÀ DEL LISTINO

Il presente listino annulla tutte le precedenti quotazioni, in qualsiasi forma applicate o stabili, e può essere variato senza preavviso.

FORO COMPETENTE

Per ogni controversia il foro competente è quello di Salerno.

Payments must be made within the agreed terms and conditions. After the terms, an interest of 5% will be charged referring to the official discount rate (T.U.S.).

For invoices of less than € 250.00, the payment deadline will always be a single one.

For oversize product requests, 30% will be added upon request to the technical dept. Casa has the right to make changes to the production at any time if it is necessary, even without prior notice. The technical data in this price list are indicative. We decline all responsibility for any inaccuracies and errors contained therein.

RESERVED DOMAIN:

The sale of the goods is carried out with retention of ownership pursuant to art. 1523 of the Civil Code.

CONDITIONS

The prices are intended in euro to the public excluding VAT. The costs for delivery should be previously agreed.

TERMS OF DELIVERY

The order will become binding for the supplier company if confirmed in writing or if the goods are delivered. For deliveries 40 days approx. Any delays do not give the right to compensation for damage or cancellation of the order.

TOLERANCES

Equality to the sample, both at first and following orders, is intended in a general sense as there may be margins of tolerances for colors, materials and sizes. The warranty is limited to products interely manufactured by CASA which declines all responsibility in the event of inappropriate use.

RETURNS

Returns for manufacturing defects must be authorized in advance in writing and must arrive at the company without transport costs and perfectly packaged together with the purchase receipt. The packaging must cover the returned product on its whole surface and must not have any parts left open and must be suitable for the entire transport.

If, at the sole discrection of the company, the claimed defects are recognized, they will be refund to the value actually paid. However, the company has the right to request a cost contribution in the defect found does not correspond or partially corresponds to the previous communications, or to reject the return in the product is not defective or if the product in not in decent hygiene conditions.

PAYMENTS

No objection by the buyer can justify delays or refusals in payment. The delayed payment of even a single order allows the company to request full payment with all interest applied at the current bank rate. The delivered goods remain the property of the supplying company until full payment by the customer. For accounting reasons discounts are not accepted.

ADVERTISING

To advertise the supplied goods with photos ot other means, the prior written authorisation of the supplier is required.

VALIDITY OF THE PRICE LIST

This price list replaces all previous prices, in any form applied or established, and can be changed without notice.
