## CUMBERLAND COUNTY TOUR

SPONSORED BY:

Our Fellows enjoyed touring the County and learning about tourism and “hidden gems” in their communities. They started out at the Army Heritage Education Center to tour the gallery and archives there and then went on an Historical Walking Tour in Boiling Springs with Matthew March of the Cumberland County Historical Society which included the information about the Underground Railroad.

Next up was lunch at the West Shore Theatre followed by a tour of their location. To end the day they headed back to Carlisle to visit the Destiny Dairy Bar at Stover Farms for a tour with the animals and to visit a local winery, Long Shot Winery. The Fellows had a great time visiting these different places and learning more about Cumberland County!

## GETTYSBURG TOUR

SPONSORED BY:

Each year our Fellows participate in a unique opportunity where they are guided through the Gettysburg Battlefield to highlight monumental leadership lessons learned that still apply today. Our Alum, Cody Baker '24, presented as they started at the Gettysburg National Military Park to set the stage and learn about subordinates that don't support your strategy. Then they headed to McPherson's Ridge & Seminary Ridge to witness the ground where the battle began. Next they visited Little Round Top, The Wheatfield, and ended at The Pennsylvania Monument to discuss how the monument reflects the human cost of the battle and the war.

After a lunch break at the Visitors Center, they visited the Virginia State Memorial and the Copse of Trees. They discussed the aftermath of the battle and what is lost and what is gained. To end the day they visited Cemetery Ridge and the Soldiers' National Cemetery for a time of reflection on the day.
