Once my now husband, my parents and I found HVCC we knew it was the place for our wedding. While planning, they were incredibly attentive to any.. and all.. of the questions we had. It exceeded every wild dream or expectation we could have had for our wedding. The food, drinks and event space were truly remarkable and our guests all agreed! And the backdrop... an added bonus to our day! Thank you for bringing our dreams to reality!

The entire events team at HVCC did an amazing job for my daughter and son-in-law's wedding! The event coordinator was incredible! Her professionalism, attention to detail, and communication made everything fall seamlessly into place. The food was phenomenal, the bar was well stocked and flowing all night, and the wait staff was very attentive to our guests needs. I highly recommend having your wedding at HVCC

WEDDINGWIRE

ZOLA 

A bride and groom are shown in profile, embracing each other on a lush green golf course. The groom, on the left, is wearing a dark grey suit and is lifting the bride. The bride, on the right, is wearing a white wedding dress with a lace bodice and a long, flowing veil. They are both smiling and looking at each other. The background is a soft-focus landscape of trees and grass, with a bright sun low on the horizon, creating a warm, golden glow and lens flare effects. A semi-transparent grey banner is overlaid on the bottom half of the image, containing text and a signature.

Hunt Valley Country Club was stunning, amazing, cozy and flexible. They worked with us closely to bring our big day visions to life. They customized our entire wedding to fit us. They provided details we didn't even know we wanted or needed. The entire team was incredible and made you feel like family. The views, the ceremony area, and the reception area were stunning. Everyone is still bragging about the big day and I wish I could relive it all the time.
