ROAD TO CLUB CHAMPS 2026

There's something different about this time of year at Victoria Country Club.

The fairways feel a little tighter, the putts a little more important, and every round starts to carry a bit more meaning... because Club Champs is coming.

From 9–12 May, our Club Championships will once again take centre stage — with the Men's divisions playing 36 holes on Saturday 9th and Sunday 10th, followed by the Ladies' on Monday 11th and Tuesday 12th May. Four days. One goal. Club glory.

But Club Champs isn't just about those final rounds — it's about the build-up.

It's the early morning practice sessions. The extra few minutes spent on the putting green. The quiet adjustments, the mental notes, the "this time I'll get it right" moments. It's where preparation meets opportunity.

Over the next few weeks, we'll be taking you inside the journey — exploring what it really takes to prepare for Club Champs. From the mental side of the game to course strategy, equipment choices, and those small details that can make all the difference when the pressure is on.

Proudly sponsored by Thirsty Water, this year's Club Champs promises to be as competitive as ever — but more than that, it's a celebration of our members, our game, and the spirit of competition that defines Victoria Country Club.

So whether you're playing, preparing, or simply watching it all unfold... the road has officially begun.

SQUASH NEWS

The courts are about to come alive again as the Midlands Winter League kicks off next week – and Victoria Country Club is stepping up in a big way.

In a show of both depth and commitment to the game, VCC has entered teams across all seven leagues – from 1st through to 7th – making us the only club in the region to achieve this. It's a proud moment for our squash section and a true reflection of the strength and growth of the sport at the Club.

League fixtures will run weekly on a home-and-away basis, with VCC players travelling across the Midlands and welcoming visiting teams to our courts:

- Tuesdays: 3rd & 6th League
- Wednesdays: 2nd & 5th League
- Thursdays: 1st, 4th & 7th League

Each match night brings more than just competition – it's about camaraderie, connection, and club spirit. When we host, visiting teams are welcomed with VCC hospitality, enjoying supper and drinks after what are always hard-fought encounters on court.

Teams consist of four players, ranked from number 1 (the strongest) through to number 4, ensuring competitive and balanced matchups across all leagues. From the intensity of 1st League to the spirited contests in 7th, every match carries its own excitement and significance.

With the season ahead promising thrilling rallies, fierce rivalries, and plenty of post-match storytelling, all that's left to say is... winter squash at VCC is officially underway.

See you on court!

Andrew

MEET OUR TEAM

Pride in Every Detail

TWO STORIES
TWO DEPARTMENTS
ONE CULTURE

If you've spent any time at the Halfway House, chances are you've been greeted by the bright smile and infectious energy of Thabile Khanyile. At 33, this proud mom of three brings warmth, laughter, and a truly bubbly personality to every interaction.

Originally from Hammarsdale and now based in Ashdown, Thabile joined Victoria Country Club in 2017 – a journey she credits to both her mum and the support of former colleague Princess Ngubane, who played a meaningful role in helping her find her place here.

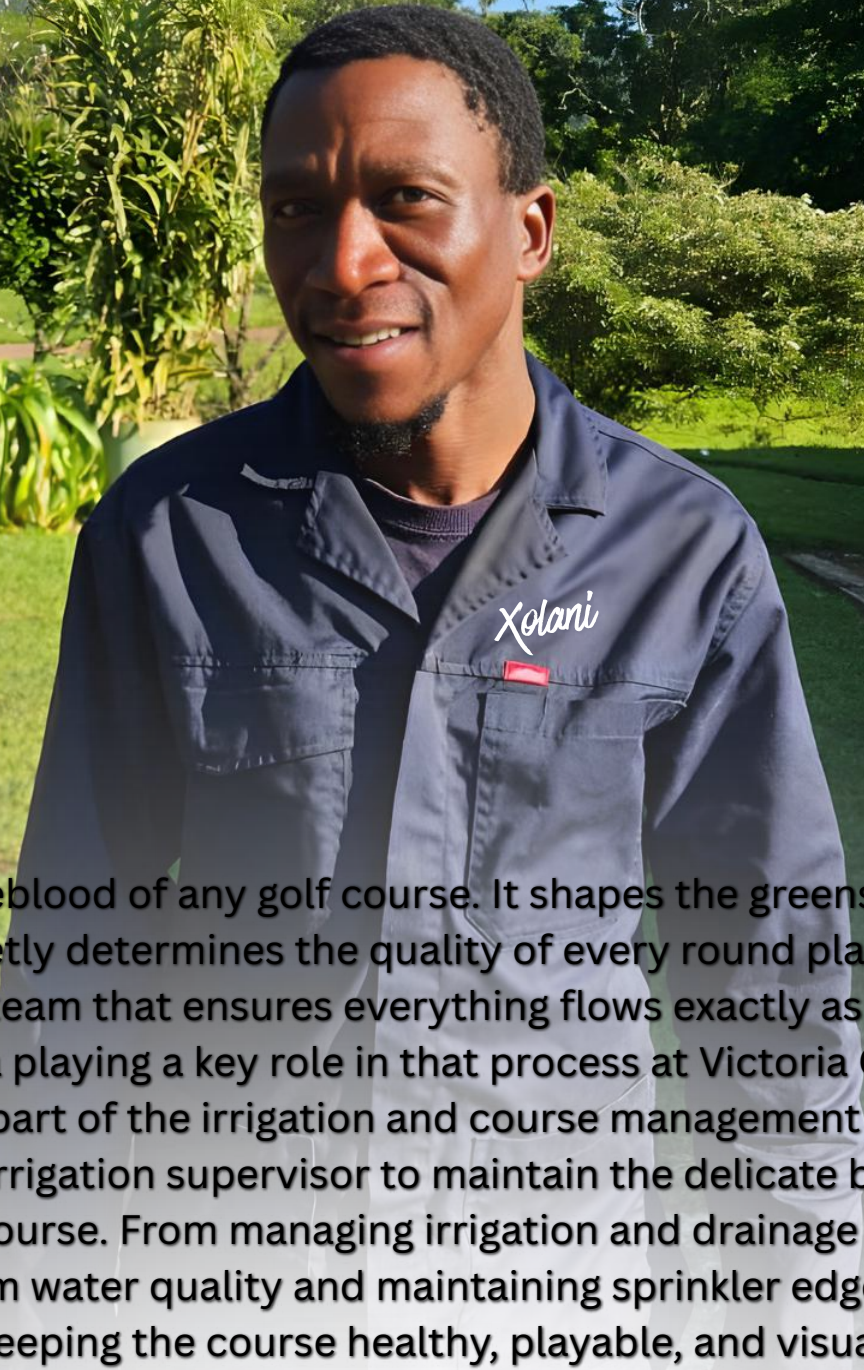

Thabile is happiest when she's connecting with members, creating a welcoming space where everyone feels at home. A self-proclaimed food lover (both eating and cooking... with a cheeky admission that she's still perfecting the latter!), she adds her own flavour of charm to the Halfway House experience.

Her genuine love for people, combined with her vibrant spirit, makes Thabile not just a team member – but a true heartbeat of the Halfway House.

MEET OUR TEAM

Pride in Every Detail

TWO STORIES
TWO DEPARTMENTS
ONE CULTURE

Water is the lifeblood of any golf course. It shapes the greens, sustains the fairways, and quietly determines the quality of every round played. And behind that balance is a team that ensures everything flows exactly as it should – with Xolani Ntshapa playing a key role in that process at Victoria Country Club.

At 43, Xolani is part of the irrigation and course management team, working closely with the irrigation supervisor to maintain the delicate balance of water across the course. From managing irrigation and drainage systems to monitoring dam water quality and maintaining sprinkler edges, his work is essential in keeping the course healthy, playable, and visually pristine. A proud father of three daughters, Xolani brings a calm, patient approach to his role – a quality that serves him well both at home and on the course. Outside of work, he enjoys soccer and cricket, supporting Orlando Pirates and the Proteas, and is actively involved in a traditional dancing group, staying grounded in his culture and community.

Dependable and detail-driven, Xolani is one of the quiet custodians of the course – ensuring that, rain or shine, Victoria Country Club continues to perform at its very best.
