LETTER FROM THE PRINCIPAL

Dear Friends of Blessed Trinity,

As we celebrated Blessed Trinity's 25th anniversary, we were reminded of the remarkable community that made this milestone possible. Your generosity and commitment have transformed the lives of our students, faculty, and staff.

This past year was filled with joyful moments: students forming a "25" on the football field, alumni reunions, honoring our founders, and even a proclamation from the Mayor of Roswell recognizing BT's impact on our local community.

Your support has allowed us to make meaningful improvements, such as strengthening safety with the new Centegix CrisisAlert system, enhancing our campus with a new scoreboard, picnic tables, a softball storage building, and refreshed landscaping. One of the most beloved additions, "Winnie," our canine counselor, brings daily comfort and joy to our students.

Your leadership gifts directly shape student success. They provide tuition assistance to 19% of our students, help fund scholarships, and make a Catholic education a reality for over 160 families. Our Class of 2025 earned \$32 million in college scholarships, our AP program received the College Board Platinum Award for the third consecutive year, and our Titans excelled in athletics, shined in fine arts, and grew in their spiritual lives.

Your continued generosity makes it possible to create new programs, expand opportunities, and ensure the faith-centered education that defines Blessed Trinity. With Catholic tuition set at \$17,000 for 2024–2025 and the true cost of educating each student at \$19,619, your support bridges this gap and ensures every Titan flourishes spiritually, academically, artistically, and athletically.

On behalf of our students, faculty, and staff, thank you for your unwavering support. The past 25 years have been extraordinary, and with you by our side, our future will be even brighter.

With heartfelt gratitude,

A handwritten signature in cursive script that reads "Cathy Lancaster".

THE TRINITY FUND

Give every year. Make an impact every day.

Dear Blessed Trinity family,

What a year it's been! Celebrating Blessed Trinity's 25th anniversary gave us so many chances to look back with gratitude and look ahead with excitement. From the joy of reunions and the energy of Homecoming to the love shared on Grandparents Day, the fun of our Auction Gala and Career Day, and the pride of graduation, each moment showed the heart of our BT community. We're especially thankful for our families, alumni, grandparents, alumni parents, and friends—your time, talents, and financial support of our Trinity Fund made these celebrations possible and keep our mission strong.

As exciting as the past has been, what excites me most is where we're headed next. Blessed Trinity is a special place; the energy on our campus is contagious. Our students are achieving great things in the classroom, on stage, on the field, in prayer, and in service to others. Their passion and dedication give us every reason to be hopeful about the next 25 years!

Your generosity makes all the difference. Every gift—no matter the size—strengthens our community and fuels our mission. Because of you, we can continue to expand opportunities for our students, prepare them for the future, and ensure that Blessed Trinity provides students with the foundation to succeed in college, career, and life.

We are grateful for our parents, alumni, grandparents, and friends who make Blessed Trinity feel like home.

With gratitude,

A handwritten signature in cursive script that reads "Katy Cowan".

Meet the Dooling Family

We are The Dooling Family—Brian, Lisa, Meghan, Allison, Brian Jr., Colleen, and Caitlyn. We have been happily married for 32 years and have lived in the Atlanta area for 28 years. As a family, we deeply value our Catholic faith and believe strongly in the power of Catholic education to shape not just minds, but hearts and character. Blessed Trinity has been an important part of our lives, and we're grateful for the lasting impact it has had on our children.

What inspires you to give to Blessed Trinity?

We give to Blessed Trinity because it has shaped our children in faith, character, and academics. BT forms not just strong students, but compassionate leaders, thoughtful citizens, and faith-filled disciples.

This community lives faith, encourages service, and cultivates leadership—values that last a lifetime. Supporting BT is more than a gift; it's an investment in a future led by young people of integrity, faith, and purpose. We give out of gratitude, belief in the mission, and hope that future families share the blessings ours has for over 15 years.

In your opinion, what makes Blessed Trinity unique?

BT is more than a school—it's a community committed to forming faith-filled, well-rounded leaders. Through academic rigor, spiritual growth, creative expression, athletic opportunity, and service to others, BT prepares students not just for college, but for life.

What has Blessed Trinity meant to you and your family?

Blessed Trinity has blessed our family spiritually, academically, and personally. More than a school, it's a faith-filled community where our children have grown in knowledge, leadership, and character. Teachers and staff care for the whole person, weaving faith into daily life—through Mass, retreats, classrooms, fields, and friendships. BT has shaped our family in lasting ways, and for that we are profoundly grateful.

What has been your favorite thing about Blessed Trinity so far?

What we love most about Blessed Trinity is the unmistakable sense of community and faith the moment you walk through the doors. Students, families, faculty, and staff are united not just by academics or athletics, but by a shared commitment to faith. From Friday night games to all-school Masses to teachers' quiet dedication, BT radiates purpose and belonging.

What would you say to someone considering supporting Blessed Trinity for the first time?

Supporting Blessed Trinity isn't just giving to a school—it's investing in the hearts, minds, and futures of young people. Your gift shapes students prepared not only for college but for life—critical thinkers, compassionate leaders, and faith-filled disciples. It fuels academics, arts, athletics, and spiritual growth, giving teachers the tools to inspire and students the confidence to thrive. We've seen the transformation firsthand—the impact is real and lasting. By giving, you join a legacy of faith, excellence, and formation that will bless generations.

Your time, talent, and dedication are the heart of our community. Because of our amazing parent volunteers, our students thrive, our events succeed, and our mission lives on. We are deeply grateful for all you do —THANK YOU!

BT GRANDPARENTS

to Lucas '25 and Christopher '27

We have been Roswell residents for almost 20 years and Georgia residents for many decades. Having “grown up” at Georgia Power, we both fully embraced its motto to be “a citizen wherever we serve,” by holding various volunteer leadership roles with institutions we value—Tom with Georgia Tech and Pat with our grandson’s school board. Supporting our grandsons at their games has shown us firsthand what a blessing Blessed Trinity has been in their lives.

What inspires you to give to Blessed Trinity?

We have always placed the highest value on family and education. Seeing the growth of our daughter—and now our grandsons—through those investments affirms that supporting Blessed Trinity is a natural extension of our priorities. Along the way, we have come to know the staff, the school, and the values that make BT such a blessing firsthand.

In your opinion, what makes Blessed Trinity unique?

Blessed Trinity stands out for its commitment to academics, the Catholic faith, and the development of personal character. And, of course, its excellent athletic programs are an added bonus!

What has Blessed Trinity meant to you and your family?

We have always made it a priority to stay engaged in our grandsons’ education, and we take comfort knowing they attend a school that provides both a high-quality education and a strong foundation in faith.

What has been your favorite thing about Blessed Trinity so far?

Our favorite part of Blessed Trinity has been getting to know the students, parents, teachers, and staff.

What would you say to someone considering supporting Blessed Trinity for the first time?

Blessed Trinity provides a unique opportunity to witness the impact of your investment firsthand—through the daily growth, character, purpose, and spiritual formation of a family member or neighbor.

SCHOLARSHIPS & ENDOWMENTS

The 9/11 Flag Memorial Scholarship

Endowed by Dr. and Mrs. Robert J. O'Donnell, whose two daughters, Kathleen '19 and Ryan '20, created the annual project to honor the victims of the September 11, 2001 terrorist attacks. Every year, nearly 3,000 American flags are placed in neat columns and rows in the horseshoe of the Blessed Trinity campus. One outstanding student is selected each year in recognition of their patriotism, love of country and personal commitment to this project.

Founder's Endowed Scholarship

Endowed by Founding Principal, Frank Moore and friends. Mr. Moore led Blessed Trinity for its first 16 years, until his retirement in June 2016. From the school's early days, its reputation grew quickly as a first-tier academic institution with outstanding service, fine arts, and athletic programs. A musician and photographer, Mr. Moore had a particular love for the arts at Blessed Trinity. The scholarship is awarded to a sophomore student who is in the top quartile of the class and is involved in the fine arts program.

Louise B. Baker Memorial Endowed Scholarship

Sponsored by the Baker family and friends of this beloved mother and parent volunteer who passed after a two-year battle with colon cancer in January 2018. Louise was most devoted to her Catholic faith and vocation as a mother, and for more than a decade, was a faithful participant in Bible study, mother's prayer group, serving as an adoration guardian, and in the overall spiritual life of the Blessed Trinity community. In her honor, and to the legacy she left, this scholarship is awarded to a student who is most devoted to practicing their Catholic faith and prioritizes service to others before oneself.
