Monthly newsletter of Cassio Road Dental Practice

## *Welcome to the Xmas 2022 edition of Grin N Share It*

It's that time of year again when our thoughts turn to mulled wine, presents and what to feed our nearest and dearest on the day! It is also a time to reflect on achievements and experiences over the past 12 months for all of us and what the new year may bring. It is hard to imagine that another year has flown by, and whilst we have accomplished so much, our growth and development is an ever-continuing road as we turn our minds to what we want to achieve next year. One of our highlights of 2022 is our progress with our on-site manufacturing of restorations. We are delighted with the way this is coming along and welcome the opportunity to be able to continue delivering smart, efficient same-day dentistry next year and developing this further.

DECEMBER 2022

## Practice News

It's been a busy couple of months here at the practice! Our renovations are now complete, and we feel that it has given our building a new lease of life! We are sure that you will also like the improvements we have made!

We are delighted to welcome on board Dr Aliya Nazerali who joins us this month. Dr Nazerali is an experienced clinician with a keen interest in restorative dentistry. For more information, please click on her profile here. For those of you booked in with her, it always helps to be able to put a face to the name! Dr Nazerali will be working on Mondays and Fridays. This expansion has allowed us to increase a little capacity and we would like to welcome any new CHILD NHS registrations. We hope to be able to extend new ADULT NHS registrations in the new year.

In our last newsletter, we told you that we had been shortlisted as finalists for the Private Dentistry Awards. We are super thrilled to announce that we won in the category of Best Website – South Region!!

The ceremony was held at the Westminster Park Plaza Hotel in London on the 7th of November and was attended by many professionals and industry leaders from all over the country. We were also shortlisted as finalists for the same category at the Dentistry Awards, which took place on the 25th of November at the Athena in Leicester, an achievement we are extremely proud of.
