He's super fun to move and sort cattle on, with the handle and buttons to make the job enjoyable. Great to ride out by yourself or in a group. Ducky picks up his leads nicely, spins, and stops hard. He's been used all over the ranch, knows what a long day's work is, and stays quiet, steady, and dependable no matter what you throw at him. We've also started roping the heel-O-matic on the heading side and he's showing a lot of promise there, too. If you're looking for a broke, good-minded gelding that's ready to go right to work or just be your go-to weekend partner. Ducky is the one!
