

# UNISUS IB WORLD SCHOOL PROFILE

UNISUS is a co-educational, International Baccalaureate (IB) World School in British Columbia, Canada, students from Early Childhood to Grade 12

**Vision** To be a leader in global education and prepare today’s students for an ever-changing world.

**Mission** To inspire our students to be globally-minded citizens and critical thinkers and to make a positive impact in the world.

## International Baccalaureate at UNISUS

At UNISUS, our mission is to inspire our students to be globally minded citizens and critical thinkers ready to make a positive impact in the world.

We currently offer the PYP and DP inquiry based programs to students from Canada and around the World. We are only one of several such schools that offer boarding to both local and international students.

The small class sizes creates an intimate personalized learning environment that places the student at the centre of the learning experience. UNISUS offers multiple pathways to graduation from an enriched BC High School Diploma (Dogwood) to a full IB Diploma Programme (IBDP)

## Countries Represented at UNISUS

## Admissions

Admission is based on the demonstrated ability of the applicant to benefit from the Unisus school program. We are selective in our admissions criteria and require thorough admission assessments.

- English, writing, mathematics and language
- Personal interviews with the student and family
- Thorough review of academic history
