WHAT BRINGS YOU TRUE JOY?

At Whispering Winds Catholic Conference Center, true joy lies in serving our community. We rejoice when we see the smiles on our campers' faces and witness their life-changing experiences in a Christ-centered environment, apart from the everyday world. True joy is abundant in the quality time families enjoy together and the lifelong memories created on the mountain!

By partnering with us, you, too, will rejoice in our mission of providing a refuge where youth, individuals, couples, families, and groups of all needs may take respite in the beauty of nature. As a sponsor, you will help ensure that we continue to offer these joyful opportunities for all—a chance to get away and rejoice on the mountain!

“REJOICE IN THE LORD ALWAYS. I SHALL SAY IT AGAIN: REJOICE!”
