

LIQUID

INNOVATION

*Miami*TM
Alkaline WATER

ABOUT US

We started in the water business after our success in the mortgage and marketing industries. Throughout our careers, we've always been driven to enrich the lives of others. We discovered there was one product we were really passionate about – CLEAN WATER.

Our goal is to open ONE NEW WATER STORE every year!

DRINKING SYSTEMS

Our water filtration systems are specifically engineered to remove any impurities from your water so simply it will be just that: water. We utilize state-of-the-art technologies to provide home and business owners with a clean, safe water filtration system that is both environmentally conscious and cost-effective.

Living a busy, active lifestyle can make it difficult to make healthy choices.

That's why we offer water dispensers for both Home and Offices so you can stay both healthy and better hydrated.

YOUR MAW TEAM

We are here to help you get clean water and start the alkaline health life in your home or office. It's never too late to improve your daily routine and drink more water!

OUR 1st YEAR ANNIVERSARY

2022.

CULTURE

Miami Alkaline Water believes in giving back and supporting our communities. We work together with our clients to help connect more people with access to clean water. As our client, you can help support our mission of completing water projects for different communities in need of CLEAN WATER.

Your clean water
gives others
clean water.
