franklin ben

Franklin & Ben designs thoughtful and sophisticated nursery furniture specifically for and in support of local, independent retailers. Drawing from timeless designs and vintage details, each piece is designed for lasting quality and uncompromising safety. We are committed to creating personal, one of a kind buying experiences by producing juvenile furniture that is only available in store.

Franklin & Ben has worked with independent retailers since 1990 and is proud to support Brixy and the shop local movement. Exclusive Brixy collections are marked with the Brixy logo.
