Welcome Home!

Producer's Letter

Welcome home to South Plains Leatherfest 2024! After an epic 2023, we are thrilled to be here once again with our South Plains Family.

This is a very special year at South Plains Leatherfest. We are celebrating both the 25th Anniversary of South Plains Leatherfest and the 35th Anniversary of the International Master slave Contest. The impact that former and current titleholders make on our community through their efforts continues to be significant. It is truly my honor to carry on the legacy of this contest system and the work of all who have come before me.

This year, we also welcome the International Person of Leather Contest. The International Person of Leather Contest began 9 years ago at Sin in the City and joins us at South Plains Leatherfest for the first time in 2024. The mission of International Person of Leather speaks directly to the commitment that SPLF has made to do the work of honoring diversity in our community, and we embrace this new addition to our cornerstone traditions.

We listened to your suggestions last year and made a few changes in 2024. You wanted more space and time to play? We've created a second All-Welcome Play Space for Friday and Saturday nights. We've also added a 24/7 Play Space called The Back Room which is open to all during the day and transitions to the Men's Play Space at night. You asked for enhanced opportunities to learn? We are kicking off the weekend even earlier with Education Intensives to deep dive into some of the topics you enjoy the most.

As for the rest – it's all back! Fabulous community, the Bootblacks and Barbershop, social spaces like the South Plains Living Room, Hospitality Parties, Cruises, Cigar Parties, and the Jump-off Dance Party, just to name a few. Add to that premier education, ballroom events with sizzling hot entertainment, and special events featured throughout the weekend. Do make sure to get some sleep (at least a disco nap or two!)

I am so grateful to be in service to my community, creating and bringing this space to you. It fills me with joy every day when I sit at my computer and work on South Plains and even more so onsite when I engage with all of you.

My deepest thanks to the fabulous SPLF 2024 staff who will be running around all weekend to bring SPLF to life! To my Majordomo Levi – thank you. You are beside me, in front of me and behind me and I could not do this without you.

Lastly, to all of you - thank you for coming to South Plains Leatherfest this year. Whether this is your first or your 35th time here, we hope you have an incredible event that is welcoming, transformative, and a truly joyful homecoming.

"Do the best you can until you know better. Then when you know better, do better."

How did we each come to identify as a Leather girl or Leather Woman? Why? During our roundtable, we will engage in candid discussions, and share insights and reflections on the various stages of self-discovery. We will share personal stories about finding Leather, evolution vs. transformation in Leather, and the influence of age and experience on one's identity. Do we move from one identity to the other? Is it a "graduation" of sorts? Whether you are a Leather veteran, or someone seeking a deeper understanding of the Leather community, bring your questions, experiences, and open minds to contribute to the journey we are on together.

- Hosted by Leather girls of Color
- Welcoming those who Self-identify as a Leather girl or Leather Woman

South Plains Play Space Rules

Play Party attendees may not have cameras, tape recorders, or recording or transmitting instruments of any kind at the Play Parties. Do not bring cell phones with you into the play space. If you wish to use your cell phone please do so outside of the play space.

No illegal activities. Do not engage in any illegal activities anywhere on the hotel premises. No exchange of money for sessions. No drugs, inhalants, or other intoxicants are allowed. No alcohol is allowed in the play space. If approached for these purposes, report this immediately to a play space Monitor (DM). If the Senior DM deems that a person is under the influence of drugs or alcohol while in the play area, they will be removed from the premises & NOT allowed to return. No refunds.

No wax play, liquid latex play, open flame branding, cell popping, medical branding, or fire play allowed.

No breath control, suffocation or strangulation play of any type, including but not limited to choke holds, sleeper holds, re-breathing apparatus, hoods that interfere with breathing, plastic bags, or other play which restricts the flow of oxygen or blood is allowed.

No guns or firearms allowed, whether real or facsimiles.

Never touch someone else, their toys, props, or property without asking and receiving permission. Remember that NO means NO.

Keep conversation very quiet in the play area.

The decisions of the play space Monitors (DMs) are FINAL. Any person(s) not responding to a DM's instructions shall be removed from the premises and NOT allowed to return. No refunds.

All play must be Safe, Sane & Consensual. When in doubt, ask a play space Monitor (DM) before you begin your scene. The "house safeword" for this event is "RED." Please use this safeword if outside assistance is required. In an emergency, this word is our version of calling for help.

Please do not bring nor attempt to use your own crosses, benches, tables or other major play station equipment. Only SPLF equipment may be used.

Blood Play (including needle play): The play space floor is carpeted. Please bring your own tarps, blankets or other coverings to ensure that the carpet stays free of blood. Please bring teknicare, betadine or other anti-infective, as well as band-aids or gauze as required. Any blood play scene that does not include sufficient protective coverings will be stopped immediately.

SPLF HIGHLY recommends the use of barrier protection when engaging in intercourse, fingering or having oral/genital sex. All sexual activities must be contained within your play station (this includes protecting equipment from contamination).

Protect the play surfaces during your play. CLEAN UP the area thoroughly afterwards.

No glitter or confetti is permitted at the Play Parties.

No food or drink (except water) is allowed at the Play Parties. If you require an aftercare snack, please use an alternative space such as the Quiet Room, room 305.

No splashing is permitted.

Do not sit on the play equipment or in the play stations, unless you are playing. Do not move chairs, tables, or other furniture/equipment. Do not congregate or socialize at play stations unless you are involved in a scene.

Violators of these rules may be removed from the premises and NOT allowed to return. No refunds.

Attendee Conduct Agreement

SPLF Family - while we are grateful to have been able to buy out the hotel and have the entire space just for our family, please remember that the hotel staff has **not consented** to see your parts or your play!

Street legal rules in all hotel spaces except the actual Play Party spaces still apply! Even though SPLF has reserved the entire hotel for attendees, you must still dress in a manner that is PG rated or more conservative when in ANY public area - this includes but is not limited to the lobby, the bar, the restaurant, and hallways. You must wear street legal attire that covers the buttocks, breasts and genitals. Please be respectful of the hotel employees. If your attire is revealing, please be sure to wear a cover-up in any area of the hotel in which you may encounter hotel employees. The hotel staff has consented to only see street legal PG attire.

Last year, we received complaints from the hotel that our attendees ruined 70 sets of sheets with blood and feces. Yes, 70 sets! Please use chux in hotel rooms and do not fuck on or play on hotel sheets and towels in a way that will ruin them. In addition to the monetary impact, this issue is about consent. The hotel staff has not consented to see or engage with your play or body fluids. Obtaining and keeping hotel contracts is the hardest part of a Leather Event Producer's job. Please treat your hotel room with as much care as your own home. This year, the hotel will document any hotel rooms that incur damage including sheets and towels, report the room numbers to SPLF and the hotel guest will be charged for damages. To help us have all the fun we want and show respect for hotel property, SPLF has purchased thousands (yes thousands) of disposable chux. They are available at the registration desk for you to take FOR FREE and use in your hotel room. There are additional chux in the Play Spaces for your use.

Do not walk around in the public areas of the hotel with toys hanging from your belt, clothing or anywhere visible on your person. Use a toy bag. The hotel staff has not consented to see your toys.

When in public areas of the hotel, please use good judgment and be discreet when conversing about BDSM activities in front of hotel staff. Absolutely no BDSM play may take place in the public areas of the hotel. Save it for the privacy of your hotel room, or the play space. The hotel staff has not consented to see BDSM activities.

Unless this is about an issue in your personal hotel room, please contact the SPLF Staff before you contact the hotel staff if you have any issues requiring attention.

If at ANY time you are asked to stop ANY activity by any SPLF Staff or Hotel Staff, please stop immediately. Once you have stopped doing whatever it was you were doing, then we can have a conversation about what the issue is.

Practice common sense and common courtesy towards all people at all times, including the hotel staff and other guests. Be kind to each other, remember that you are representing our community. Avoid exposing anyone to non-consensual kink.

Some members of our community are highly affected by scented products. Please eliminate or reduce the use of scented personal care products at SPLF as much as you are able.

Lastly, please be kind! We value diversity, inclusion and kindness at South Plains Leatherfest and will not tolerate discrimination of any kind, at any time.

Violation of these rules will result in the attendee being removed from the premises and NOT allowed to return with no refunds given.

PLAID wishes our member Charlie Doll and the IPOL 2024 title run class a joyful and memorable contest!
