A Call to a Disciplined Life

This week of prayer and fasting has called us as individuals, families, and churches to a deeper walk with God. Beyond the days we have spent seeking His face, the call before us is to live out the discipline, holiness, and obedience we have prayed for.

The disciplined Church reflects Christ not only in moments of prayer, but in daily choices, faithful service, and committed witness. As we move forward in 2026, may the lessons, prayers, and commitments of this week shape our character, strengthen our unity, and guide our mission.

Personal & Corporate Commitment

Take a moment to reflect and commit before the Lord:

- What spiritual disciplines will I intentionally sustain beyond this week?
- How will my family reflect Christ more clearly in daily life?
- In what practical ways will our church advance the mission of Christ in our community?
- How will I actively support the fulfilment of Vision 2000 by 2030?

Closing Prayer

Lord, seal in our hearts the work You have begun through this week of prayer and fasting. Grant us grace to walk in discipline, humility, and obedience. May our lives and our churches continually reflect Christ to the world, for Your glory and the advancement of Your Kingdom. Amen.
