

LAZZONI

ORGANIC LIVING

Located on the turquoise coast of Bodrum, Turkey, Lazzoni's newest project opens the door to your dreams with its exclusive details. Mesa's collaboration with Lazzoni is an expression of peace and calm with its natural elements while offering a living that is in harmony with nature. Featuring a sense of modern elegance, grace, and attention to detail, Lazzoni Outdoor Collection highlights the natural habitat of the project with its knitted wicker, solid wood, and ceramic details. Making a promise to accompany your joyful moments for many years to come with master workmanship, superior quality, and durability. Lazzoni's outdoor collection takes a solid stance on the patio with bold, modern lines following a fresh architectural interest. Bringing a sense of vacation to the patio with its breezy weaves and pure white fabrics.

BENT COLLECTION

Become the designer of your own garden and elevate your style with single, two-seater, and three-seater Bent Sofas that blend simplicity with modern style. Eliminate the boundaries in your design with various options in fabrics, and customize your Bent freely.

KAPET COFFEE TABLE

Made entirely in solid wood, Kapet Coffee Table brings the refinement of wood together with nature. Accompanying your conversations where you sip your coffee with pleasure.

LOTUS COLLECTION

Knitted wicker details of the Lotus Collection bring out nature's beauty while adorning your garden with organic details. Custom your Lotus from our wide selection of fabrics and create the perfect set for your space whether a loveseat, a three-seater, or a single sofa.

BENT CHAIR

Bent Chair brings the pure essence of nature to your gardens with its modest yet elegant design. It allows you to customize your piece freely with broad fabric alternatives.

TUBI ROUND TABLE

Tubi Round Table creates the perfect atmosphere for a gather up with your loved ones. Enhance your living space and customize it according to your tastes with its glass and ceramic options.

LOTUS CHAIR

Unveil the essence of your style with Lotus Chair, while creating a natural elegance in your garden with its knitted wicker details. Lotus allows you to tailor each piece so that you can create any style you want with our broad fabrics collection.

KAPET TABLE

Kapet Table accompanies your pleasant summer days while offering comfort with its extendable feature. It's time to bring your loved ones together at appetizing and elegant tables.

TUBI TABLE

Bringing the aesthetics of nature to your living spaces, Tubi Table adds joy to your beautiful summer days with its solid wood material.

ASTO CHAIR

Highlighting nature in your garden with the refined style of solid wood, Asto Chair blends aesthetics with nature's beauty.

Offering creative solutions for your living space with products that introduce various color alternatives where each detail carries unique lines.

MIX COLLECTION

The Mix Sofa offers a sleek and simple design with plush seating in modular configurations. With a low backrest and clean lines, the soft, modern profile remains neutral and inviting in any space. The seats are built of zigzag metal springs with ultra soft high-resilience foam, leading to immense comfort without any sagging as the years pass.

MONY COLLECTION

Transformative design! Mony Sofa can become a lounge or a full-size bed in seconds. The Mony Sofa's modern sitting system plays with multi-functionality and simple elegance. The unique design, featuring moveable headrests and armrests, allows for ultimate relaxation.

PANNA COLLECTION

Inspired by the nature, its gentle curvy profile envelops the user, as its tailored seams add an elegant structural shape. With its dynamic back cushion Panna can be converted into a lounger.

IKON COLLECTION

Visually tranquil with narrow, and cushioned arms and backs to maximize the seating area, Ikon Collection is perfectly crafted for comfort while maximizing seating space. This sleek design offers monochromatic or contrasting look, by being able to customize the shell upholstery and the interior upholstery differently.

Products designed uniquely for your living style offer the most fitting solutions for your needs and spaces.

The oak color and earth tones that thoroughly influence the pieces bring an elegant touch while highlighting “nature” in your living spaces.

The articles that are produced with Lazzoni's high-level manufacturing enable you to make the best use of the space in your homes for that perfect harmony.

KAPET SIDE TABLE

The saviour of your garden decorations, Kapet Side Table. Bring the energy of nature to your gardens, blended with the warm aesthetics of solid wood.

SOLI COFFEE TABLE

With its ceramic and glass top options, Soli Coffee Table harmonizes nature and luxury in your living, bringing inspiration.

TUBI COFFEE TABLE

Tubi Coffee Table surpasses the ordinary with its amorphous form and transcends aesthetics with its design. It enhances your style with its ceramic and glass top options.

TUBI SIDE TABLE

Tubi Side Table presents ceramic and glass top options, to help you create harmony in your garden decorations. With its round form, it offers a stylish and functional design.
