Noteworthy Member Partnerships

"Coming together is a beginning, staying together is progress, and working together is success."
- Henry Ford

The Cy-Fair Houston Chamber of Commerce serves a wide variety of business members and, on a day-to-day basis, facilitates networking opportunities and promotes business growth in the Cy-Fair area. There are so many stories to share about connection, synergy of people working together, and how an idea can become a solution. This is just such a story.

Earlier this year, two chamber members, Stacy Avist from Cypress-Fairbanks Funeral Home and Rebecca Robertson from Community Impact were catching up in casual conversation, and the topic came up how in Stacy's hometown, formal dresses and gowns were donated and shared with students wanting to go to prom or homecoming. Pretty quickly, the two determined that there wasn't such a solution in place in Cy-Fair, and figured out how a prom dress drive could work. Both of their company locations could be used as drop off spots, but since Cy-Fair is so big, businesses in other areas were identified. Then, it made sense to partner with a non-profit with a retail shop to help collect and distribute the donations.

Within a week, Cypress Assistance Ministries was on board to coordinate, and the following businesses agreed to serve as donation locations:

- Adventure Kids on Fry Road • Community Impact • Creekwood Grill • Cypress-Fairbanks Funeral Home • D'Lites
- Cy-Fair Houston Chamber of Commerce • Gulf Coast Bread Pudding • Kim Hastings Farmers Insurance • Pizzaiolos

On top of dress donations, other companies donated gift cards and services for hair and make-up, accessories, photography and shoes. With a brief conversation, and the cooperation of a handful of business owners in the Cy-Fair community, 40 students were able to enjoy a night to remember!

Congratulations

Top 5 Reasons Businesses Are Thriving in Cy-Fair

By Rebecca Robertson

Have you considered opening a new business in Cy-Fair? Here are five compelling reasons why this vibrant community is the perfect place for your venture:

1 Growth and Development

Businesses in Cy-Fair are thriving thanks to our focus on growth and development. We're a prime suburban area of one of the largest cities in the U.S., offering plenty of space and a forward-thinking vibe. The community is expanding rapidly, with new residential and commercial projects popping up all the time. This dynamic environment provides endless opportunities for businesses to grow and succeed. Whether you're starting a new venture or looking to expand, Cy-Fair is a fertile ground for your business dreams.

2 Community Partnerships

Collaboration is the name of the game in Cy-Fair. Our community is packed with businesses that love working together. Cy-Fair boasts robust partnerships with the Cypress-Fairbanks Independent School District, the Cy-Fair Fire Department, and numerous local non-profits. From local networking events to community projects, there are countless ways to connect and collaborate. This spirit of cooperation creates a supportive environment where businesses can shine. When we work together, we all thrive, and that's what makes Cy-Fair such a special place.

3 Leadership

Our local leaders are all about making a positive impact. From business and non-profits to education and government, Cy-Fair's leaders are dedicated to the community's success. They're open to new ideas, creative solutions, and teamwork, making Cy-Fair a great place to do business. Despite not having an organized city government, our leaders step up to fill the gap, actively engaging with the community and driving initiatives that benefit everyone. Their dedication and forward-thinking approach ensure that Cy-Fair is always moving in the right direction.

4 Favorable Climate for New Business

With a population of over 925,000, Cy-Fair is the perfect place to start a business. Whether it's a new restaurant, shop, or service, people here are eager to check it out. The community's diversity means there's a wide range of tastes and interests to cater to, offering endless opportunities for innovation. Plus, there's a diverse and talented workforce ready to help your business grow. Community colleges in the area, like Lone Star College-CyFair, provide excellent education and training, ensuring a steady stream of skilled workers to support your business. Access to top-notch talent and a customer base that's always hungry for new experiences makes Cy-Fair a hotspot for entrepreneurial success.

5 Community Engagement

Community engagement is huge in Cy-Fair. The Cy-Fair Houston Chamber of Commerce is a great example of how we connect businesses and foster growth. There are tons of groups here dedicated to building strong, supportive networks that help everyone succeed. From local events to volunteer opportunities, there's always something happening in Cy-Fair. This engagement not only helps businesses connect with potential customers but also builds a sense of belonging and support. When you're part of the Cy-Fair community, you're never alone in your business journey.

After 23 years of unwavering dedication and service, our beloved Vice President, Paula Harvey, is stepping into a well-deserved retirement. Paula's journey with the Cy-Fair Houston Chamber has been nothing short of extraordinary, marked by her steadfast commitment to fostering growth and unity within our community.

From her first day with us, Paula has been a beacon of positivity and perseverance. Through economic highs and lows, she has remained a constant, guiding our businesses with a steady hand and a compassionate heart.
