## ONSITE / ONBOARD TRAINING

Recognising your need for flexibility, especially in the face of the operational challenges, we have improved and expanded upon our onboard training offering. With our network that consists of more than **100 industry experts** we can train your crew onboard your vessel or at any location that suits you.

While your vessel is in port for maintenance or at sea we offer you the opportunity to upskill or refresh the knowledge of key safety topics in accordance with your required certifications.

## BENEFITS OF ONSITE / ONBOARD TRAINING

✓ **Realistic hands-on training in own working environment**

✓ **Cost-effective and minimise logistic expenses**

✓ **Flexible and fits around employees schedules**

✓ **Personalised and tailored training program**
