Welcome to the December edition of Grin N Share It

Welcome to our final newsletter for 2021. Preparations for Xmas are underway in earnest but given the latest news surrounding the emergence of a new Covid variant, one cannot help but speculate on whether this will impact everyone's Christmas plans to the same extent as it did 12 months ago. The opinion is divided on whether we should follow the most recent advice and attend Christmas parties and gatherings or whether we should continue to err on the side of caution and minimise contact.

DECEMBER 2021

Practice News

Whilst on the subject of restrictions, we wanted to gently remind everyone that our requirement to wear a face mask whilst attending the practice remains unchanged. Only those patients exempt from wearing one will be excused.

We are happy to inform all of you that we have now been able to re-open our patient toilet. We know that whilst this has been inaccessible, it has caused an inconvenience for a few patients, but we hope that going forward, any restrictions still allow us to keep this open.

We have some exciting projects in the pipeline for the forthcoming year so watch this space!
