

Solutions for passenger cars

Power distribution

- Complete high-voltage solutions for highest power level
- Robust and reliable performance even in harsh environments
- Space- and weight-saving design

1 RADOX® HV wiring

- High-voltage cables
- Sensor cables
- Anticapillary cables

2 High Power Charging cable systems

- RADOX® HPC500
- RADOX® HPC200

Data transmission

- Fully customised radar antenna systems with high radiation efficiency
- Chip-to-antenna solutions (RF board free)
- Miniaturised RF connection solutions

3 Radar antenna

- Injection moulding antenna

4 V2X

- B2B connector
- RF connectors
- Databus cables
