# WELCOME TO THE 4<sup>TH</sup> EDITION OF THE WE LOVE DOGGOS HERO CLUB MAGAZINE!

Thank you!

Because of Hero Club members like you, over the last year we were able to double the support our members give to dog transports, underfunded shelters and families needing help to pay vet bills.

This could not have come at a better time either. The problem is severe. The dog charities we help fund are telling us how overwhelmed they are by the record number of healthy, beautiful, perfectly adoptable dogs being surrendered.

Our furry friends do not understand things like inflation and interest rate hikes. They just want to go for a walk, play catch, get their bellies rubbed, cuddle and make us happy.

In this edition you will find the usual fun games, puzzles and memes. But we also wanted to introduce you to more of the real stars, **our Hero Club member dogs!**

Finally, do not miss a look inside one very special mission we were blessed to sponsor. Our Charity Coordinator, Jesse and I were able to join a crew of 8 volunteers from our

newest charity, The Animal Pad, on a trip to the streets of Ensenada, Mexico to vaccinate and treat 250 "street dogs", and sneak **FIVE more across the border and back to San Diego (oh yes we did!)**.

How do you say, "Welcome to America!" in Spanish?

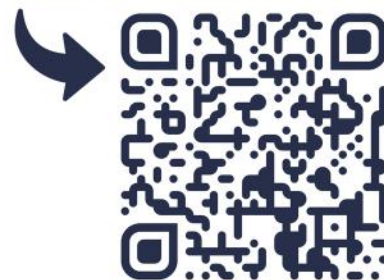

**Bienvenido a América!**

Enjoy,

*Terry Williamson*

## Greetings Heroes!

As winter begins to come to an end, the We Love Doggos Team is just amping up for an active spring season! From a dog park renovation to countless transport missions, we'll give you the 411 about all that our heroes are helping us to accomplish!

We FURst wanted to spotlight one of our community members who took our Valentines Day at home projects and made her own. We offered our members this downloadable frame to capture the love in the air with their special doggo Valentine! How heckin' cute are they??

To kick off the season of love, we had a campaign on behalf of The Animal Pad. This San Diego shelter's mission is "to build, operate and maintain a no-kill animal sanctuary. This would be the model to expand into other cities, and help others who would like to create similar shelters." Our Valentine's Day campaign was called Give Love A Shot, and our community was able to fundraise enough to vaccinate 250 street dogs in Baja California, Mexico!

Our executive director, Terry Williamson and I headed down on March 14th alongside the incredible volunteers at The Animal Pad. Together, we turned this fundraiser into actions that saved countless doggo lives.

**We love you, heroes,** and we thank you for your unwavering support in our mission to save all the doggos!

*With love and gratitude,*

# LEND-A-PAW FEBRUARY AWARDEES

Meet our FURst ever Lend-A-Paw Medical Grant Awardee, Sophia! This cutie pie that was in desPAWrate need of surgery on her torn ACL. The ACL is a muscle that binds your femur to your shin bone- you could imagine how difficult life would be on a day-to-day basis if this important tissue was out of order.

Sophia's mama, Michelle, had worked diligently to fundraise for this procedure, and before receiving the Lend-A-Paw grant, she was 90% of the way to her goal! Sophia and Michelle are an excellent example of how teamwork is the answer. Other non-profits across the nation have come together to support this doggo including Potter League, Companion Animal Foundation, and Paws 4 a Cure; we are overjoyed to be the final stepping stone in getting this gal the care she needs.

Our Second Lend A Paw Awardee is Mia, a fun-loving German Shepherd Mix. This sweet three-year-old Shepherd Mix has had the short end of the stick. The poor doggo had a lot of fatty tumors, and her fur mama Christin did everything she could to help her young pup. Christin said, "Mia is still very much a puppy and is always on the go, so this has been really difficult for her." She had one tumor removed in December, and on February 6th, got two more removed thanks to our Hero Club's Lend A Paw program! Her prognosis is good and her mama mentioned that even now when wearing the cone, she wants to run around and play.

We are so thrilled with how much progress both doggos have made, and look forward to helping many more just like Mia and Sophia through our Lend A Paw Program.
