# Our Programmes

Concern Worldwide reached approximately 28.6 million people in 24 of the poorest and most vulnerable countries in the world during 2019. Our work spans five main programme areas: emergencies, livelihoods, health and nutrition, education and integrated.

Our broad programme goals, the objectives, and some examples of our work in each area, are described in the following pages.

- **EMERGENCIES**  
see page 20
- **LIVELIHOODS**  
see page 22
- **HEALTH AND NUTRITION**  
see page 24
- **EDUCATION**
