Connections

According to our website, there are Black Sheep HDFC members in 47 states and at least three other countries. We have over 50 chapters and numerous Area Contacts – serving, praying, and hoping to get more members to become chapters. There are times like The Gathering, Sturgis, Four Corners, Daytona, and HOG Rallies where we see others from different states or regions and are reminded of our spread. If you get the weekly Prayer List, you'll be reminded of others across the country as you read and pray for their needs or concerns. Here is another example of connecting with Black Sheep around the world.

A couple of years ago, Dee's cousin was in a bad motorcycle accident in Southern Maine. We live in Virginia and were much too far away to visit, care for, and minister to him, his wife, and small son. But we had friends. We knew Ken and Mary Hawko and Bob and Jen Foss – Black Sheep in that area. So, we did what felt natural. We reached out to them and had them be our hands and feet. They visited, sent cards, and otherwise loved on

our cousins when we couldn't. In the time since then, we've also reached out to members in Houston when a friend of a friend was in a bike accident. Or, when someone was in the hospital in another state that needed a visit. As International Chaplains, we've seen numerous times when Black Sheep have connected with others in different states to do the same thing. Sometimes, we've helped make that happen. What a blessing that is! Another great example is when someone from a northwestern region was being ministered to by his Black Sheep friends and traveled south. There he was ministered to by the Black Sheep down there. If you know this story, you'll recognize that it has a powerful connection where this rider came to know Christ as his Savior through these interactions! That is a story for another time and someone else's to tell!

So, why am I bringing up this history again? Because I've had the opportunity to do something similar again. Here in Virginia Beach, we're losing our top mechanic. Life situations have caused him to move his family to Southern California. When we found out where our friend was going and what dealership he'd be working with when he arrived in So. Cal., we used the Sheep Locator feature on the new App to find the person who was at or near that dealership. We were able to get the contact information, connect with them, and help prepare the way for our friend when he arrives on the other side of the country in a week or so. Black Sheep will be there to continue ministering to this man and his family even after moving 3000 miles away!

Did you download the new App? Have you checked out the different features? There are a great many resources available, including the Sheep Locator, a Bible, Chat/Message groups for each region, and a place for Prayer Requests. We hope you'll check it out. Thank those involved with the development of this new tool, and connect with us and with others to share God's love to a hurting world. God Bless!

International Chaplain - BSHDFC

Ministry Happens Before the Patch

-by Don "Pale Rider" Wiseman
President South Bay Los Angeles Chapter

I met a guy at Starbucks for coffee to discuss our Black Sheep HDFC ministry. We were talking about how ministry happens before the Patch, when a random guy rolled in on his Harley. We introduced ourselves. He had heard there was a group riding to Cook's Corner today, and this was the meetup spot.

Sure enough, a good-sized group began to roll in. Once they had all gathered, my friend and I walked over to our bikes, and he asked me, "What's your plan?" I replied, "I just asked the LORD the same thing!"

We started chatting with a couple of the Cook's Corner riders. The LORD opened

the door for us to share our testimonies through the course of natural conversation. We gave them 'Little Jesus' figurines and prayer cards.

Before long, it was time to go. I said to my friend, "I want to pronounce a blessing on them as they head out."

Once they were all mounted on their bikes with helmets on, I stepped out front and center and called out, "Ladies and gentlemen, boys and girls, may I pray a blessing over you before you leave?"

I saw heads nod in agreement, so I did, and GOD blessed them in Jesus' name.

We all fired up our bikes, made a joyful noise in praise to GOD, and rolled out of the parking lot. Praise GOD!

I love how the LORD places us at the right time and the right place to minister to those He brings across our path, introducing Jesus and making disciples. I'm down with that and look forward to more of these divine opportunities for Holy Spirit encounters with all of you when we go on our next ride together!

Ready your bikes, for we ride in JESUS' name. We are blessed, amen!

*"In their hearts humans plan their course,
but the LORD establishes their steps."
Proverbs 16:9*

Faith, Brotherhood, and Support: A Story of Encouragement from Black Sheep

In times of hardship, the power of community and faith can offer profound comfort and strength. This was especially true for Laurent P. Biscayart III, who recently experienced a heartwarming encounter with our members.

As Laurent faced physical recovery and battled negative thoughts, Laurent received a visit from several of our members of the West LA and South Bay chapters. During their visit, they offered not only companionship but the powerful gift of prayer. For Laurent, this encounter was a lifeline that brought peace and uplifted Laurent's spirit.

"I'll cherish this interaction for the rest of my life," Laurent said, highlighting the lasting impact of this act of kindness. For Laurent, the visit from our Black Sheep members was more than just a social gesture, it was a testament to the

Laurent P. Biscayart III

Thank you to Antelope Valley Black Sheep HDFC for reaching out to David from West LA Black Sheep HDFC & Don from Black Sheep HDFC South Bay California

I can't express how grateful I am that you guys came to spend some time and pray over me. I'm truly blessed that these guys took the time to come see me and were able to help me get through all the negative thoughts in my head. Thank you God for sending these guys at the exact time I needed them. Please protect them and allow them to continue to spread their positivity and support to people like me. I'll cherish this interaction for the rest of my life. Thank

power of prayer, the strength of community, and the ever-present guidance of faith.

Let's use this story to remind ourselves of how small acts of compassion can transform the lives of others in their moments of need.

As Laurent recovers, Laurent carries the knowledge that BSHDFC is there to provide support every step of the way.

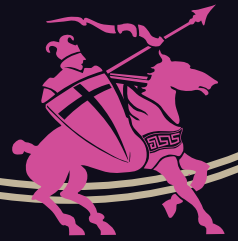

CHRIS' 2015

Road Glide

CHRIS' 2015

Road Glide

This is my 2015 Road Glide, which I was blessed to purchase from one of my brothers after he went down on it. From the moment I bought it, I had a vision of using this bike as a tool to glorify God. As Christians, we know that God provides us with many tools to honor Him, and it's up to us to make use of them. God has certainly blessed me with the ability to wrench on my bike, though I don't have the gift of painting. A good friend of Black Sheep, Jim Smith from Smith Designs, is the one who painted it for me. I chose to have Luke 10:27 painted on the rear fender—a verse that impacted me deeply when I first became a Christian and continues to do so today.

CHRIS' 2015 *Road Glide*

Like many, I wasn't a great person in the past, but through God's grace, He saved me and changed my heart. Now, I love everyone I encounter. That's why I say this bike is a tool to glorify God. Wherever I go with it, people ask me about it, and that gives me the opportunity to share the story behind it—and sometimes even my testimony.

National Director West

"YOU SHALL LOVE THE LORD YOUR GOD WITH ALL YOUR HEART AND WITH ALL YOUR SOUL AND WITH ALL YOUR STRENGTH AND WITH ALL YOUR MIND, AND YOUR NEIGHBOR AS YOURSELF."

LUKE 10:27

BSHDFC

LEADERSHIP SPOTLIGHT

Rico Martinez

“RICO” Regional Director
Mountain West

My Black Sheep calling came into my life at just the appointed time, in 2012. My girlfriend, Andy, and I were attending a church service on a Saturday, which was out of the ordinary for our schedule. Little did I know, a divine appointment with Brother Newman had already been planned for me that evening. "Bro from Black Sheep Lake Elsinore Chapter" greeted us at the church door with a welcoming smile, open arms, and an obvious love for the Lord. We spoke briefly, but the impact Bro made lit a fire in me. He even went so far as to invite me to his home to fellowship.

By the Lord's design, I had just been surprised with the gift of a Harley from my soon-to-be fiancée. This would align all the pieces perfectly for God's plan. I had been searching for purpose since becoming injured and wanted to be part of something greater. I hadn't ridden for years, but somehow she knew the gift of a motorcycle was just the beginning of something beautiful. Andy insisted that I honor the Lord with the bike. She knew I was made with a serving heart and couldn't wait to watch me grow as a Christian. At the time, I had no idea what that would look like, but I began researching motorcycle ministry. Little did I know, Bro was part of the BSHDFC Ministry. I went to Bro's house that Monday, and my growth in Christ and in this ministry hasn't stopped since.

In the years that followed, I have fellowshiped and served with countless others whom I now call my brothers and sisters. Through hugs, smiles, laughs, tears, and relentless prayers, I have found my calling and continue to glorify God through all I have to offer, as a once-broken man who is now repurposed to be His hands and feet. I have served as Vice President and President of three chapters (Lake Elsinore, Temecula Valley, and Idaho Falls) and am now the Regional Director of the Mountain West. God's calling has guided my family to relocate to Southeast Idaho, an area where there is great

need for BSHDFC to serve. He is preparing all of us here for growth, and it's exciting to see His hands at work.

One of the things I take the most joy in doing in our ministry is shining boots. Getting to know riders in the area while sharing the Lord with them can take only a few minutes but can open doors, just like Bro's open arms and smile did for me in 2012, at the doors of the same church where I gave my life to the Lord in front of a crowd of strangers. We never know what people are dealing with in their lives or how much they need that 10-minute conversation and the prayerful words we have to share. Just a couple of weeks ago, I met a man while shining his boots. Afterward, I prayed for him and his family. He burst into tears and told me that his wife of 40+ years had been diagnosed with stage 4 liver cancer just 24 hours earlier. As Black Sheep, we are called to inspire each other, and I had boldly done so, with God's guidance, without even realizing it. At that event, I declared, "We have soles to save, and not much time to get it done."

It is an honor to be part of this ministry, to go out and share the love of our Lord with those in the motorcycle world. There is not a path I wouldn't follow for Him. Let's go out, encourage each other, and spread the Lord's love.

Ministry and Prayer Across 1,500 Miles

Article by Yuma AZ Chapter

We had an incredible time serving at the Four Corners Motorcycle Rally 2024. The Lord truly opened countless opportunities for us to minister and pray for others. From praying over marriages and safe travels to even helping someone confront their demons, the power of prayer was evident. We even had the honor of watching someone re-dedicate his life to The Lord!

Despite a rough start with the enemy trying to derail our mission, God kept us safe throughout the journey which amounted to over 1,500 miles between Yuma and Durango! The work was hard, but every moment was worth it. Praying with people at gas stations, in passing, and at the Black Sheep booth. Some folks came by just for prayer, not even for a boot shine.

Thank you to everyone who allowed us to serve and be a part of this powerful experience. It truly felt like being home with our brothers and sisters, sharing laughter, prayers, and love. We are blessed to be servants among such powerful and loving warriors for Christ. Amen!

In the short time we were there, it was clear that many people had a deep longing for Christ, even if they didn't know it at first. We saw couples in tears, clubs coming together in prayer, and one man rededicating his life to Christ after losing his brother and father. These moments only deepened our love for Christ and strengthened our bond as a ministry.

Preston & Luberta **REED**

Temecula Valley, Ca.

In 2015, my journey to join a Christian motorcycle ministry began when I met Marty at Siggy's Restaurant during a fellowship. Later, at a Lamb's Fellowship car and motorcycle show, I met Zach and Two Tone, who invited me to attend a Black Sheep breakfast—an experience that would change my life.

I shared this with my wife, Luberta, who initially did not understand the concept of a motorcycle ministry. However, during a lunch stop at Nessy Burgers in Fallbrook, as Zach, the President at the time, passionately spoke to a family about Christ and salvation, my wife was moved. His urgency and focus compelled her to join the ministry, and together, we felt called to be a part of Black Sheep.

We began riding with Black Sheep Harley-Davidsons for Christ in Temecula, and it quickly became clear that this group was wholeheartedly dedicated to Christ. They lived by Romans 1:16: "I am not ashamed of the gospel because it is the power of God for the salvation of everyone who believes." This verse wasn't just a belief—they truly embodied it.

In 2021, my wife and I officially joined Black Sheep HD FC Temecula. To our amazement, one of the requirements was to be an active member of our home church, CenterPoint Church, and to attend a mentorship class led by Micah and Alicia, along with Black Sheep President Zach.

The mentorship provided a strong foundation of what it meant to be a Black Sheep Harley-Davidsons for Christ member. It helped us become rooted and grounded in Christ, and it deepened our desire to spread the gospel, bring hope, and offer salvation while riding. This experience connected us with like-minded bikers and opened doors to reach those who might be ready to hear the gospel of Jesus. The mentorship also helped us overcome doubts, fears, and shyness, while becoming open to greater knowledge and understanding as we served the Lord.

Preston & Luberta Reed

**Black
Sheep
H D F C**

Preston and Luberta Reed have never regretted the decision to boldly ride as servants of Christ, finding immense joy in the Lord and glorifying His name!

Romans 1:16

"I am not ashamed of the gospel because it is the power of God for the salvation of everyone who believes..."

CHAPTER SPOTLIGHT

BSHDFC

ADONAI CHAPTER

DENVER COLORADO

Our chapter began its journey in 2015, and today we are proud to have 10 dedicated members. Ministry in our local community is much like the work of a cartographer charting a map. As the cultural landscape and climate shift around us, we continually redraw that map, navigating the changes that life presents. Change is a constant, and it's something we must always be ready to face as we chart our course forward.

From the very beginning, prayer has been our foundation—our compass. But alongside that, a deep sense of family has woven itself into our chapter's identity. Our founding president set this tone early on, gathering us for prayer on Thursday

nights. Back then, every month had its rhythm: Thursday was Black Sheep night, with a monthly meeting, two Bike Nights, and closing out with a prayer night.

Fast forward to 2018, a pivotal moment for our chapter. One of our members was battling for his life after suffering a stroke. It was the collective prayers of many that brought him back from the brink. As he powerfully stated, "I am here by the power of God and a product of your prayers." This event reaffirmed our chapter's commitment to prayer, and since then, we've sought out every opportunity to lift others up in prayer—whether through hospital visits, spontaneous outreaches, local events, or even when we're simply riding together. We are always watching for those open doors to offer prayer and support.

Over time, our chapter evolved. What began as a prayer night transformed into family dinners—moments where we come together not just as members, but with our spouses, children, and extended families, whether they are part of Black Sheep or not. These dinners have become the heartbeat of our chapter, a suggestion from one of our members that has grown into a cherished tradition. During these gatherings, we set aside "shop talk" and ministry-focused conversations to truly connect with one another, sharing our lives openly and building deeper bonds. This sense of family, combined with our unwavering commitment to prayer, is what sustains and strengthens our chapter.

BIKES, BLUES & BBQ RALLY 2024 RECAP!

T H E 2 0 2 4 B I K E S , B L U E S , & B B Q
R A L L Y I N N O R T H W E S T A R K A N S A S
W A S A N U N F O R G E T T A B L E
E X P E R I E N C E .

It brought together motorcycle enthusiasts from all corners of the country. With an astounding turnout of nearly 400,000 attendees, this year's event was nothing short of spectacular!

Bikes, Blues, & BBQ started in 2000 and is sometimes called the "Rally with A Purpose" for being a massive charity rally. According to Rogers, Ar's chamber of commerce website, BB&B is credited as being the "nation's largest rally to benefit nonprofits in the country," boasting a \$4,000,000 donation tag and over \$15,000,000 generated in funds. This is a busy and bustling time for the area!

This year, BB&B took place from September 18-22nd. The rally transformed the beautiful Eureka Springs

Harley-Davidson dealership into a vibrant hub of excitement. The BB&B rally took place in over 4 locations across Northwest Arkansas, but the local Black Sheep Regional Director, Evan Thiele, and area contact, Veronica Thiele, were asked to participate at the Eureka Springs location. They, along with the help of many other Black Sheep, hosted a free boot shine booth.

Black Sheep HDFC was thrilled to be part of this exhilarating event, showcasing our passion for riding and our commitment to community and to serve as the hands and feet of Jesus. The boot shine booth was a hit! The Black Sheep had the privilege of shining over 100 pairs of boots, and with every polish came a heartfelt prayer offered to fellow bikers.

The atmosphere was electric, filled with laughter, camaraderie, Black Sheep tattoos for most, and the unmistakable roar of motorcycles.

Evan and Veronica want to thank the following Black Sheep for their unwavering support in this process:

Laz Alba, International President
Greyson Adams, International Vice President
Carrie Adams, San Gabriel, Ca Area Contact

Bob Foss, Eastern US National Director
Brian "Squirrel" Mackey, VP for Exodus
Robert Chavira, Intl. Board Member

Their presence not only inspired the Thieles but also energized everyone around! "We never once felt like we weren't supported through this journey. Taking on BB&B just after moving here, and not having an established Chapter, can be very scary but they were so committed to helping us make this happen! We can't thank them enough!" - Veronica

"A huge thank you to our dedicated local mentees, Robert Roark and Travis Chupp! Their hard work and enthusiasm made a significant impact on our outreach efforts." - Evan

" ALL YOU FELLOW BLACK
SHEEP SHOULD JOIN US
NEXT YEAR! " - EVAN

ROMANS
1:16 +

Imagine being part of this thrilling atmosphere next year while we celebrate their 25th anniversary of the rally! The local Black Sheep will definitely need your help! The BB&B Rally with A Purpose is not just about motorcycles; it's about charity, community, faith, and fellowship. You'll have the chance to connect with fellow Black Sheep from across the nation, share stories, and create lasting memories... possibly get a tattoo!

With four major locations buzzing with activities, live music, delicious food, and endless opportunities to shine boots and spread joy, you won't want to miss out! So gear up and get ready for an adventure like no other! Join us at next year's Bikes, Blues, and BBQ rally in Northwest Arkansas. Let's make an even bigger impact together—shine those boots, share those prayers, and spread the love of Christ throughout the biker community.

If all things go as planned, the BB&B Rally with A Purpose will be held Sept. 17-21, 2025. Feel free to reach out to Evan Thiele, Mid-America Regional Director for more information or for any questions.

"We can't wait to see you there!" - The Thieles

IN ACTION *DESERT EDGE CHAPTER*
by Yadira Chavira

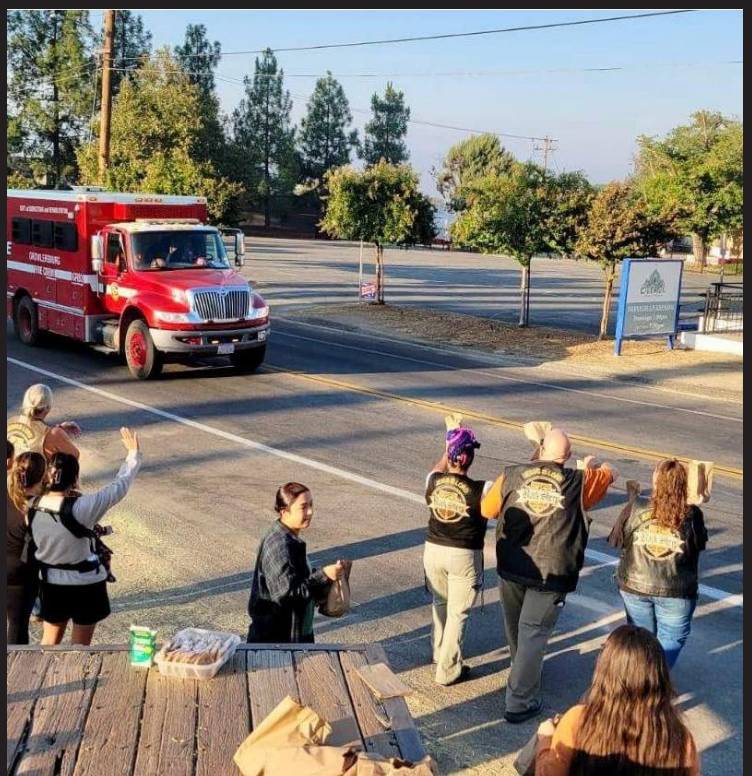

The Lord taught us a valuable lesson many years ago: when He places something on my heart, we must run with it. He has encouraged us not to wait on others to do what He has fully equipped us to accomplish. This is one of those small tasks.

With the recent catastrophic fires affecting our area, we felt a strong desire to express our gratitude to the firefighters. These brave men and women have been coming from all directions, and we've seen their units speeding by day after day, as our small town is on the route to the fire. We kept wondering what act of kindness we could offer to show our appreciation

without getting in the way or being unhelpful.

Then the answer came to us in the form of a breakfast burrito! Yes, that was it—something simple and easy to hand out as they stopped at the sign before heading up. We thought, "Lord, yes, we can totally do that." Within minutes, a small group of family members, neighbors, and our Black Sheep Desert Edge chapter came together. Not only did we start with the burritos, but others also brought great ideas that we hadn't considered—eye drops, wipes, cotton swabs, and of course, Cookie Man cookies.

As Black Sheep, we are called to serve. We are called to have hearts ready to meet needs and act on the prayers we lift up. “Lord, give me a heart like Yours. Lord, give me eyes to see what You see.” While we do have a focus on HOG groups, our mission field is not limited to just them or the dealerships. It would be like a pastor seeing someone stranded on the side of the road and not stopping to help because he’s not in the pulpit at that moment.

If we feel restricted in our service as Black Sheep, it’s something we may have misunderstood, because God

does not limit the hands and feet of His saints (Matthew 25:34-40). Serving together in unity strengthens our faith, and the blessings come back to us many times over.

We’ve witnessed Sheep across many chapters doing just this—serving in all the areas where God leads. We simply want to say thank you for setting an example of limitless service. We pray that you, too, are encouraged to run with it when the Lord places something on your heart.
