

**HIKVISION®**

# Hikvision Acoustic Imager

Detect the Unheard, Visualize the Invisible

**Break traditional  
hearing limits**

**Foster predictive  
maintenance**

**Improve  
maintenance efficiency**

**Reduce  
Economic Loss**

$\pm 1^\circ$

Precision error margin in accurately locating air/gas leaks or discharges.

GAS LEAKAGE

Precisely localize problem areas

within  $\pm 1^\circ$  accuracy

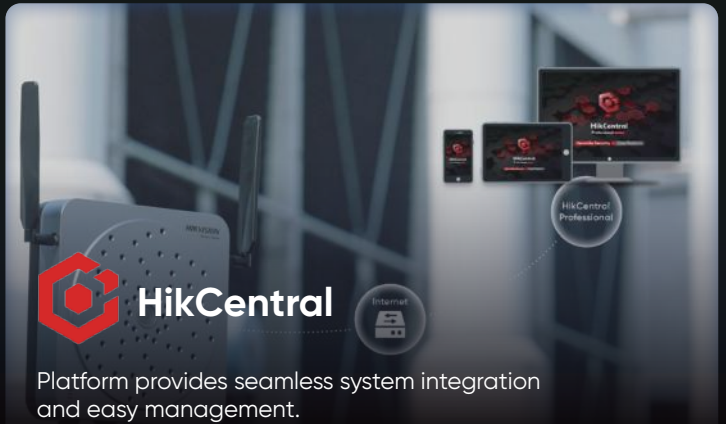

5 kHz to 72 kHz

Ultra-wide frequency range coverage, while eliminating background noise.

24/7

Remote monitoring and maintenance with mobile alerts.

HikCentral

Platform provides seamless system integration and easy management.

## Application Scenarios

### Electric power industry

### Petrochemical industry
