

Primary Lockers

Specification

BISLEY

Robust, versatile and hard-wearing - Lockers crafted for the workplace.

Primary Lockers by Bisley span a wide range of sizes and configurations, allowing you to stow your personal belongings, workwear or equipment as required. With perfect sized compartments to suit every need; whether you're storing uniform and bulky items, to separating your clothes from dirty overalls. Designed for durability, these lockers are aimed at fulfilling tough 'back of house' storage requirements, but the neat and minimalist design means they will look great in changing rooms and customer facing cloakrooms too.

This straightforward locker range is easy to specify. Featuring a smart grey carcass and a selection of door colours, there is also a range of optional upgrades including benching, feet, sloping tops and a choice of locking options.

Available in single columns or nests, Primary Lockers work around your space and capacity.

Primary Lockers: Built to last.

Features

All lockers are available with up to six doors.

There is a choice of widths and depths, designed to meet your storage needs.

All doors are available with discreet label holders.

Choice of a steel locker stand, a standard locker plinth, a raised foot with levelling capabilities and benching.

A variety of hooks and hanging rails depending on locker size and type.

The hinges are sprayed to match the door front finish.

A selection of paint finishes are available for door fronts.

Primary is compatible with the full BeSmart lock range, see Primary+ for details.

Benefits

Durable - Robust lockers suitable for adverse conditions and rough handling.

Secure - Rest assured knowing your personal belongings are safe and secure, whatever the environment, with a key lock as standard and other lock options available.

Ventilated - Primary Lockers ventilated doors allow air to flow through the locker, ensuring your items are kept fresh and in the best condition.

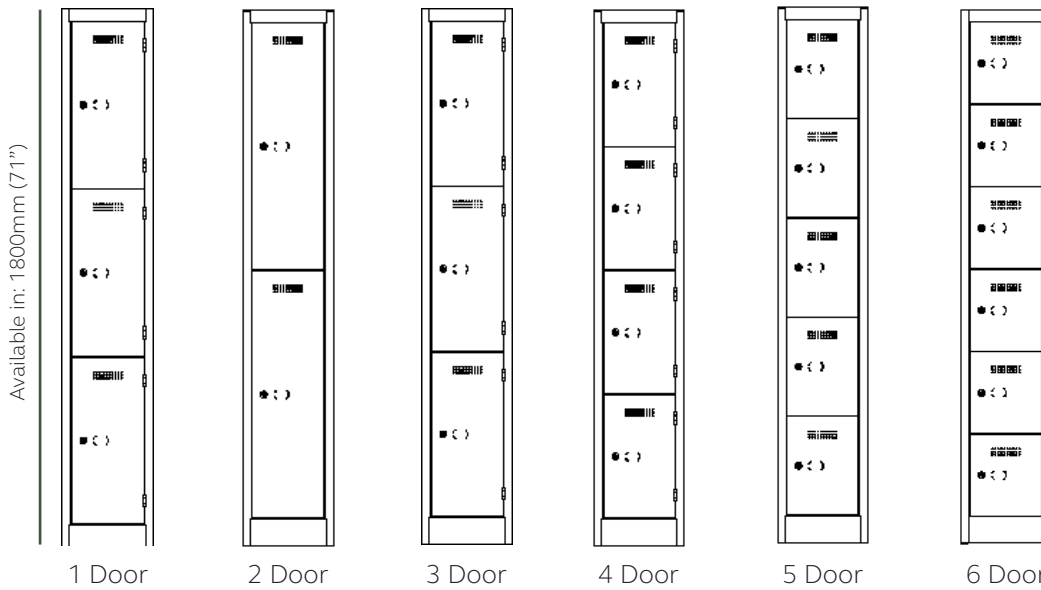

Customisable - A range of internal configurations to suit your stowage needs meaning all your belongings will have a secure, functional space throughout your working day.

Wet environment - All our lockers are available in galvanised steel making them suitable for wet and humid environments, with good resistance to corrosion and rust.
