

# Polycom Edge Series Business Media Phones

Cutting Edge Experience.

## Poly Edge Series IP Desk Phones

It's time for a desk phone that makes hybrid work easy. The Poly Edge Series with twelve-line keys offers more ways to connect, plus unbelievable audio, in a seriously sharp package. Built for hot-desking or the home office, these phones provide simple mobile phone pairing, plus bring together Poly's famous noise reduction technology and a cutting-edge design for the perfect user experience. Our most versatile phones to date, the Poly Edge Series are packed with features you didn't even know you needed, like text-to-speech and antimicrobial protection. No matter what size your business, this is the phone that upgrades your office with style, bringing your organization into the future.

- 12-line keys supporting up to 48 lines, features, and contacts.
- Integrated Bluetooth® 5.0 for mobile phone or headset pairing
- Poly NoiseBlockAI and Poly Acoustic Fence technologies.
- Signature Poly HD voice & bass-frequency-enhancing speaker design.
- Large color IPS LCD display

## Benefits

- Stay informed with style with the surround light status indicator with RGB mixing.
- Improved accessibility with text-to-speech feature, screen color adjustments for color blindness and bigger font settings.
- Add your choice of devices, with USB ports for expansion modules, headsets, or charging devices.
- Turn your Poly Edge series phones into an attendant console by adding up to two Poly Edge E Expansion Modules.
- Easy to install in home offices or hard to cable locations with included Wi-Fi.
