MISSION & VISION

Feeding the hungry today with compassion and hospitality.

VISION

To end hunger by re-imagining what food relief looks like, creating a place where guests feel seen and cared for. A community that affirms every person's inherent worth and dignity.

YEAR IN REVIEW

A message from

FROM THE EXECUTIVE DIRECTOR

2023 marked a year of resilience and unwavering support at The Giving Plate as we worked to finish our two construction projects amidst numerous hurdles while experiencing an ever-growing demand for food. Despite the increased need for our food relief programs, your generosity kept us on the front lines, feeding our neighbors in need.

Your contributions helped us keep up with serving the record number of people we assisted, as well as ensuring a strong finish to the year. With our Distribution Center and Community Store's unveiling by our 14th birthday in April 2024, we're excited about the future. With each donation, you empower us to make a real impact in the lives of our neighbors right here in Bend. Thank you for sharing your heart and generosity and for being the driving force behind our mission.

Ranae Staley
EXECUTIVE DIRECTOR

A message from

FROM THE BOARD CHAIR

What an incredible year! After successfully completing our capital campaign in 2022 thanks to the unbelievable effort and generosity of our community – you! - we began renovating our Distribution Center. It was a long and challenging process, but the end result is amazing, and the remodeled facility will be a key component to food relief in Central Oregon for many years to come.

But that's not all we were up to in 2023! After years of searching, and connecting with community and business leaders, we found a location and signed a lease on our new community store! This new space will allow us to live out our vision of "creating a place where guests feel seen and cared for." The store will continue our effort to destigmatize food insecurity by inviting our guests inside to shop for their groceries, connect with our staff, and engage with others in the community while inside. We couldn't be more excited for the dream to come to life.

We'll be busy in 2024, as we continue to respond to growing demand for food relief in our community. But because of your generosity, prayers, volunteerism, and heart for our neighbors, The Giving Plate is prepared to continue meeting the need. Thank you!

Kirk Whitney
BOARD CHAIR

GUEST STORIES

The Giving Plate has **given me an avenue to ask for help without feeling guilty.**

GUEST OF THE GIVING PLATE

“I’m a single mom with two kiddos full time. I work full time and make just too much to where we don’t qualify for SNAP. Living in “affordable housing” my rent is going up just because the market is going up. Everything is going up in price except for my income. The Giving Plate has helped me make sure I can pay my bills this year and not lose housing.”

“The Giving Plate has helped my family so much with groceries. We’re a military family and when we moved to Bend, my husband’s pay was messed up and they ended up not paying my husband for 2 months. I am so thankful for y’all.”

GUEST TESTIMONIAL

"I wasn't expecting much but I was absolutely amazed by the food box and quality of items and how long they lasted for us. It's a hard time for our family and we don't usually need help. I was embarrassed at first. They made me feel so welcomed and cared to help."

It is such an **amazing blessing** to not worry about food. Thank you.

GUEST OF THE GIVING PLATE

PROGRAM IMPACT

	2022	2023	% OF GROWTH
Total pounds of food shared with the community	776,530	913,946	+18%
