DESIGN

Unmistakable style

The 2026 Equinox, with its bold grille and sleek taillamps, is a standout. The sporty RS and adventure-ready ACTIV complement a variety of lifestyles, making Equinox one of the most exciting SUVs to drive.

Inspired exterior

Strong lines and a confident stance

Commanding view

An impressive perspective from behind the wheel

Available two-tone roof

For contrasting color combinations

Unique grille and front fascia
Express style that's tough and functional in a modern look.

Rich stitching
Contrasting stitching reveals the attention to detail inside, while available red accents create a sporty and immersive driving experience.

Large, innovative screens
Explore the latest in thoughtful digital innovations with an available 17.7-inch center touchscreen and 11-inch Driver Information Center.

Over-the-top looks and function

The available hands-free liftgate on every ACTIV, with exclusive Motion® logo lighting, goes with you.

Refined interior

Evotex and sueded microfiber seating surfaces with ACTIV's limited bronze headliner trim.

Convenient center console with pass-through

Make it effortless to stow your valuables, beverages and tech you need close at hand.

SPECIAL EDITIONS

Try it in black

Make a stylish statement any time of the day with the Midnight Edition, available on the LT model.

- **High-gloss Black mirror caps**
- **Exclusive 19-Inch Black wheels**
- **Black roof rails**
- **Black grille, badging and bowties**

CARGO

Pack in the possibilities

Equinox gives you the room to do what you like when you like thanks to its roomy interior and flexible folding seats that expand the cargo space. Comfortably fit belongings for any occasion. And if you need an extra hand loading up, you have the convenient, available hands-free AutoSense Power Liftgate.

63.5 cu. ft.* max cargo volume

Room to haul your equipment, supplies or luggage

Folding 60/40 split-bench seat

Added flexibility for all your cargo's shapes and sizes

Hidden storage

Under rear cargo floor to help protect and keep items from view

TECHNOLOGY

Everyday innovation
