Dear Members,

It's springtime in Beaufort South Carolina and the official "bell" is ringing in the season. The golf world will be focused on The Master's Tournament, a tournament like no other and the RBC Heritage which brings the finest players in the world to Beaufort County. As for Cat Island Club, we hear that bell ringing as well and are planning to host our best spring ever!

Our club focuses on the member's experience and our members have many different interests. For our golf members, spring is the time when the dormant Bermuda grass comes back to its vibrant green colors. Our pride and joy, the putting greens, challenge every golfer with our outstanding putting surfaces that our members and guests have come to expect at CIC.

Our golf calendar is full this time of year with our spring Member/Member Championship in April and our One-Day Member/Guest in June. In addition to those two major championships, our weekly Grass Masters event has captured the hearts of many and has become our most popular event, both on and off the golf course.

Our commitment to growing the game has not waived as we are also hosting two very high-profile junior events this spring. The US Kids South Carolina Invitational was a wonderful event where over 100 juniors from six different countries and 23 different states competed in this inaugural event earlier this year. In early June, Cat Island Club will be the proud hosts of the Carolinas Golf Association's Boys and Girls Match Play Championship. What a joy it will be to watch some of the finest junior players from the Carolinas battle it out in the absolute truest form of golf competition.

TO-THE MINUTE

WITH THE GENERAL MANAGER

While golf is a major part of Cat Island Club, we have a full calendar of social events designed for your entire family. Two of the most notable days of the year are celebrated at Cat Island Club. Both Easter and Mother's Day are where you find our families in the dining room enjoying a delicious brunch while creating lifelong memories.

We also salute our nation during the Memorial Day weekend as we officially welcome the summer season. What better way is there to celebrate this holiday than a pool party with great food, live music, and plenty of South Carolina sunshine? Our children take center stage with our first summer camp of the year in June and the second camp in mid-July. These camps teach our juniors about golf, tennis, swimming, and arts and crafts. Plus, it solidifies friendships and builds confidence in our youngest members. I'm so proud of our team who dedicate their time and efforts to ensuring our juniors have a great summer celebration and are introduced to games of a lifetime.

Our fabulous lagoon pool and Cabana Bar will be opening this quarter with the rising temperatures as spring rolls into summer. Our pool is a perfect reflection of Cat Island Club. You can relax poolside with a tropical cocktail or enjoy the pool with the entire family without feeling crowded with over 150,000 gallons of sparkling water. While the sun

is out to warm your body, our poolside hospitality is out to warm your soul. A cool dip in one of the pools is just the ticket for summer days and evenings.

I'm also honored to announce our newest staff member, Michayla Wolfe, Director of Sales and Events. If you are interested in hosting banquets, catered events, golf tournaments or any other function you would like to showcase in the Lowcountry's newest and most fun club, contact Michayla and allow her to spearhead your efforts to create a truly memorable signature event.

I'm so proud of our entire team at Cat Island Club. So many work behind the scenes and don't get the recognition that they deserve. Believe me when I say that our club has so many dedicated team members to ensure your member experience is truly exceptional. At Cat Island Club, we treat members like guests and guests like members! We're looking forward to a great spring season in 2025 as we hear that bell ringing. Let's get started seeing the smiling faces, warm hearts, and lasting memories at Cat Island Club.

With Warmest Regards,

TIM MERVOSH

MAKING THE ROUNDS

WITH MICHAYLA WOLFE

Dear Members,

I'm excited to officially introduce myself as the new Director of Sales & Events here at Cat Island Club!

It's truly a privilege to be part of this incredible team and community. My husband, John, our 9-month-old son, Benjamin, and I recently made the move from Greenville, SC, to Lady's Island—a place we've loved vacationing for years. After countless trips filled with sunshine, seafood, and slow, beautiful days, we finally decided it was time to make our favorite getaway our everyday life.

A little about me, I've always been passionate about creating experiences that bring people together and leave everyone with a great story to tell. Whether it's a lively club social, a stunning wedding, or a cozy birthday dinner, I believe the best events are rooted in connection, celebration, and a little magic.

One of the things that I'm most excited about is launching our brand-new Porch Party Series, a lineup of relaxed, social events hosted on our beautiful back porch, which is currently getting a little extra love and enhancement. These gatherings are open to both members and friends, and they're the perfect way to enjoy the season, the setting, and the company.

Here's a peek at our first two Porch Parties:

APRIL 12: THE MASTERS VIEWING PARTY

We're bringing Augusta National to the Lowcountry with classic Masters traditions, themed drinks, and a front-row seat to golf's greatest weekend.

MAY 2: SIP & SHOP

Enjoy an evening of live music, small bites, tastings, and local vendors. Come sip, stroll, and discover something new!

As I get settled into this role, I'm also dreaming up more signature events and would love to hear what you'd like to see here at the club. And don't forget—our event spaces are available to both members and non-members, so if you or someone you know is planning a special celebration, I'd be honored to help make it unforgettable.

Feel free to reach out anytime—whether you have an idea, want to start planning something fun, or just want to say hello.

I can't wait to meet you all and start making beautiful memories together here at Cat Island Club.

See you on the porch!

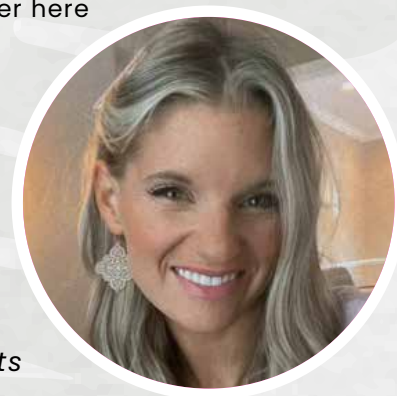

Warmly,

MICHAYLA WOLFE

STATE OF T

Greetings,

Spring is here and we've hit that sweet spot of golf in the south. Whether it's seeing the sun a little more or watching the Masters tournament, spring always brings excitement around the golf course. The Grounds Department at Cat Island Club is keeping the gas pedal down as we enter a hectic time of the year where event play picks up and grass begins to grow. We are excited for our work to be seen and enjoyed.

As play picks up on the course it is imperative that golfers take the necessary steps to preserve the condition of the course for golfers playing after you. This means raking bunkers and fixing ball marks. When raking bunkers, be sure to smooth not only the area where your ball landed but also all of your footprints please. We appreciate your assistance in maintaining the golf course and demonstrating respect for those who play later in the day.

Thanks to everyone for your support and love for our beautiful property. As always, if you have any questions or concerns, please don't hesitate to reach out or flag me down on the course.

Sincerely,
