BPFG Affiliate Info

- Benefits of Being an Affiliate**
- Payout**
- Personalized Affiliate Link**
- NFC Card**

BENEFITS OF BEING A BPFG AFFILIATE

Simple Compensation Plan: You earn a 5% fixed percentage on all affiliate eligible products generated within your business.

No Requirements: There are no added responsibilities of managing a team, qualifying for bonuses or monthly ordering.

Residual Income: As you share the products and create a network of loyal customers, you can enjoy unlimited residual earnings in monthly payouts or credit to use towards your own future orders!

PAYOUT

- When you sign up a new referral you will receive 5% commission for every completed order made by your referrals on affiliate eligible products. *vendor products are excluded.
- Unlike other affiliate programs, which pay you a one time commission, we pay you 5% commission on every eligible purchase. Yes, you read that right, Lifetime Commissions for your referrals.
- You can use your monthly credit towards your medicine or you can cash out to make additional monthly residual income.
- Cash out payments will be made via PayPal.
- Store credit is paid out by the 5th and PayPal is paid by the 15th monthly.
- Vendor products that do not apply to commission earnings are Hawaii Nexus, Spa City, CBD Fountain and HHC which is a small amount of our vast inventory.
- Important note: Those who are your referrals may become affiliates, and you will not earn commission on their referrals. This is to prevent a pyramid style structure that can become very inefficient over time.

PERSONALIZED AFFILIATE LINK

- After you have enrolled and your affiliate account has been activated, you will receive a dedicated URL with your affiliate link to send out to all your prospective referrals.
- **Your referrals must use your URL affiliate link to register** or have the identical spelling of your name placed in the referral signup box upon registering. This ensures all the commissions go to you!

AFFILIATE MARKETING CARD (NFC CARD)

When you become an affiliate, you can request an NFC Card. Our NFC Card is a physical card that contains your dedicated affiliate URL. It works like a QR Code for a phone. It's a great tool to use when talking to referrals in person, making it easy to share your link.
