ROOF INTELLIGENCE NETWORK™

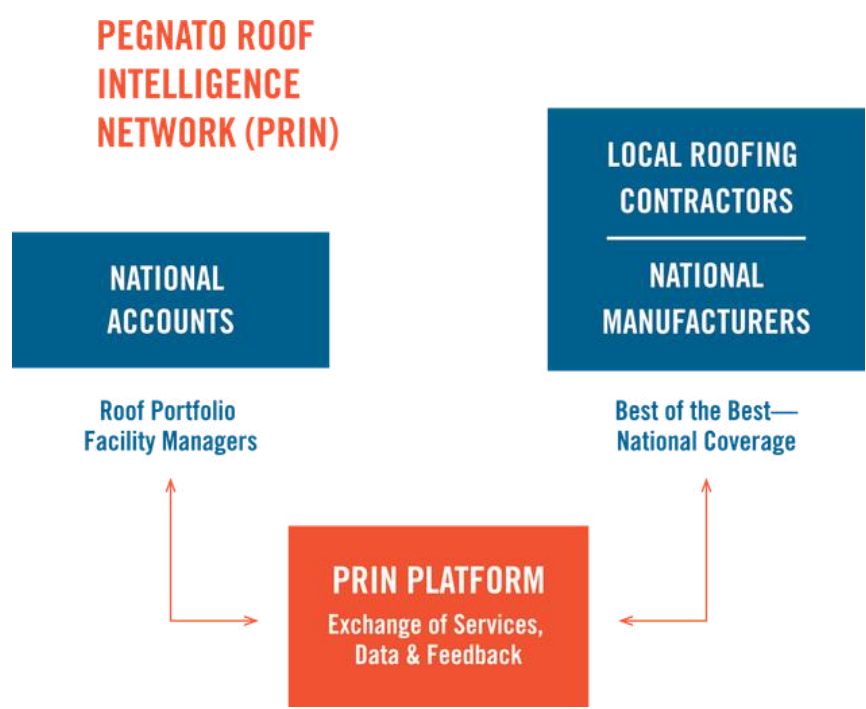

## SOFTWARE INTEGRATION & PROCESS GUIDE

# PEGNATO

## WHAT IS PRIN?

The Pegnato Roof Intelligence Network (PRIN) connects top roofing contractors with national brands that manage large portfolios of buildings.

Instead of chasing work, PRIN brings qualified opportunities directly to you—while managing the customer relationship, coordination, and billing.

**With Centerpoint Connect, accessing PRIN work is seamless—no new systems, no extra admin.**

# WHY DO CENTERPOINT CONTRACTORS JOIN PRIN?

## ACCESS MORE WORK

Receive steady work from national accounts in your area—inspections, service, repairs, and projects.

## NO CUSTOMER MANAGEMENT REQUIRED

PRIN handles communication, coordination, and expectations with the customer.

## GET PAID WITHOUT THE HASSLE

PRIN invoices the customer and pays you—so you can focus on the work, not collections.

## BUILT FOR SCALE

Many contractors see significant growth by tapping into national account work streams.

# HOW TO JOIN—AND START RECEIVING WORK

Getting started with PRIN is straightforward. Once approved, you'll begin receiving work from national accounts—fully supported and managed through the network.

1

## **SUBMIT YOUR INFORMATION**

Complete the PRIN contractor form or contact their team to begin the onboarding process.

2

## **GET APPROVED BY PRIN**

PRIN reviews your company to ensure quality and reliability for national account work.

3

## **CONNECT THROUGH CENTERPOINT**

Centerpoint Connect integrates directly with PRIN, so you can manage everything without changing your workflow.

4

## **START RECEIVING WORK ORDERS**

Once approved, PRIN sends work directly to you from national accounts in your area.

# WHAT YOU CAN EXPECT AS A PRIN/CENTERPOINT CONTRACTOR:

## CONSISTENT WORK FLOW

Receive steady work from national accounts in your area—inspections, service, repairs, and projects.

## FULL SUPPORT, 24/7

Access PRIN roof account specialists for help before, during, and after the job.

## NO CUSTOMER MANAGEMENT

PRIN handles communication, coordination, and expectations with the customer.

## SIMPLIFIED BILLING & PAYMENT

PRIN invoices the customer and pays you directly.

**No cost to join. No new systems.  
Just more work.**

# HOW EASY IT IS TO GET PEGNATO ROOF INTELLIGENCE

With *Centerpoint Connect/PRIN Integration*, work order management—from acceptance to payment—is handled automatically.

## STEP 1

### Receive Work from PRIN

PRIN sends qualified work orders directly to your email inbox—no portals or extra logins required.

## STEP 2

### Accept by Email

Review the job and accept it right from your email in seconds.

## STEP 3

### Work Order Created Automatically

Once accepted, the job is instantly created in Centerpoint—ready for your team.

# WORK THROUGH THE CENTERPOINT NETWORK (PRIN)

Work orders flow straight to you, and every step—  
completed in one simple, connected process.

## STEP 4

### Manage the Job in Centerpoint

Schedule, complete,  
and document the  
work just like you  
normally do.

## STEP 5

### Updates Sync Back to PRIN

Statuses, notes, and  
progress automatically  
sync back to PRIN—no  
manual updates.

## STEP 6

### Invoice and Get Paid

Submit your invoice in  
Centerpoint. PRIN  
handles billing and  
pays you.
