WHY CHOOSE

Exclusively Underwraps

This is an all new version of our most LOVED program! Underwraps is a bulk, no fuss program designed for ease and simplicity.

Add this on to your favourite Fall program! Run it with your chocolate, poinsettia, frozen food fundraisers etc.

It's simple to collect orders by sending out your group's unique shopping link. There is no need for your supporters to register or fuss with a student participation ID. Simply share your link anywhere or group code anywhere to collect orders.

This is a self-serve program. The coordinator will be responsible for sorting and distributing orders. Contact info for shoppers will be provided and bags for packing will be provided. All orders must be placed online or entered manually in the coordinator's portal. DFS will not accept any order forms for entry.

Products in this program are designed in Canada and exclusive to Underwraps. These are made with the highest quality paper, we stand behind these products. There will be no backorders or substitutions for this program, we guarantee stock.
