EXCLUSIVE DEVELOPMENT

Situated in a peaceful and
double gated community

Collection**

Location

The Bronte Collection is nestled in the foothills of the picturesque south Pennines. Littleborough is one of the larger settlements in the borough, yet retains its village atmosphere with many local independent shops, cafes and restaurants.

The town has a history of both wool and cotton weaving and the stone built heart of the town is a designated conservation area because of its special architectural qualities, including the Coach House Heritage Centre and the circular wheatsheaf buildings. Furthermore, the surrounding countryside and the tourist attractions of Hollingworth Lake and Watergrove Reservoir boast beautiful natural landscapes, perfect for days out.

This desirable development is set within this idyllic location, yet still within walking distance to the centre of the village and the main line train station for Leeds and Manchester, with further easy access to the M62 Motorway, making this an ideal destination for commuters.
